Division III — The Alphabetical Roll

PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Alphabetical Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form. It is our hope that we can present a more detailed as well as an accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval.

—The Conference Secretary

Symbols used *before* each name denote the category of conference relationship: AM—Associate Member; F—Full Time; FM—Full Member; FLP—Full Time Local Pastor; P—Part Time; PLP—Part Time Local Pastor; PM—Probationary Member; R—Retired; S—Supply; SLP—Student Local Pastor; AFM—Affiliate Member; HM—Honorary Member; OM—Member, Other Conference, ROM—Retired Member, Other Conference; OD—Other Denomination.

* = No Record of Attendance (from the Registrar's Records)

The minister's spouse's name is listed in parentheses following the minister's name.

H: designates Home phone number; O: Office phone number.

The symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and LFS (Less than Full Service)—Part Time Minister (one who has other employment); LP-NA—Local Pastor with no appointment.

NOTE—Service years listed with each person are "years under appointment" until retirement, *NOT* years of pension credit. If you need information about pension credit, please contact the Pensions Officer of the Board of Pensions.

—The Conference Secretary

CONTINUING EDUCATION CREDITS

Only those persons who are ordained are required to get continuing education. Those working toward ordination or retired (whether serving as Supply or not) are not required to get credits. Those who are required to get credits are required to get four (4) credits every two (2) years. Credits start counting at the beginning of a quadrennium and are shown in the *Journal* for two years at a time. Counting started with the 1992 *Journal;* therefore it will show for 1992 and 1993, then it will begin again for the next two years and be shown for each two year period thereafter.

Reports of Boards and Agencies

CONFERENCE COUNCIL ON MINISTRIES

Report No. 1

It is the responsibility of the Conference Council on Ministries (CCOM) to coordinate the plans and activities of the Conference program boards and agencies. The CCOM also works closely with the District Councils on Ministries to support and resource them in their work.

The Conference Council on Ministries, which is made up of some sixty (60) persons, fulfills its ongoing responsibilities through its four Standing Committees, the Executive/Personnel Committee, Research & Planning Committee, Interpretation/Communications Committee, and Budget & Coordinating Committee. Similar to the local church, the Conference Council on Ministries is made up of representatives from the various program agencies within the Annual Conference.

While the Vision 2000 movement is coordinated by the Conference Vision 2000 Task Force, the CCOM lends its strong support to the movement through its personnel and financial resources. We celebrate the many positive results that local congregations are experiencing from their involvement in Vision 2000!

By action of the 1994 Annual Conference, we now have a Committee on Native American Ministries in place to give oversight to this important aspect of our mission in ministry. Mr. John Byrd serves as the Chairperson of this newly-formed committee.

The development of new congregations remains a top priority for the Conference Council on Ministries. We must never lose sight of the fact that a larger percentage of our net gain in membership is coming through our newly established congregations. Our vision goal is to establish at least four new congregations within our Conference by the year 2000, one of which shall be an ethnic minority congregation.

On January 6-7, 1995, the Conference program boards and agencies came together at Blue Lake for the annual Planning Retreat. There was an air of enthusiasm and excitement among the participants. The Conference Council on Ministries owes a debt of gratitude to the many lay and clergy members of our boards and agencies who give so generously of their time and talents to plan and implement the multiplicity of ministries within our Annual Conference.

Please know that your CCOM program staff is available to assist in any way possible with Conference, District, and local church needs. The staff will accept as many invitations as their schedules will permit. When extending invitations, please allow as much lead time as possible. If we can be of any assistance, please call us at 334/222-3127, or write us at P.O. Drawer 700, Andalusia, AL 36420. Fax messages may be sent to 334/222-0469.

Report No. 3 — REVISED
CONFERENCE COUNCIL ON YOUTH MINISTRIES CONSTITUTION

WHEREAS, the Constitution of the Conference Council on Youth Ministries has not been revised in a number of years, and

Report No. 4 — DISTRICT COUNCILS ON MINISTRIES

ANDALUSIA DISTRICT

The Andalusia District Council on Ministries, chaired by Mr. Marion Brunson, planned and enacted the following acts of ministry during the Conference Year 1994-95:

(1) A number of Vision 2000 events were carried out:
   a. A third DISTRICT VISION 2000 DAY APART for ministers and spouses was held on Saturday, November 12, 10:00 A.M.-2:30 P.M., in the Bermuda United Methodist Church. Ministers attending used Bruce Larson's new book, WHAT GOD WANTS TO KNOW, as a resource for study and discussion. Directed meditation, prayer, and Holy Communion were other group activities. The people of Bermuda provided lunch.
   b. Attendance was promoted and encouraged for all three Vision 2000 Intensive Training Events in Mobile, Dothan, and Montgomery. We had representation in all three events.
   c. The Vision 2000 Attendance Campaign was again supported.

(2) The first ever meeting of a new District Laity Council was held on Tuesday, November 29, 1994. In addition to the District Lay Leader; President, District United Methodist Women; President, District United Methodist Men; Representatives from Conference and District Lay Witness Mission Movement; Director, District Lay Speakers; and five Sub-District Lay Leaders. The group met again on Tuesday, March 21, 1995.

(3) The first ever Andalusia District Revival was held Sunday through Wednesday, March 5-8. The preacher was Bishop William Morris and the song leader was the Rev. Jerry Caryl-Gordon. Special music was provided by church choirs, instrumentalists, vocal

duets, and soloists. The services were held in the four corners of the District: (1) Crestview, First UMC; (2) Crestview, St. Mark UMC; (3) Opp, First UMC; (4) Brewton, First UMC; and (5) Evergreen UMC.

(4) The district had at least six Volunteers-in-Mission Work Teams active this year: (1) St. Mark UMC, Flood Relief Team; (2) and (3) Elba UMC, two Flood Relief Teams; (4) Mt. Zion, East UMC, Blue Lake Cabins Repair Team; (5) First UMC, Crestview, Bolivia Medical Team; and (6) East Brewton and Uriah UMCs, Brazil Construction Team.

(5) The District sponsored the Rev. Gerald Caryl-Gordon's participation in a work team to Cuba. He went to search our possibilities for our district to sponsor additional work team efforts in that country.

(6) A District Super Sunday was held in the First United Methodist Church, Brewton, Alabama, on January 8, 1995, 3:00-5:30 P.M. Seven workshops were offered: (1) The Art and Craft of Sermon Making, Dr. Thomas Lane Butts, First UMC, Monroeville, AL; (2) Report of Work Team to Bolivia; (3) PPR Committee, Video Tape of Bishop Morris; (4) Visionary Sunday School Teachers, Mrs. Beth Bowdin, Piney Grove UMC; (5) How to Have an Effective Committee Meeting, Dr. Charles Hays, Foley UMC; (6) Music Ministry Workshop, Mr. Richard Hamrick; and (7) Christian Spiritual Warfare, Rev. Luke Bell, St. Mark UMC, Crestview.

(7) Certificates of Recognition were awarded on Super Sunday to churches having participated in the district 5-Star Program. Recognized churches did the following: 1. Held Confirmation Classes, 2. Used children in worship services, 3. Increased average Sunday School attendance, 4. Used the new Invitational Curriculum for children, and 5. Started a new Sunday School Class.

(8) The DCOM met quarterly and District Preachers Meetings were held once a quarter.

Plans being made:

A Mission Saturation Week-end in the Spring of 1996

DEMOPOLIS DISTRICT

A word of thanks is in order to the Rev. Charles Walker and other ministers new to the Demopolis District for "hitting the ground running" and stepping into vacancies that occurred because of changes in pastoral appointments. Filling these posts on the district program council was critical in the planning for the Demopolis District Conference held on November 13, 1994.

At the district conference these new members of the council were actually elected, but planning for the district Super Sunday was nearly complete. Two-thirds of the members were changed and nine more members were added. Most of these began serving on the council at its June meeting where plans for the 1995 Super Sunday began.

The August meeting rescheduled the quarterly meetings of the council and finalized most of the plans for the district leader-training event called Super Sunday.

Another "Thank You" to Monette Walker who helps her husband in ministry in many ways, but who helps this district so much by preparing and sending out a district newsletter. We are a more informed district. Thanks, Monette.

Thanks to the Rev. Karl Stegall who brought us a most meaningful message on "Celebrating Our Heritage" at our district conference. We came to a better understanding of what it means to enter into the labors of those who have gone before us.

A very special word of thanks goes to those who worked to make our Super Sunday, well, Super! Working within the time constraints they were given, all did an outstanding job. Comments on the evaluations were, for the most part, glowing.

We did a new thing this year. We had a choir workshop. Roger Walworth, who teaches at Judson College and serves in the church's music program at Marion, led the Super Sunday Choir. Singers from churches throughout the district worked for nearly two hours and presented their vocal selections during a closing service — another new thing for us. Thanks, Roger and singers and, of course, the organist at Demopolis First, Becky Lee.

Rene' McKnight planned the youth rally that was part of our Super Sunday. More than one hundred youth from throughout the district attended this event. The youth caucus was held, also. Youth delegates and pages were named.

Including the youth there were about three hundred twenty-five attending the '95 Super Sunday. Without them there could have been no Super Sunday. Members of the council thank you for responding so well to what we are trying to do to fulfill our primary purpose — to help the local churches "establish and provide more effective ministry."

At this writing we are continuing to work toward our district mission saturation event set for the last weekend in April. Thanks, again, to Steve Wiley and Jimmy Scruggs, our mission chair and district lay leader respectively, who have worked diligently to bring this to pass.

Ed Cotten, Chair

DOTHAN DISTRICT

The Dothan District Council on Ministries has a number of ongoing projects to report for 1994:

1. The Here-We-Are-Lord Crusade was held at Dothan's First United Methodist Church, April 17-20, 1994. Dr. William Hinson of FUMC, Houston, Texas was the guest speaker. Mr. Joe Pat Cox from Frazer Memorial UMC in Montgomery led the music. This event was well attended and everyone went away feeling uplifted.
2. The Annual Super Sunday Training Event at Dothan's First United Methodist Church was held January 16, 1994 with good attendance. A second Super Sunday Training Event was held at Lafayette Street United Methodist Church, November 20, 1994. While this event is usually held in January, the Bishop's Convocation on Preaching was scheduled for January and the training event would have been a conflict.
3. The Laity Rallies continue to provide opportunities for fellowship and sharing within the District.
4. A Mission Saturation Weekend entitled "Planting for Harvest" was held throughout the Dothan District, October 8-10, 1994. More than 15 churches participated in this very inspiring weekend event. A kick-off dinner was held in May with Dr. Kammer as guest speaker.
5. A very successful Lay Speaking Ministry Training session was held September 9-10, 1994 at Tabernacle (Dothan) United Methodist Church. This training session was for both Basic and Advanced studies. It had been more than six years since this type session had been held in the Dothan District.
6. Vision 2000 continues to enjoy good support. The Conference Vision 2000 Training Session held February 20 at FUMC Dothan was attended by 630 persons.
7. Russian Trip. A flat has been secured and we will begin to have persons going to Russia to hold Prayer Groups in late 1995.

Additionally, preparation is being done on the following new programs which are scheduled for 1995:

1. The Bishop's Convocation on Preaching for the Conference was held January 15-18, 1995 at Dothan First United Methodist Church.
2. DCOM held a Planning Retreat in January to plan Vision for upcoming events.
3. Vision 2000 Training Event was held in February at First United Methodist Church Dothan.
4. District Committee on Small Membership Church was formed and presented Small Membership Church awards at Laity Banquet in May.

MARIANNA/PANAMA CITY DISTRICT

The Marianna/Panama City District Council on Ministries has developed and been operating under the following vision statement during the past year.

> "We the Marianna/Panama City District of the Alabama-West Florida Annual Conference of the United Methodist Church, are a connected Community of branches abiding in Christ, the Vine, who believe we are called by God to produce growth and bear fruit to nourish God's People."

During this period of time we have also accomplished the following objectives and set the following goals.

Objectives

1. Held another successful Super Sunday Training Event in January of 1995.
2. Supported the Bishop's Convocation on Preaching and the Vision 2000 Training Event.
3. Had the largest number of men attend The United Methodist Men's Retreat at Blue Lake.
4. Coordinated the efforts of the Disaster Response Team for flood victims in our District.
5. Sponsored two stewardship seminars, promoting Herb Miller's Consecration Sunday.
6. Celebrated the net gain of 220 new members in our District.

Goals

1. Each church will be asked to put Noah's Ark (District Advance Special) in their budget.
2. To make plans for two District Events: Holy Week Services and a District Revival Effort.
3. To begin plans for a mission saturation event in 1996.

MOBILE DISTRICT

The Mobile DCOM has experienced excellent attendance in six DCOM meetings held in 1994. The DCOM meets every other month at the Spring Hill Avenue United Methodist Church at 1 o'clock. The group consists of all the program persons and representatives plus persons from the district mission agencies and CCOM Representative Don Brill. The Chair is the Rev. John Edwards and the Secretary is Sarah Doyle.

Plans were developed early in the year for the 1995 Super Sunday held on Sunday, January 8, 1995. The Rev. David Logan was the Committee Chair for this splendid event hosting over 600 persons from across the district for some ten different courses.

The District Vision 2000 Committee, under the able leadership of the Rev. Bobby Ellisor, worked diligently to sponsor the Conference Vision 2000 Training Event held at Dauphin Way United Methodist Church on February 18, 1995. Many meetings and numerous persons were involved in this undertaking attracting in excess of 600 people. The Vision 2000 Committee has also planned a District Revival for March 19-22 to be held in the different areas of the district. Bishop Morris will be the Evangelist.

A District Mission Sampler was held on September 15, 1994, at Ashland Place United Methodist Church introducing the approved Mission Studies for the year.

A District Celebration and Conference was held at St. Francis Street Church on November 20, 1994 to highlight the missional causes in the Mobile District. An announcement was made of the beginning of multi-cultural-racial services to begin the following Sunday at the St. Francis Street facility.

A Pastor's Appreciation Supper was held in October for the Washington County/North Mobile area with 150 persons present. Gifts and words of appreciation were spoken to the Pastors for their service. Mrs. Lola Grimes of the DCOM North Mobile Planning Council coordinated the program.

Plans for the UMM Rally and Supper are developed for March 11, 1995, according to Jim Turner, District UMM President.

The Rev. David Pierce is putting together a Communications package using radio spots from UM Communications. Plans are to begin airing these by summer of 1995.

These are a few highlights of the work and ministry of the DCOM for 1994.

MONTGOMERY DISTRICT

Through the Grace of God and the dedicated effort of many individual Christians the Montgomery District continues to grow and prosper. Nineteen ninety-four was a very prosperous year for us as we took up the challenge of ministry as God has called and equipped us.

We once again led the Conference in overall apportionment giving with over 95% of our churches paying 100% of all apportionments. We are anticipating an even greater response in 1995. Our missions giving, over and above that which is part of the apportionment structure was in excess of $500,000! This giving was for flood, tornado and other disaster relief. Another area of giving to which the Montgomery District is committed is the Children's Home. With the appointment of Local Church Representatives we have seen a greater awareness of the importance of this ministry of our Church. In 1994 our district gave $116,700 for the Children's Home White Christmas Offering. There are a number of churches in the district that give on a regular basis throughout the year to the Children's Home.

We experienced another year of growth numerically with a net gain in membership of 223. Thirty-four of our 80 churches showed a net gain in 1994. Overall we received 599 persons on Confession of Faith; 575 from other United Methodist Churches; and 638 from other denominations. This brings our district membership to 26,620!

Our District Super Sunday was a great success. Leaders from many of our churches gathered to receive training and encouragement from members of the DCOM as they embarked on the new year of challenge and opportunities. We also hosted the Vision 2000 Training Event which was held at Frazer in February. Bishop and Mrs. Morris were on hand for a great day of rejoicing and instruction as we continue to utilize the models of evangelism of Vision 2000.

The Montgomery District Council on Ministries is comprised of some of the most talented and devoted Christians anywhere. They give of themselves without reservation to the Cause of causes. Their efforts, blessed by the Holy Spirit, have moved the Montgomery District forward into a wonderful time in the life of our Church. I am personally humbled by the opportunity to serve with such outstanding people. Together we lift high the Banner of Christ and march toward Victory in Him.

Respectfully submitted,
John M. Brannon

PENSACOLA DISTRICT

The committed laity and clergy of the Pensacola District share a variety of ministries in the form of projects and programs through the district council on ministries. All of the various ministries are very important, however, seven projects and programs are being emphasized this year. They are as follows:

1. Annual LITE (Leadership Inspirational Training Event) Day. This annual leadership training event seeks to facilitate the ministry of the local churches by offering classes in the areas of ministry in which most local churches are involved.
2. Vision 2000. The district council on ministries continues to encourage local church representatives to participate in the annual Vision 2000 intensive training workshops.
3. Little Zion UMC. The Pensacola District has undertaken the project of building a new facility for the Little Zion congregation located at Tensaw, Alabama. A large portion of the needed funds has been raised and volunteers will assist in the construction of the building. The goal is to complete this project in 1995.
4. Mission to Russia. Efforts continue to be made to enlarge our outreach to Russia. A youth choir from our area will be going to Russia in July.
5. Hispanic Ministries. A task force is at work to reach out to persons of Hispanic origin within the Pensacola area. An effort is being made to discover needs and respond appropriately.

6. Campus Ministry. Through the Wesley Foundation Director, Paula Roane, campus ministry at the University of West Florida is enjoying good financial support. It is hoped that an office can be established on the UWF campus by Fall of 1995, which will increase the visibility and effectiveness of the campus ministry program. Also, plans are being made to extend this ministry to the Pensacola Junior College campus.
7. District Rally/Conference. This annual event brings together laity and clergy for a time of celebration of the various ministries of the district.

SELMA DISTRICT

1. A District Volunteer in Mission work team's trip to Jamaica and a return trip of a youth choir from Jamaica.
2. A Super Sunday event in January that featured training for persons in small membership churches as well as a youth gathering of over 150! The youth have also participated in a District Retreat.
3. We held our first Whitewater Camp Meeting in October which was well attended and received. Work continues on the property with hopes of ongoing development and continued use.
4. We also held our annual Children's Home Dinner to highlight and strengthen District support for this ministry.
5. Our Superintendent and lay leadership continue to interpret in the churches the apportionments and the ministries they support. 1994 saw an 8% increase in overall giving to these causes. A Mission Saturation Event was held in March, 1995, and we believe it will strengthen our support to Global and Conference missions.
6. Evangelism is a concern and priority in the Selma District. We were blessed again this year with another net increase in membership.

Respectfully submitted,
John Bonner, Chairperson

ALABAMA-WEST FLORIDA CONFERENCE VISION 2000

The movement of VISION 2000 in the Alabama-West Florida Conference continues to inspire, motivate and energize leadership in our local churches. We have now completed our third year of VISION 2000 Intensive Training Events. Those churches who have chosen to accept the challenge of this movement have sprung forth with new life and vitality. When we look back over our first three years, we can see how much we have grown.

As a church, we have experienced continued growth, posting a net gain in membership the last seven consecutive years (actually 18 out of 21 years). Through our annual Worship/ Sunday School Attendance Campaign, we have found a resurgence in worship and Sunday School attendance as well as membership. This is influenced in great part by our renewed commitment to provide quality teaching and fellowship in our Sunday Schools. We have matured through intentional, serious Bible study using DISCIPLE I and II as well as other short course studies of books of the Bible.

We have grown in Christian community as more members are working together in local churches in new and creative ways. We are getting better acquainted with each other in deeper and more meaningful ways. Increased faith sharing is a natural outcome of this effort. Through these experiences we have been awakened to new heights and depths of our own spirituality.

The value of this movement to the Alabama-West Florida Conference continues to be confirmed through the excellent participation in each of the VISION 2000 events. Intensive Training Events in Montgomery, Mobile and Dothan in February 1995, along with The Ultimate Training Event (for youth and youth workers) brought more than 1,850 participants. Last Fall, more than 250 clergy attended the second annual Clergy Proficiency Event, "Discovering the Mind and Mission of Jesus Christ," with Dr. George Morris as leader. Members of our Conference Task Force attended the second National VISION 2000 Leadership Event in Nashville, and a church in our Conference was featured in the national VISION 2000 newsletter, *Shared Visions*.

We have really just begun our journey under the leadership of the Holy Spirit to becoming this church Jesus Christ calls us to be in this time and in this place.

Grateful appreciation is expressed to our Bishop William W. Morris; Dr. William E. Calhoun, Conference Council Director; the AWF Conference Task Force on VISION 2000; and all the district and local church VISION 2000 committees for their deep commitment and continued leadership.

As we continue to move forward planning for ministry into the next century, our VISION 2000 Task Force will be alert to exciting new and growing visions for ministry of The United Methodist Church as we reach toward the new century.

COMMISSION ON NEW CONGREGATIONAL DEVELOPMENT

Report No. 1

In keeping with the Standing Rules #42, page 220 of the 1994 Conference Journal: "There shall be a Commission on New Congregational Development ... The commission shall develop standards and guidelines for congregational development and annually establish the conference priority(ies) for new congregational development. It shall administer funds made available to the Commission from all sources." The Commission met six times during the year, and in addition has traveled to ten different new church sites and probable church

sites. We extend our appreciation to all our Commission Members: Rev. Douglas Pennington, Rev. Charles Avery, Rev. Warren Booker, Jr., Rev. Luke Bell, Rev. Bruce Gagle, Mrs. Jennie Norton, Rev. Norman Carr, Rev. Timothy Trent, Mrs. Laura Edwards, Rev. Edwin R. Sells, Rev. Grant Parker, Dr. William Calhoun, Mr. Al Brunner, Rev. Fred Fuller, Mrs. Terri Turner, and our Bishop William Morris. These persons, as well as our District Superintendents, have been most helpful to the Commission in its work for 1994.

The accomplishments that might be noted for 1994 are in the continued work to assist the development of the new church at Orange Beach, Alabama; guidance and grant assistance to Aldersgate in the Marianna/Panama City District; and our extensive work on the demographic study PERCEPT. We have looked closely at the possibility of new churches in the Malbis and San Destin areas. We depend on our District Superintendents to guide us in the discovery of needs within their own particular District.

Report No. 2 — FINANCIAL

Through our grant program in 1994 we were able to assist our new and growing churches (Orange Beach — $45,000; Aldersgate — $15,000), as well as spend more than $10,000 on our new conference wide demographic study through the PERCEPT program. We have completed our payments on all promised monies for 1994, and have on hand in our Fund I (grant monies) $60,618.99 as of December 1994 to launch our grant program for the 1995 grants.

The balance on investment with our Foundation Program as of December 31, 1994, is $496,678.18 compared to a balance of $472,088.69 at the close of 1993. The growth noted in Fund II is from contributions and retained earnings. Our present goal is to reach $1,000,000 in Fund II Endowment for future new church growth. Be reaching this goal, our efforts for new congregations will double.

As we continue with year two of PERCEPT, we hope that this program would accelerate the process of acquiring new church locations and pinpoint specific areas of need in the bounds of our conference.

The obvious and greatest needs in the work of this Commission and our Districts in this time of shifting populations are:

1. to cultivate a deep and prayerful desire to develop new congregations and watch them mature and grow;
2. to acquire the finances to see this work accomplished;
3. to appoint strong strong, spiritual pastors who will dedicate themselves to the service of our Lord in these areas.

It is our prayer that our entire conference will see the great need in the areas of New Congregational Development and Revitalization and will give themselves to prayer and sacrifice for this work of God's Kingdom.

Respectfully submitted,
Norman Carr, Chair

Report No. 3 — RECOMMENDATIONS

The following recommendation should help us reach our goals of developing new congregations in the bounds of our Annual Conference. We recommend that two basic methods of development in the prime target areas be used with equal emphasis.

1. The purchase of new property in prime areas.
2. The appointment of strong pastoral leadership both to the purchased areas and to areas that are dense in population, but where we are unable to presently acquire property. Our purpose is to bring together bodies of believers which will later become United Methodist Churches.

We have chosen to proceed with year two of the PERCEPT demographic study of our conference, and based on this choice, we recommend that target areas suggested to us from this study be the District focal points, and that both Districts, cities, and township local churches consider using the information which this program can provide to better understand the number and nature of people in those respective areas. A local area study can, at this time, be acquired from PERCEPT for $250.00.

The Commission further recommends that each District appoint a committee on New Congregational Development and a committee on Church Revitalization. These committees

shall each be comprised of different persons, with one person from each serving as a representative to the other for informational purposes.

We recommend that these above mentioned committees meet seriously once a month until their programs of advancement are in place and underway. These committees, who would work directly under the leadership of the District Superintendent, would, in writing, plot the course for the building of new United Methodist Churches in their Districts and for restoring new dignity, spirit, strength, and church growth in declining churches. For leadership and financial aid to assist in reaching their district goals, these district committees would (through their Superintendents) call on the Conference Commission on New Congregational Development. Revitalization requests would be made to the Conference Board of Missions.

We recommend that at least one new congregation be added to our conference per year and that we call on our United Methodist Men, United Methodist Women, Volunteers in Missions, and other viable organizations in our church to physically and financially assist us in reaching out to people for Christ and His Church through the forming of new congregations in our conference.

We recommend that the next Capital Funding Campaign be in place as soon as possible, and that the entire proceeds of this program go to the endowment funding of New Congregational Development and Revitalization. Our recommendation would be the usual procedure of investment with 90% of the interest being used each year for grants.

ETHNIC LOCAL CHURCH CONCERNS

Report No. 1

The Ethnic Local Church Concerns Committee is continuing to grow and achieve its purpose of strengthening the ethnic minority local church. As chairperson, I am developing a greater awareness of the needs of our ethnic minority churches as we, the committee members, work together to meet those needs. As always, Mr. Curtis Henderson, the Conference Council on Ministries representative for our committee, continues to advise and support this committee. We offer our sincere gratitude for his unwavering dedication and assistance to us.

Our efforts are targeted at leadership training for both clergy and laity in an effort to strengthen the bonds between all dedicated persons. To this end, several training sessions were conducted. During the months of August and October, district laity leadership training sessions were held at St. Paul United Methodist Church, Eutaw, Alabama. These sessions were quite fruitful. During the Annual Conference, 1994, the Black Methodists for Church Renewal met at Metropolitan United Methodist Church, Montgomery, Alabama. These minority persons met to discuss several items of interest to ethnic minorities in relationship to the United Methodist Church.

The main focus of our clergy leadership program was the Black Pastors' Fellowship, which was held February 24-25, 1995, in Tuskegee, Alabama. The purpose of this fellowship is to explore and examine how Black Ministers within the AWF Conference can become more collegial and benefit from shared relationships. This retreat assists both pastor and spouse in moving toward a unified understanding of the role and function of the Black Pastor in the context of community restoration., There were 35 persons in attendance with leadership from the South Georgia Conference, Rev. James Swanson, pastor of St. Mary's Road United Methodist Church, and Rev. Joseph Roberson, pastor of South Columbus United Methodist Church. Time was allotted for dialogue and discussion to address some of the concerns of the Black Pastors in our conference. This activity was attended by both Bishop Morris and Mrs. Morris. We anticipate this being an annual event with the possibility of inviting Black Pastors from adjacent annual conferences, e.g., North Alabama, Mississippi, and North and South Georgia.

In addition to strengthening the ethnic minority local churches, we are also tasked to develop and implement a conference Comprehensive Plan for the continued development and strengthening of the ethnic local church. Through the plan our committee relates to all conference agencies to enable the incorporation of the work and concerns of the ethnic local church in the agencies' agenda, programs and budgets. The conference Comprehensive Plan is presented in Report No. 2.

We are thankful to God Almighty for whatever services we have rendered and successes we have realized during the past year. We humbly thank you, the Alabama-West Florida Annual Conference of the United Methodist Church, for your support, and prayerfully request that you continue to support us in the future as we move forward in His Service.

Levi Morrow, Jr., Chairperson

Report No. 2 — ETHNIC LOCAL CHURCH COMPREHENSIVE PLAN

INTRODUCTION

I. Overview:

This Conference Comprehensive Plan contains an introduction, which begins with this overview and includes a statement of purpose, the Biblical/theological foundation (unless otherwise noted, all Scripture references in this document are from the New Revised Standard Version (NRSV) of the Bible), and the amenability, make-up, and guidelines for the Conference Council on Ministries' Ethnic Local Church Concerns (ELCC) Committee. Then, it discusses the Alabama-West Florida Conference (AWFC) demographics, with regard to ethnic minority churches. Next, it gives an assessment of needs of ethnic minority churches within the AWFC. Then, it states some goals and a projected timeline for accomplishing these goals; and finally, it gives a conclusion.

II. Purpose:

The purpose of this Comprehensive Plan is to devise for the AWFC a plan of ministry to ethnic minorities who live within its bounds. Both the authority for and the scope of the ELCC Committee and this Comprehensive Plan are found clearly stated in the following mandate:

> There shall be organized in each Annual Conference a Committee on Ethnic Local Church Concerns. It shall relate to all conference agencies to enable the incorporation of the work and concerns of the ethnic local church in the agencies' agenda, programs, budgets, and assist in the implementation of the conference's Comprehensive Plan for the continued development and strengthening of the ethnic local church (Para. 726.5a, 1992 *Book of Discipline*).

III. Biblical/Theological Foundation:

The United Methodist Church has the distinction of being the most racially diverse and inclusive denomination in Protestantism. If anyone can model inclusive love for Jesus' sake, it ought to be us! We still have some distance to go, however, before we are practicing at the Annual Conference, District, and local church levels what we preach at the General Church level. Someone has accurately said, "The most segregated place in America is in the church on Sunday morning." This appears to be no less true in The United Methodist Church than anywhere else. Brothers and sisters, this ought not to be so! We can attend public events such as sports and entertainment, shop in stores and malls, work at our places of employment, attend school, even eat in public restaurants together with all races, so why don't we gather to worship our risen Lord together other than on token occasions?

Jesus, of course is the perfect example of holiness, acceptance, and inclusiveness for us to follow. Even the Pharisees had noticed Jesus' equal treatment of all people and attempted to use it against Him, as we read in Matthew's Gospel (22:15-22, inclusive): "...'Teacher, we know that you are sincere, and teach the way of God in accordance with truth, and show deference to no one; for you do not regard people with partiality...,' " (Matthew 22:16b). We must imitate Jesus' impartiality. Jesus teaches an inclusive love. In His Sermon on the Mount, He said:

> *"For if you love those who love you, what reward do you have? Do not even the tax collectors do the same? And if you greet only your brothers and sisters, what more are you doing than others? Do not even the Gentiles do the same? Be perfect, therefore, as your heavenly Father is perfect,"* (Matthew 5:46-48).

Shortly after Jesus began His public ministry, He was given an opportunity to address His hometown synagogue. Upon reading from the prophet Isaiah (61:1, 2a), He made the point that the Messiah is not only for the Jews but for everyone (Luke 4:16-30, inclusive). This is still true. Jesus Christ is the same Lord and Savior of us ALL, and all who have

accepted the grace of God through Jesus, and who have determined to be His disciples, are members of the Body of Christ — the Church. The Apostle Paul says in his first letter to the Corinthians (12:12-27, inclusive):

> *As it is, there are many members, yet one body. The eye cannot say to the hand, 'I have no need of you,' nor again the head to the feet, 'I have no need of you.' On the contrary, the members of the body that seem to be weaker are indispensable, and those members of the body that we think less honorable we clothe with greater honor, and our less respectable members are treated with greater respect... **Now you are the body of Christ and individually members of it"*** (I Corinthians 12:20-23, 27; emphasis added).

Since we are all members of the one body — the Body of Christ — we cannot in truth or good conscience exclude anyone inside or outside the Church on the basis of race, ethnic origin, or socio-economic status, else we demonstrate that we truly are not a part of His Body. The Apostle John restates it even more poignantly:

> *Those who say, 'I love God,' and hate (disdain/despise) their brother and sisters, are liars; for those who do not love a brother or sister whom they have seen, cannot love God whom they have not seen. The commandment we have from Him is this: those who love God must love their brothers and sisters also.* (I John 4:20,21)

Since we are all members of the same body, we therefore have the task of working together to strengthen and build up the body to enable it to achieve its maximum potential. We do this using the gifts we have received from the Holy Spirit. As the Apostle Paul wrote in his letter to the Ephesians (4:1-16, inclusive):

> *The gifts he gave were that some would be apostles, some prophets, some pastors and teachers, to equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of faith and the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ. We must no longer be children, tossed to and fro and blown about by every wind of doctrine, by people's trickery, by their craftiness in deceitful scheming. But speaking the truth in love, we must grow up in every way into him who is the head, into Christ, from whom the whole body, joined and knit together by every ligament with which it is equipped, as each part is working properly, promotes the body's growth in building itself up in love"* (Ephesians 4:11-16).

As we work together to strengthen and build up the Body of Christ, we truly are fulfilling the will of God in Christ Jesus. Let's continue building together!

ELCC Committee Amenability, Make-up, and Guidelines

The task of the ELCC Committee is to compose and oversee the implementation of the Conference Comprehensive Plan. Paragraph 726.5a of the 1992 *Book of Discipline* further gives the amenability, make-up, and guidelines of the ELCC Committee. It states:

> The committee shall have representation on the Conference Council on Ministries. It shall develop criteria for use in evaluating racial/ethnic projects and programs within the conference and in reporting on its work to the Council on Ministries. It is recommended that the committee be comprised of one-third laywomen, one-third laymen, and one-third clergy. It is further recommended that two youth be included and at least one-half of this committee shall be racial/ethnic, where feasible. Consideration should be given to representation from each district. It shall also include a cabinet representative. The committee's findings will be referred to the conference Commission on Religion and Race. It will cooperate with the Commission on Religion and Race in its efforts to monitor the implementation of the Comprehensive Plan and the racial inclusiveness of the conference as it develops and supports the various ministries.

I. Amenability

In compliance with this mandate. Standing Rule 39 of the Alabama/West Florida Conference states:

> There shall be a Committee on Ethnic Local Church Concerns as provided by *The Book of Discipline* (Para. 726.5(a)), amenable to the Conference Council

on Ministries, composed of five laywomen, five laymen, five clergy, of whom at least 50 percent shall be racial/ethnic minority persons. These, including the chairperson shall be nominated by the Annual Conference Committee on Nominations and elected by the Annual Conference.

II. Makeup

The membership of the AWFC ELCC Committee is as follows: Mrs. Eleanor Toland, Secretary (Caucasian); Mrs. Willa Avery (African American); Miss Emily Byrd (Native American); Mrs. Taemin Hong (Asian American); Mrs. Sherry Sherrer (Caucasian); Mr. Levi Morrow, Chairperson (African American); Mr. Herbert Horton (African American); Mr. Sebron Weaver (Native American); Mr. Peter Pischek (Hispanic); Mr. Luke Jackson (African American); Mr. Kinsey Green (Caucasian); Mr. Curtis Henderson, Conference Council on Ministries (CCOM) Staff Associate related to the committee (African American); Rev. The Council on Ministries Executive Director, the Staff Associate, and the Cabinet Representative are ex-officio members with voice and vote.

III. Guidelines

A. Grant and Funding Policy Procedures

1. The following guidelines were presented in a resolution and approved by the 1992 session of the Alabama/West Florida Conference:
   a. ELCC grants shall be made for the support of programs of ministry offered by ethnic local churches to meet the needs of the church and community.
   b. No ELCC grants shall be made for capital improvements; these requests shall be referred to the Committee on Congregational Revitalization of the Board of Missions.
   c. ELCC grants may be made for pastors' salary support under the following provisions:
      (1) that the ELCC, upon investigation, deems that salary support enhances the local church's program of ministry in demonstrable ways, and
      (2) that the salary support grant serves only to bring the salary up to the level of minimum salary required to make the pastor eligible for Equitable Compensation Funds.
2. Additionally, the ELCC shall:
   a. Use no more than ten percent of funds for research and committee programming each year;
   b. Fund only ethnic minority programs;
   c. Provide information and guidance to pastors and laypersons regarding resources and programs for strengthening ethnic minority churches;
   d. Emphasize to boards, agencies, and districts that ELCC Committee funds are for use **with** other agency funds and are not to be considered an **exclusive** source of funding;
   e. Use a line item budget to define program expenditure requirements more accurately;
   f. Recommend scholarships for the committee chair, and/or other members as necessary, to attend National, Jurisdictional, Annual Conference, and District level events pertaining to ethnic minority concerns; and
   g. Provide scholarships for youth to attend youth conferences related to ethnic minority concerns on National, Jurisdictional, Annual Conference, and District levels.

B. As allowed by Annual Conference legislation, all funds contributed by churches for the ELCC Committee shall be retained for use in the AWFC. The ELCC strongly urges that local churches remit all apportioned funds at the earliest possible time, since the work and ministry of the ELCC is dependent on it.

Status Report on Past/Existing Ethnic Minority Projects/Outreach Ministries:

3. Item #2 is self explanatory.
4. Item #3 is self explanatory.
5. Item #4 Purpose — Try and be brief, but tell the story. The intent of the ELCC committee is to help with minimum burden on the requester. However, since funds are limited and our attempt is to provide a helping hand to all, we must be given the specifics of your request to make an informed decision, i.e., How many will benefit; what age groups are affected; how will the ministry of the local church, district, or conference, be advanced; how will request be accomplished; and method of evaluating or determining the outcome or need for follow-up. Avoid flowery, irrelevant phrases.
6. Item #5 is self explanatory.
7. Dates: (Must be clear due to zero based budgets. Consider calendar year schedules when planning)

A. "When Needed" — Actual date you need funds in hand. It may or may not be the start date for your needs.

B. "Schedule for Use" — The incremental schedule for receipt of funds, e.g., if you have a year long program, you may only need to receive funds quarterly or monthly; in the case of a scholarship, you may need the funds in one installment one time or weekly.

C. "Period/Duration" — Actual start date and the end date for funds use. These are inclusive dates and should not exceed one year.

8. Item #7 is self explanatory.
9. Item #8 is self explanatory.
10. Grant Application Deadlines:

Received By — 1 Dec	Review/Action — Jan
1 May	June
1 Aug	Sep
1 Nov	Dec

11. Final Instructions — Fill in all blanks. For those which do not apply, mark "N/A." Applications that are not completely prepared will be returned to the person making the request and thereby delay review by the committee. The ELCC committee will notify the person making application, the local church Pastor and Board/Council Chair, and the District Superintendent of its action. The following steps will be taken if the request is approved.

A. A check will be forwarded to the person making application or the local Pastor. The District Superintendent will be notified.

B. The person receiving the grant is required to send a report to ELCC and District Superintendent on the forms provided by the committee. This is very important for the work of the committee in considering future grants.

AWF CONFERENCE DEMOGRAPHICS

I. A Statistical Overview:

The AWFC is composed of nine districts, consisting of 699 local churches, which comprise 467 charges. Of these, 44 churches (6.3% of all AWFC churches) comprising 22 charges (4.7% of all AWFC charges) are ethnic minority congregations. Forty-one of these churches (5.9% of all AWFC churches, or 93.2% of the AWFC ethnic minority churches) comprising 19 of the charges (4.1% of all AWFC charges, or 86.4% of the AWFC ethnic minority charges) are African American. Two of the churches (.003% of all AWFC churches, or 4.5% of the AWFC ethnic minority churches) comprising two of the charges (.004% of all AWFC charges, or 9.1% of the AWFC ethnic minority charges) are Native American. One of the churches (.001% of all AWFC churches, or 2.3% of AWFC ethnic minority churches) comprising one of the charges (.002% of all AWFC charges, or 4.5% of the AWFC ethnic minority charges) is Asian American. There are presently no organized United Methodist Churches of any other ethnic minority groups in the AWFC.

Total demographics of the general resident population of ethnic minorities within the bounds of the AWFC is as follows: 27.15% is African American; 1.09% is Hispanic; .91% is Asian American; and .57% is Native American. The remainder of the general resident population is mostly Caucasian (71.12%), while .25% is listed generically as "other race." ASSESSMENT OF NEEDS FOR ALL ETHNIC MINORITY CHURCHES IN THE AWFC

I. Leadership Development:

A definite need exists for leadership development and training for both the laity and the clergy in the ethnic minority local churches of the AWFC. Therefore, leadership development seminars and workshops will be planned by the ELCC, Conference Commission on Religion and Race (CCORR), and any other related agencies to address this area of concern. Any non-ethnic-specific leadership training should also be particularly sensitive to encouraging ethnic minority participation.

II. Outreach/Missions:

A need for greater emphasis on outreach and mission priorities in the local area and beyond is an important one. Such issues as hunger, homelessness, medical care, illiteracy, racism, and other related social concerns are matters which should be addressed by the Church at large, not just by the ethnic minority local church. Offering relief from these distresses in the name of Jesus Christ will go a long way in reaching a skeptical, unbelieving, and spiritually needy world. Each local church in the AWFC is strongly encouraged to survey its surrounding community to identify the need(s) to which it can adequately minister and begin to address it/them.

III. Congregational Growth Strategies:

Congregational growth may be measured in other ways besides numerical, although that is perhaps the most prominent way. Where the ethnic minority population warrants it, evangelism/missionary outreach is still the best approach to church growth; but in areas where certain ethnic minorities are fewer than ever, numerical growth may not be feasible right away. The ideal, of course, would be a racially and culturally mixed congregation to fill in the gap and attempt to minister effectively to ALL ethnic groups. This ideal might actually be accomplished by providing inter-racial interaction within the community through joint worship and other fellowship opportunities. Eventually, friendships and Christian kinship will develop to the point that people will be invited to attend and join the local church regardless of their race. Until such a holy occasion, however, efforts at congregational growth should therefore be aimed in other more profitable directions. For instance, teaching of spiritual disciples such as Bible study, prayer, fasting, lay pastoral care, personal evangelism, etc. and teaching of cultural history as well as denominational history, polity, discipline, organizational structure, and local church administration can work wonders in making a congregation more vital and vibrant spiritually and more efficient and emanate administratively and programmatically.

New church starts are also a way of growing ethnic minority congregations. The Conference's New Congregational Development needs to give as much consideration and attention to ethnic minority church starts as to ethnic majority church starts. The mission field is as ready for harvest there as anywhere else!

IV. Determining Congregations for Revitalization:

A disturbing number of AWFC ethnic minority congregations are in dire need of physical plant improvements or outright replacement. Some church buildings are dilapidated, decaying, and even disintegrating. These structures not only present a poor image to outside passersby who may be potential members, but just as importantly, they are unsafe. While capital improvement grants are not permitted by the ELCC Committee guidelines, pointing out the needs for other agencies' attention is a definite responsibility of the ELCC. Revitalization funds are available for just such needs, and identifying churches for these funds is the task of the Revitalization Committee of the Board of Missions. The Board of Missions really needs to take a closer look at ethnic minority churches in need of revitalization.

V. Supplemental Funding:

Adequate funding is one of the greatest obstacles to maintaining any kind of lasting, significant programming in the ethnic local church. Usually, a low and restrictive income, emanating from a small number of members, is the chief reason. Certainly, this is where the ELCC can do the most good: by providing grants for programming assistance and, in some cases, supplemental salary assistance for the pastor. However, ELCC funds are limited and therefore are not to be considered as a sole source of funding. Furthermore, as has already been stated, capital improvements are also needed, and Equitable Compensation guidelines must be amended to deal with special situations/circumstances. Clearly, additional funding from other sources, such as the Equitable Compensation Fund, the Board of Missions, etc. is a must if the minority local churches of the AWFC are to be thoroughly revitalized and reach their full potential.

SOME THINGS LOCAL CHURCHES CAN DO

The following suggestions were first published in the Interpreter magazine. They were prepared by general program agencies of The United Methodist Church. Choose the suggestions which you and your church find most helpful.

1. Have an Ethnic Local Church (ELC) observance during a Sunday morning worship service. A speaker could come to your church.
2. Plan a study session or workshop on Developing and Strengthening the Ethnic Local Church. Ask your Annual Conference to provide names of area persons who can be guest speakers. You might make this a joint study session among several churches. From the sessions may come information on seeds and ideas for further help.
3. Ask your district superintendent about the ethnic churches in your area. Perhaps there

is a new congregation of which you are not aware. Once you know where congregations are located, possibilities exist for joint worship services in one church. If the ELC group worships in a language other than English, the joint service should be planned so that both languages are used.

4. Learn where the ethnic local churches are situated in your community (especially any newly organized ones) and plan a fellowship event with one or more. Offer your assistance in training leaders and church school teachers and share curriculum resources with them.
5. Let the pastor consider preaching a series of sermons based on the concept of ethnic pluralism, giving biblical and theological rationale and Christian perspective.
6. Schedule worship services and other events highlighting specific ethnic traditions. If your church is multiracial or interethnic, ask persons to share their cultural backgrounds.
7. Organize a fine arts festival (music, dramas, painting, sculpture, etc.), inviting ethnic minority persons to share in the experience.
8. Initiate a study for small lay groups on theological and cultural pluralism. Hold elective or short-term classes for children, youth and adults, using ethnic curriculum resources and/or other related materials.
9. Train senior high and college-age young people to work with ethnic children and youth in the summer and/or on weekends.
10. Encourage the joining of ethnic members of local churches in your community. Have dialogue and strategy sessions on social, economic and political issues that impact the lives of ethnic persons in church and society.
11. Identify ethnic leadership in your local church, district and involve them on all planning for programs that effect ethnics within church and society.
12. Develop programs and projects that will help the church members to understand the goals and objectives of the ELC.
13. Initiate small study groups to examine the nature of participants' prejudices and to support one another in changing attitudes. Work toward a more caring relationship with other racial and ethnic groups.
14. Seek out a newly arrived individual or family of another racial or ethnic background in your community and offer friendship.
15. Examine your church's evangelism program. Do you have opportunities to share the gospel with people who are different from you?
16. Participate in recruiting and educating future ministers. Information concerning the professional ministry is available from theological centers funded by the Division of Ordained Ministry through its Ethnic Local Church funds.

GOALS AND A PROJECTED TIMELINE FOR ACCOMPLISHMENT

I. Proposed Projects/Outreach Ministries for Ethnic Minority Churches:

A complete demographic study of the entire AWFC is needed to determine where the highest concentrations of ethnic minority groups are located. With the information, congregations can begin planning canvasses, mass mailings, and/or mass media presentations to appeal to their particular group and encourage their profession of faith in Jesus Christ and their attendance for worship with them. Churches of ALL ethnic groups shall endeavor to invite and make welcome members of any ethnic group in their congregational gatherings. This means that ethnic minority congregations have as much responsibility for inviting residents from their surrounding community to worship with them as ethnic majority congregations do.

This same demographic information will be very useful for determining new church starts for each of these ethnic minority groups. Particular attention will be given to the following districts: Dothan; Marianna-Panama City; Mobile; Montgomery; Pensacola; Selma; and Troy.

Along with these new church starts, clergy recruitment will be essential. As a means of increasing ethnic minority clergy recruitment, ethnic local churches are encouraged to become nurturing bases for candidates for the ministry. The Boards of Ordained Ministry and Diaconal Ministry should give particular attention and emphasis to enlisting ethnic minority youth and young adults for ordained and/or diaconal ministry. Both new and existing leadership will be offered leadership training through seminars in United Methodist Church

structure and polity, church administration, and lay speaker training. Lay speaker training and certification can also provide strong pulpit reserves in addition to strengthening the lay leadership in each local church.

A survey of the ministry needs of ethnic local churches will enable both the ELCC and the AWFC to develop plans for responding to these needs. A similar survey of the ministry needs of ethnic minority young people will enable both the local church and the ELCC in responding to *their* needs.

The ELCC will, in cooperation with the CCORR, sponsor convocations on the ministry, conduct workshops on practical skills-building (with special emphasis given to articulation in writing and speaking), offer workshops on planning and leading worship, and provide workshops on financial planning and management and budget preparation, each specifically designed to assist ethnic minorities with their particular ministries. As often as possible, these seminars and workshops will be offered in two strategic locations within the AWFC; at Livingston University for the western/northern areas of the Conference, and at Blue Lake for the eastern/southern areas.

Last, but certainly not least among our goals, we intend to propose a plan for effectively dealing with racism in all its forms within the bounds and structures of our Conference. If we as true children of God will begin to love one another as Christ has loved us, then we will be rid of the blight of racial favoritism and ethnic oppression which now plague our Church. While this may seem idealistic, we must remember that all things are possible with God — *especially* if we love as He loves.

II. Projected Timeline for Accomplishment:

By the end of the 1993-1996 quadrennium, we hope to:

A. Complete a demographic study of the ethnic minority population distribution throughout the entire AWFC, so that we may offer a strategy for how many new church starts to propose of which ethnic minority groups and where to locate them within our Conference;

B. Devise a plan for increasing ethnic minority clergy recruitment for our Conference to accommodate both the new and the existing congregations;

C. Complete the surveys of ministry needs for both the ethnic local churches and the ethnic minority youth by December 1, 1995. A response to address the results of these surveys will follow shortly thereafter in 1996;

D. Conduct as many seminars and workshops for leadership development and practical skills-building as funds, resource persons, and opportunities will allow; hopefully, at least one each calendar year. As for the convocations on ministry, we will coordinate with the CCORR to offer one of these at least once each quadrennium, if not more often, and finally;

E. Propose a plan for effectively dealing with racism in all forms throughout our Conference by the onset of the 1997-2000 quadrennium, we may begin the next century with the grace, peace, and unity of faith which God intends for all His people.

CONCLUSION

Having duly presented and discussed each point introduced at the beginning of this Comprehensive Plan, we will now review its scope for summary purposes. The scope of this comprehensive plan was to present its purpose, a Biblical/theological foundation for its preparation, a brief summation of its amenability, make-up and guidelines for regulation, and a status report on past/existing AWFC ethnic minority initiatives. Pursuant to those introductory statements, the plan addressed the matters of ethnic minority demographics in the AWFC, along with statistical data regarding numbers and locations of ethnic minority local churches and the communities they serve. Next, the needs of ethnic minority churches were discussed; then, the plan stated some of its goals and a projected timeline by which to accomplish them.

The AWFC, along with the rest of United Methodism, has been called upon to compose a Comprehensive Plan in which to address the needs and ministries of ethnic minority local churches. This document fulfills that mandate. If fully implemented and supported, it can make a definitive difference in both the ministries of the AWFC and in the people to whom it ministers. May God grant us success!

BOARD OF EVANGELISM

Report No. 1

Again God blessed our conference with a good net growth in 1994. We, as a Board, have committed ourselves to keep Evangelism on the front burner by making intentional evangelism a priority in 1995. A committee has been appointed to study the possibility of making a video on "INTENTIONAL EVANGELISM" that could be used by every church in our conference with little or no expense.

Our Board continues to have good attendance, a positive attitude and excitement about what we are doing. We get tremendous cooperation from the conference staff and I feel so humble and privileged to be associated with our board members, cabinet representative, Walter Ellisor, and Don Brill.

The Harry Denman Award for 1994 went to the Rev. John Kuritz, Jr. and Mr. Don Johnson. They were presented with 18K gold lapel pins and a plaque from the Foundation on Evangelism. All district winners were honored at our annual luncheon during conference. This program continues with great enthusiasm.

We had three persons to attend the week of Prayer-Bible/Evangelism at Lake Junaluska in 1994.

The Lay Witness Mission Board continues under the fine leadership of Charles Nelson. He meets with our board and keeps us well informed as to everything they are doing and plan to do. They have a brochure that is available to interested churches.

We invited a representative from both Emmaus Communities to meet and relate to our board. A report from them and our Vice Chair and Chair of Worship, Dr. Bob McKibben, can be found below. We continue to support Ashram, College & Youth Chrysallis & Spiritual Formation.

A variety of free resource material is available for you on the display table in the lobby at Delchamps Center.

Please continue to pray for us as a board, for our pastors, our Bishop, and our lay persons, they they will love Christ and the United Methodist denomination in a manner that will help us to move forward, especially in winning persons to Jesus Christ.

Report No. 2 — LAY WITNESS MISSION

I. Origin of Lay Witness Missions

The Lay Witness Mission Movement started by the Rev. Ben Johnson, a United Methodist minister in the Alabama-West Florida Conference, continues to be used by God to meet needs and bless lives. The movement moved across America and into many foreign countries.

II. Goals of Lay Witness Mission

The mission weekend is about Lay persons searching, sharing, listening, praying and experiencing what Jesus Christ means to them, and how the good news makes a difference in their everyday living. The worship services were conducted by Methodist Christians which included Canada, England, Ireland, the Philippines, South Africa, Mexico, East Germany, West Germany and New Zealand.

Another ministry sponsored by this board is the Holy Spirit Conference at Blue Lake each March. Dr. Dennis Kinlaw and Rev. Richard Stevenson, members of the Francis Asbury Society, were speakers and Scott Robertson, Monroe, GA led the music.

IV. The Future Missions

A Lay Witness Mission may be scheduled by contacting Conference Headquarters, Andalusia, AL; the General Board of Discipleship, Nashville, TN; or a member of the Lay Witness Board:

Chairperson, Lay Witness Mission Board

Report No. 3 — WORSHIP COMMITTEE

The Conference Worship Committee continues to explore the multitude of Worship Resources provided by the General Board of Discipleship and The Upper Room, to be informed of the latest resources and guidance available to offer to local churches who are looking to add new vitality and life to their worship participation.

The Worship Committee remains committed to providing meaningful experiences for Annual Conference, ensuring inclusive participation and a variety of styles in music and liturgy. We are delighted to host *The Jubilate Team* from England, who will enhance our Tuesday Evening Worship preparation. *The Jubilate Team* has a display ready for your review.

COMMISSION ON SMALL MEMBERSHIP CHURCH

The Commission on Small Membership Church was established as a member of the Alabama-West Florida Conference Council on Ministries by the 1993 Annual Conference. The first organizational meeting took place September 16, 1993. (For purposes of definition, in the AWF Conference, a small membership church was redefined as one with 150 members or less.)

To finalize its organization, the following actions were approved by the 1994 Annual Conference:

1. The Town and Country Ministries was removed from the Board of Missions, Standing Rule 31.

2. Standing Rule 43 was approved: There shall be a Commission on the Small Membership Church (Par. 742) (COSMC) composed of one (1) representative from each District, three (3) members at large to ensure inclusiveness and a chairperson nominated by the Conference Committee on Nominations, a cabinet representative and a representative from the Conference Council on Ministries staff. This Commission shall be responsible for the Town and Country Ministries (Par. 231.5, par. 231.5F).

3. Report No. 3, Conference Council on Ministries: Amended the CCOM constitution to add the chairperson of the COSMC to the membership of the CCOM.

The Commission accepts as its purpose for existence:

1. To affirm the small membership church, celebrating the fact that many are doing an excellent job in fulfilling the mandate to know and glorify God in their communities — and to affirm the importance of these churches in the Kingdom of God.

2. To establish and encourage communication between SMC pastors and their church/churches. Many SMC's tend to be inwardly focused and unconnected to other churches. Many suffer from declining membership and low self-esteem.

3. To help and enable the SMC to develop a vision for their future in their community and in the world through the connectional church. To recognize the importance of their faithfulness to Jesus Christ.

The first established goal, that of Awards and Recognition of Outstanding Small Membership Congregations in our Conference was achieved. Eight churches were selected and recognized as District Outstanding SM Churches, 1993: These are:

DISTRICT	CHURCH NAME	PASTOR
Andalusia	Mexia UMC	Michael Saucer
Demopolis	Stewart UMC	J. Thomas Terry
Dothan	New Brockton UMC	Benny R. McKee
Marianna-Panama City	Center Ridge UMC	C.W. Steverson, Jr.
Mobile	Hubbard Memorial UMC	Arnold Tillman
Montgomery	Union UMC	Lewis A. Doan
Selma	Lime Springs UMC	Jack P. Davis
Troy	Liberty UMC	Roger Richeson

Certificates were awarded by Bishop Morris at the 1994 Annual Conference to all District winners.

The New Brockton UMC was selected as the AWF Outstanding Small Membership Church of the Year. A plaque was presented by Bishop Morris to the lay representatives of the church.

With its selection as AWF SM Church of the Year, New Brockton UMC was also awarded a $500 scholarship for members to attend the SEJ Convocation on SMC at Lake Junaluska. The lay leader and lay delegates attended this Convocation, August 1-5, 1994. They shared their story with the SEJ Assembly. Their presentation provided encouragement to all the Small Membership congregations represented and demonstrated AWF Conference commitment to affirm the Small Membership Church.

The second chronological goal of establishing a District Committee for the SMC has been effected. The membership, organization and responsibilities are tailored to meet the needs of each individual District but are within the guidelines established by the COSMC. A training event for the members of the Committee is planned for 6-7 September 1996 at Blue Lake. Funding for this event has been recommended by the CCOM, Budget and Coordinating Committee.

The third goal of having successful SMC's highlighted in the AWF ADVOCATE was achieved in the Feb 1995 issue. New Brockton UMC was beautifully presented by church member, Bruce Griswold. His article was printed under Success Stories.

The COSMC has responded to the Strategy II recommendation of the 1992 General Conference Task Force on Strengthening the SMC: to wit: The "Administrative Council and Nurture-Outreach Witness" model will be the basic organizational structure and mode of operation for small membership local churches; by taking the following actions:

1. The NOW model has been emphasized and training of individuals has taken place

at the SEJ Conference for Congregations with Small Membership. At meetings of the AWF Commission on Small Membership Churches, the NOW model has been discussed. Its use has been taught in one (1) District.

2. Two resource materials have been distributed for use at the District levels.

a. 6 copies of the Resource Notebook, "NOW Resource Ministries Strategy" by Dr. Deborah K. Cronin have been distributed to the District Committees on Small Membership Churches for training and use in interested churches. It is planned to have one or two resource leaders for the Conference.

b. It is intended to distribute the Hinton Models for Ministry: "Using the NOW Model for Effective Ministry" by Dr. William F. Appleby to each District Committee on SM Churches.

When trained leadership in the NOW model is available, cabinet level support will be needed to identify those selected congregations who would accept and benefit by this organizational concept.

Remaining goals continue to have emphasis for their completion by target dates:

1. ESTABLISH QUARTERLY SMALL MEMBERSHIP NEWSLETTER. Articles and information specific SMC. NLT December 1995.
2. SUNDAY SCHOOL. By December 1995 each District will have in place a trained "training team" to enhance the quality of the SMC Sunday School through cooperation between the District SMC Committee and the Conference Board of Education with District training completed by December 1996. By December 2000 each church in the Conference will have at least an intergenerational Sunday School Class. Who: 1. District Committee SMC, 2. Conference and District lay speakers. Cost: Local Church (for literature).
3. LAY LEADERSHIP: Have a SMC training session for lay leadership during Super Sunday Program in each District led by District Representative on Commission for Small Membership Churches — January 1996.
4. PASTORAL LEADERSHIP — SMC: The Commission will encourage an orientation program of one week's duration for all newly appointed pastors of the SMC by July 1996.

The Commission on the Small Membership Church is enthusiastic about its charge and its accomplishments in a short time of existence. As a new Commission, there are no historical guidelines, cookbook recipes, or precedent setting actions to guide its members. Each member is seeking his/her training, creating interest and becoming involved in the vision of the Commission. All this is accomplished in addition to their daily duties and responsibilities. A major, unanticipated problem in membership occurred following the Commission's first organizational year. Eighty percent (80%) of the District Representatives (members to the Commission) had to be replaced due to changes in assignment or lack of time and/or interest. Such extensive change in the membership structure required retraining, re-educating, and redistribution of materials. The positive aspects of the changes are new ideas, new enthusiasm and new dedication. Prayerfully working together, recognizing the urgency of our call, and intensifying efforts to integrate all pertinent CCOM agencies to the goals and objectives of the Commission — we can be a means of strengthening the mission and ministry of our many AWF congregations with small membership, both rural and urban. These congregations are the body of Christ scattered through AWF. The United Methodist Church has the organizational structure to interconnect and nurture our smaller congregations.

It's a matter of concern, effort and priority.

BOARD OF PASTORAL CARE, COUNSELING, AND TRAINING, INC.

Report No. 1

The mission of Pastoral Care, Counseling, and Training, Inc. is to provide counseling and care for clergy, clergy families, and diaconal ministers of the Alabama-West Florida Conference. We fulfill this mission by providing subsidy for services from qualified counselors as well as periodic training opportunities.

During 1994 we have established an office in Dothan where we have a 24 hour toll free number (1-800-258-6474) for persons who need counseling services. Rev. Stephen King, our Conference Consultant then locates appropriate help in the person's community or close by for referral. At present we subsidize (on a sliding scale keyed to income) up to 8 sessions. In 1994 we provided for nearly 200 such sessions as well as some additional non-charge hours.

We continue to work toward a permanent network of counselors throughout the Conference area. As this network is developed we will advertise the names and offices participating so those needing such help will be able to contact these persons directly. We of course will continue to offer reimbursement to those who choose a counselor who is not a part of the network. (We do however request that folks check in advance as we do have criteria for qualification of counselors.)

We anticipate continued growth of services in 1995 as word of the network is spread. We also anticipate training opportunities for clergy. As this is written we have conducted a workshop on "Sexual Ethics for Clergy" with excellent participation. These will be expanded through the next year. Special thanks go to Rev. Stephen King for many hours of his time in handling the details of establishing the network. Also to Mrs. Zanatta Hagan who staffs our office very ably and who sees to many tasks with a sense of ministry and a spirit of helpfulness. And, finally to Dothan 1st UMC for office space and help in many significant ways too numerous to list.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The goal of the Alabama-West Florida Commission on the Status and Role of Women is to serve as advocate, catalyst, and monitor to empower women to transform the church so that an inclusive people of God might be in ministry and mission to a hungering world. During 1994-1995 the Commission continued to work to reach this goal.

The Commission has encouraged all local churches to follow "Guidelines for Leading Your Church — Status and Role of Women 1993-1996."

A retreat was sponsored by the Commission in February. An invitation was issued to "all women and men who hunger for a deeper spirituality, who want to discover anew who they are before God, and who long to journey toward wholeness." Lida Hill of Ferry Pass United Methodist Church was the most effective leader of the retreat. The theme was "Listening Heart — Joyful Life." Boots Guthrie was chairperson of the event.

The District Representatives have received training material that will allow them to guide local church representatives.

Dr. Wanda Bigham, President of Huntingdon College, was the speaker at the breakfast at Annual Conference.

The Commission has established a "Women in Ministry" scholarship. Any woman who is enrolled in a United Methodist College or Seminary is eligible to apply for the scholarship.

The Commission sponsored four delegates who represented the Conference at a national conference on Victim-Survivor Advocate Training.

The Commission continues to encourage the churches to take advantage of the opportunity that they have to have a Clergy Woman as their pastor.

Mary Ann Bullard received the Alice Lee Award that is presented each year to an outstanding woman in the Conference.

COMMISSION ON RELIGION AND RACE

The specific activity held in relationship to the Commission on Religion and Race in the Alabama-West Florida Conference was the Conference Review conducted August 19-20, 1994 at Blue Lake by a panel of representatives from the General Commission on Religion and Race. Reports of the Review, at this writing, still are not available.

Related events by the Conference Commission in the interest of its mandates have been a public convocation (reported earlier) in the Mobile District on April 23, 1994 at the Toulminville-Warren UMC. Efforts along the lines of training and organization have been emphases on subcommittee discussions and studies of Commission functions for continued training, and, on identification of personnel to implement more adequately the principles involved. We perceive the needs for and seek the representation of further diversity in the membership of the Commission.

The attention of the Conference is herewith requested to the Bishop's Convocation on Religion and Race scheduled for your observation at Blue Lake on September 29-30, 1995. We sincerely hope that your profound interest will be thoroughly aroused in the efficacy of diversity, inclusiveness and brotherhood.

BOARD OF MISSION

Report No. 1

The Alabama-West Florida Annual Conference Board of Mission has worked diligently to enhance the mission outreach of our conference churches and institutions. We trust our efforts during the past twelve months have benefited our conference and have facilitated the expansions of God's kingdom.

The Board of Mission is structured in a four committee format. These committees are: Congregational Revitalization chaired by Rev. Grant Parker, Outreach Ministries chaired by Sarah Doyle, Mission/Advance chaired by Rev. Don Dean, UMVIM chaired by Rev. Lester Spencer. In reading the committee reports to follow you will sense the high degree of dedication the members of these committees give to the mission work of our conference. I am personally very grateful for their fine work. I am also grateful, as is our entire board, for the support and direction provided to us by Conference Mission Secretary, Rev. Don Brill.

Please continue to support the mission work of our conference through prayer, service and financial support of World Service and Conference Benevolence, Advance Specials, Special Day offerings and the Ten Dollar Club.

Report No. 3 — SECTION ON CONGREGATIONAL REVITALIZATION

Our section's primary responsibility is to provide assistance to existing congregations in their revitalization efforts. For the purpose of definition, revitalization does not mean starting a new congregation in a new area; or, relocating an existing congregation to a new location unless there is no potential for residents in the congregation's present location. By potential we mean people in residence in the church's service area. Revitalization, then, means an effort by a local church to serve its own service area, in ministry to the needs of its people, as well as those who are members of the congregation.

The Section on Congregational Revitalization seeks to fulfill its primary task (stated above) in several ways:

1. By receiving and evaluating applications for Board of Missions grant funds, then recommending to the Board of Missions either approval or disapproval of such requests. The maximum amount of grants of this nature is $1,000.
2. By receiving and evaluating applications for mission loan funds and making recommendations to the Board of Missions concerning these loan requests.
3. By receiving and reviewing applications for Spring and Fall Ten Dollar Club appeals and making the appropriate recommendations to the Board of Missions.
4. By selecting one or two priority revitalization projects (churches) from our conference annually. The section then provides resources for grant and loan funds from our section and consultation teams to work with the selected churches, while enlisting support from other resources such as UMVIM, Ten Dollar Club, Advance Specials, Ethnic Local Church resources, etc.
5. By supplying the presiding bishop, and present cabinet members with current copies of the source document used by the SCR and the Board of Missions in selecting each year's priority revitalization project(s).

GRANT FUNDS APPROVED JUNE AND SEPTEMBER 1994 AND JANUARY 1995

$1,000	—	Coley Chapel UMC (Andalusia District)
$ 500	—	Pine Level UMC (Selma District)
$ 500	—	Washington Street UMC (Troy District)
$1,000	—	Benson/Bethel UMC (Montgomery District)
$ 500	—	St. Stephens UMC (Mobile District)
$1,000	—	Johnson Hill UMC (Demopolis District)
$ 500	—	Lime Springs UMC (Andalusia District)
$1,000	—	New Brockton UMC (Dothan District)
$1,000	—	Gosport UMC (Demopolis District)
$1,000	—	Zion UMC (Demopolis District)
$1,500 (max)	—	Bagdad UMC (Pensacola District)
$9,500	—	**(Total)**

In addition to expending the funds mentioned above, the SCR dispensed funds in excess of $22,000 in support of Mulder Memorial UMC (Montgomery District), our 1994 priority revitalization project.

We are pleased to report that the Section on Congregational Revitalization (SCR) has selected Callaway UMC (Marianna/Panama City District) as our 1995 priority revitalization project.

Report No. 4 — OUTREACH MINISTRIES

The Outreach Ministries committee of the Conference Board of Missions strives continually to be aware of and engage in service to the areas of Health and Welfare, Appalachian Development, Christian Unity and Interreligious Concerns, Urban Ministries, and Disaster Response. In many ways these areas are very diverse, but in other ways they overlap tremendously in our endeavor to serve through the mission area of the local church.

Each year we hope to broaden our base of communication between the local congregation and the district, conference and general conference levels of the church. We strive to educate and involve the local church in service in these areas of mission.

Members of the Board of Missions serve on each of the Conference Mission Agencies to act as a liaison between the agency and the Board. This facet of the Urban Ministries area is most important, for through this active involvement we hope to better communicate the ministry of these agencies as well as their varied needs. This Board has also been represented at the annual Convocation on the Urban Ministries of the church held this past February.

Leaders of the Health and Welfare committee attended an Accessibility Workshop in March for local church and district leaders. Dr. Robert Pitzar from SEMAR led this workshop and Rev. Ervin Dailey directed those in attendance to Access Sunday. The desire is to make local congregations aware of those with limiting physical conditions within their midst. Goals for 1996 are to engage in programs in deaf ministry.

Capable leadership continues to anchor the area of Disaster Response to train local members for response in time of need.

And the Alabama-West Florida Conference continues to join with the Commission on Religion in Appalachia to share resources with others for work with the Appalachian Development Committee.

Sarah B. Doyle, Chair

Report No. 5 — UNITED METHODIST VOLUNTEERS IN MISSIONS (U.M.V.I.M.)

We have much to celebrate in the Alabama-West Florida Conference. Of the teams we know about (and we suspect there were many more teams who did not report through our Committee, we estimate only 40% report through us), our Annual Conference gave more than $1.1 million during 1994 to help causes supported by U.M.V.I.M.

Other donations in addition to the trips from our Conference included $18,000.00 for a bus for the Cuba Methodist Church, $52,000.00 for a Jamaica team, over $200,000.00 for disaster responses in our Annual Conference and the North Alabama Conference, and $2,000.00 for UMVIM guests from Cuba and Kenya. A total of 2,623 individuals reported for volunteer work on over 200 teams.

Each year we sponsor a Tuesday Morning U.M.V.I.M. Celebration Breakfast during Annual Conference. This year we will meet at the St. James UMC at 7:00 A.M. We invite you to join us. Last year we were part of the Conference UMVIM Rally at the Pine Forest UMC in Pensacola, and we hope to sponsor another Rally this year.

We stand ready to help the Conference Disaster Response Team with our help, skills and time. If you and your Church would like to get involved and find out more about UMVIM work, you need to contact your District UMVIM Coordinator:

Report No. 6 — DISASTER RESPONSE

Your Conference Disaster Response Committee has been very active this past year in responding to disasters within our Annual Conference and help organize response to help other Annual Conferences. This committee is organized and structured to effectively respond to any disaster within our Conference and to go beyond our boundaries as needed. Our Philosophy and Purpose are listed in the new Training Manual and available upon request.

Three key messages from your committee to you if you are interested in being of help following a disaster:

#1 — Never send donated goods to a disaster without first determining they are needed and have been agreed on by the recipients.

#2 — Volunteers can be an asset or liability. Before you send a work team get in touch with the disaster survivors and clear everything with them **before** you go. Work teams who come unannounced can add to the problems of a disaster.

#3 — All financial donations should be sent to the Conference treasurer marked for what disaster. You can be assured that 100% of your donations will be sent as requested.

We sponsored several Response Workshops at Blue Lake and in the District where they were needed and requested. We have both a Disaster Response Coordinator and a United Methodist Volunteers-in-Mission Coordinator in each District, appointed by the District Superintendent and trained by this Conference Committee. Training is available both for each District and your local Church upon request.

We want to say a very special "Thanks" to the many people who responded to the needs in the Andalusia, Dothan and Marianna/Panama City Districts to the Summer, 1994 floodings. There were so many who responded that it is almost impossible to list them. This response is another valuable lesson in the positive value of our Connectional System at its best. We are able to respond because there are so many who care.

We have been very instrumental in the organization of local interfaith response to assist in disaster response. We took the lead in organizing ALVOAD (Alabama Volunteer Organizations Active in Disaster) and the Rev. Fred Toland is the first and current President. We work closely with the States' Emergency Management Agency (both Alabama and Florida), the local Emergency Agencies and the American Red Cross.

Your Conference Disaster Response Committee is ready to do what needs to be done in any disaster and is available to help you and your community. We appreciate the support of the Conference Board of Mission as we share the "Good News" of Jesus Christ even in times of Crisis.

Report No. 7 — NELLIE BURGE COMMUNITY CENTER

Having the opportunity to render service to people who have needs is indeed a blessing. Seeing positive changes come into the lives of children and young adults daily is truly rewarding.

Our several programs are progressing nicely in spite of our antiquated building and limited space. This is the third site since our founding in North Montgomery in 1904. This building was rather old when the move was made here in 1954. The Board of Directors is finalizing plans for the construction of a new facility. We solicit your prayers in this challenging undertaking.

The pre-school day care stays full to its licensed capacity of 32 children. We are blessed by having a day care staff of workers whose goal is to assure a happy, more fulfilling life for our children. We are grateful to God for the opportunity to extend the mission arm of our church into the lives of our children.

The Young Mothers' Classroom (GED) continues to go well. We have graduates from time to time to go on to a higher educational level or to a technical school. It is exciting to watch them progress. A familiar statement is "I never thought I could do it but look at me now!"

The home day care nutrition program continues to grow. We have approximately 260 licensed homes under contract with nearly 1,800 children enrolled. Four monitors visit in the homes and oversee this fine program.

We are thankful to all of those who help to make our energies reach fruition. It is heartwarming to be reminded of the caring and love of such a large number of people throughout the conference.

Report No. 8 — DUMAS WESLEY COMMUNITY CENTER

It is good to report to you again. We, the Dumas Wesley Community Center staff and Board of Directors, would like to express our thanks to you, our supportive community, for making so many services to those in need possible. We are well aware that we are only as strong as those who support us.

The past year has been an eventful one. Many services have been able to expand to meet the needs of more and more people, but quite frankly much more needs to be done.

1995 poses a real threat to our agency simply because of the new direction of the political regime running our country. We stand to lose fifty percent of our budget if the worst case scenario prevails come October 1, 1995. The vast majority of this cut would come through cuts in CACFP (Child and Adult Care Food Program). Hopefully, we will not get the full impact of the coming cuts.

One things remains certain, we have the poor with us and as an integral part of our society we, the church, must speak to their needs whether they be spiritual, physical, or social. As a historical advocate for the least powerful in our society, this center will continue to speak out and champion the plight of the poor and needy. We solicit your support.

In spite of the tone of the preceding paragraphs, we look forward to the possibilities that exist for us. We are encouraged by a growing, supportive community and as long as this is happening, we can remain a relevant factor in the lives of those we serve.

Please plan to visit this center at your convenience. Thank you for caring, sharing, and supporting this institution for more than 92 years.

Report No. 9 — THE UNITED METHODIST INNER CITY MISSION MOBILE METRO MINISTRY

We at the United Methodist Inner City Mission continue to learn what it means to be the Body of Christ to God's children in the inner city. To proclaim the Good News to the poor and to translate it to meet the spiritual, physical and emotional needs of our community is our privileged mandate. We seek to fulfill this mandate through prayer, worship, programs, events and individual involvement.

The Conference year 1994-1995 has been a continuation of our programs to address the problems of drugs, crime, poverty, hopelessness, overcrowding, homelessness, fear, illiteracy

and unemployment. Some of the programs which have continued are emergency assistance, Bible Schools, children, youth and senior citizen groups, community clubs, gang intervention, feeding the homeless, young mother's club, adult basic education, tutoring, literacy training, counseling, and commodities distribution.

We started some new ministries that are successful in their purpose. These include the new Inner City Dance Troupe and the Boy Scouts/Cub Scouts. Our dance Troupe is in cooperation with the University of South Alabama Department of Community Involvement and our Boy Scouts/Cub Scouts are in cooperation with several other churches in our community.

A ministry that we are very excited about is our emerging church community. Each Sunday morning we transport families from our community to the reopened St. Francis Street UMC. Several of our families are attending regularly. This is greatly enhancing the spiritual life of our community. We hope soon to start our Sunday School program. More about this in the Mobile Metro report.

Taylor Park continues to be very effective in offering our children, youth and young adults a safe and fun place to spend their free time. We continue to field organized city league sports teams in football, baseball, softball, T ball, and basketball. Through volunteers we are now moving into the sports of tennis and soccer. Taylor Park is also the site for our after school tutoring and our daily senior citizen program.

We are very pleased the Wesley Fellowship at Auburn University will be sending us five students to intern at the Mission during the summer quarter. These students will be assigned to Taylor Park, The West Wilmer Christian Center, St. Francis Street UMC and the Mission. They will also be very active in offering leadership, coordination and spiritual programming for our summer work teams.

Disaster response continues to be a part of the Mission. Dr. Fred Toland was very active this year in coordinating relief efforts for the Tornado victims in North Alabama and the Flood victims in Alabama and Florida. A more extensive report can be found in the journal report on Disaster Response.

We sincerely thank the United Methodist of the Alabama-West Florida Annual Conference for your prayerful and financial support of this mission ministry.

MOBILE METRO MINISTRY

During the conference year 1994-1995 the Mobile Metro Ministry, operated under the leadership of the United Methodist Inner City Mission, has shown significant growth in its outreach.

The West Wilmer United Methodist Christian Center, located in a marginalized community, has shown some growth in ministry and participants. The most significant ministry has been the beginning of a Sunday School program. It is our prayer that this ministry will continue to grow. We are very excited that this summer the Wesley Fellowship from Auburn University will be sending five students to work with the Inner City Mission. It is our plan to locate at least one and possibly two of them in the West Wilmer Community to work with the children and youth. Our lay speaker, Mike Younklin, has recently been approved by the District Committee on Ordained Ministry to be recommended to the Conference as a Student Local Pastor.

The St. Francis Street ministry has been the area of the most significant growth. Our stated goal of last year was to start an inclusive worship experience on November 23, 1994. This happened and we continue to meet each Sunday at 9:00 A.M. The worshiping community is primarily the homeless and the people in the inner city. We have had over a hundred in attendance but our normal attendance is between 50 and 70. It is our goal to have 300 in three years. The worship is a combination of traditional and innovative responses.

Prior to the Sunday Morning Worship Service we have breakfast for the homeless in Mobile. Many United Methodist Churches and churches of other denominations and other faiths are assisting in this growing ministry. It is not unusual to feed over 125 on Sunday Morning.

We are currently in the process of organizing our Sunday School program. It is not unusual for us to have 20 to 25 children and youth. It is imperative that we provide an avenue to help them build their life foundations in the Word of the Lord.

Also housed in the St. Francis Street facility are The St. Francis Street UMC Historical Society, the Loaves and Fish daily homeless feeding program, the Mobile Union Chapter

for the Homeless, and the Franklin Memorial Health Care for the Homeless. We are currently in conversation with Mobile Mental Health who would like to locate their program for the homeless in the facility.

Reverend Fail has been appointed by the Mayor of Mobile to serve on the 10 member Board of Directors of the Homeless Coalition in Mobile. In cooperation with the other religious, community, and governmental agencies this coalition is seeking to coordinate and facilitate the long term care of the homeless in Mobile.

Again we wish to thank this Conference for its support of this ministry.

Report No. 10 — NOAH'S ARK

The ministry of Noah's Ark has continued to make the only permanent year round outreach specifically to the visitors of Panama City Beach. God has blessed this ministry of Noah's Ark and has created a "community" through which He touches the world from the Southeast to Canada, even to England and beyond. The involvement of the Snowbirds and summer retreat groups in the outreach ministry has been phenomenal.

In the past seven years, the Snowbird ministry has become an increasingly active community and has expended dramatically with an increase in membership from approximately 750 members in 1988 to over 975 members in 1995. The number of weekly activities in arts and craft classes, Bible studies, worship, workshops, and meetings has increased from approximately 40 in 1988 to over 80 in 1994. The age span of this group encompasses ages 55 to 85 with the average being around 75 years of age. The need for a pastoral ministry with this group has continued to grow. Being there for them in the midst of death or sickness when far away from home and family is very important. Amidst the love and fellowship shared, it is easy to understand why the Snowbird Ministry is their home and family when they are in Panama City Beach.

The summer income from retreats was down somewhat for 1994 but projected figures for summer 1995 look to be back to normal. Due to the shortening of the summer season by nearly three weeks on average by the length of the school year the sources of summer income are becoming maximized. Furthermore, many commercial businesses with their massive marketing to churches within our conference, makes it difficult for Noah's Ark to compete. With nearly 60 groups visiting the Ark the facilities for the summer of 1994 were booked over 56% of the time. That is four nights of every week with ALL facilities occupied. The summer concerts performed twice nightly averaged almost 700 people a week and the youth who stay in retreat at the Ark continue to make a tremendous witness on the beach each afternoon. Listed below is a partial list of the ministries and activities which take place at Noah's Ark.

The overall expenses of ministry have increased by 10 to 40% *(with no change in staff expenses in over eight years)*. The United Methodist institutional sources *(Conference Benevolences, Conference UMW, and Conference Advance Specials)* made up 20% of the total funds needed to maintain the existing programs and ministries of Noah's Ark for 1994. The additional 80% needed for the ministry have been raised through the summer retreats, gift shop, tapes, donations, offerings, and Snowbird Ministry *(54% from the summer and 26% from the Snowbird ministry)*. The only debt burden is $6,000 *(3% of the Total Budget)* a year for the mortgage on the retreat house with the remaining 97% of the budget being used for the programs and ministry. With the sources of self generated income being maximized, for the Ark to grow will depend upon the support of the Alabama-West Florida Conference churches through their apportionment which funds the Conference benevolences, Advance Special Gifts, United Methodist Women, and other Methodist Sources.

As Noah's Ark moves into its third decade of service there are many new and exciting opportunities for God to reach the world through the ministry of Noah's Ark. Exciting things are happening at Noah's Ark. From the old theater in Long Beach over 20 years ago to today God has had a place in the midst of the "Miracle Strip" and God will continue to have a place through the support of his people called United Methodist.

Report No. 11 — HISPANIC MINISTRIES OF THE ALABAMA-WEST FLORIDA CONFERENCE

I. Hispanic Ministries strives to bring all Hispanics into contact with Jesus Christ. We have initiated **Spanish Language Church Services** which take place each Sunday afternoon at the Summerdale United Methodist Church. Attendance ranges from fifteen to forty individuals with Sunday School classes for about ten children.

II. A total of five **Communities of Faith** have been organized with either permanent or seasonal personnel. These may last from four to twelve weeks. Many of the people who began in the Communities of Faith now participate in the regular church services.

III. Lay Missioners from Eclectic UMC successfully maintain regular **weekly services at Maxwell AFB** for Hispanic inmates.

IV. English As a Second Language classes take place on farms, in Daphne UMC, and in our office in Summerdale. Several students are working toward GED's in English. Help is provided by qualified volunteers. In addition we have taught Alabama Driver's License classes, and continually provide help with citizenship studies. In the spring classes in using a sewing machine will begin in the Gulf Shores area.

V. So far as we are able to determine, all the Hispanics with whom we work are legal aliens. Since most of them are now interested in bringing their families to the United States

with them, this can be a complicated procedure. Qualified assistants cope with this paperwork in our office. As more and more families arrive, we are able to expand the Communities of Faith.

VI. While we conclude our Sunday sessions with fellowship, there is a need for more contact among our Hispanics. Therefore, we are organizing our annual Sports Day. This is an area where we need considerable help with the provision of transportation, equipment, and leadership.

VII. Additionally, we desperately need Sunday School teachers for teenagers and small children. We expand English as a Second Language classes as fast as we can find additional teachers. Other programs await volunteers. If your heart speaks to you about alcoholism, battered women, child abuse, teen pregnancy, and other social problems, please contact us at 334-989-2742, or P.O. Box 336, Summerdale, AL 36580.

VIII. Thank you all for your support. God Bless you.

Aida Walker, Executive Director

Report No. 12 — TEN DOLLAR CLUB

In March, 1995, there were 1,980 members plus 535 ministers of the TEN DOLLAR CLUB. The Conference Board of Missions established the TEN DOLLAR CLUB to be used in our Annual Conference for Church Extension (new Churches) and the Revitalization of established Churches and Missions.

You can join the TEN DOLLAR CLUB as an individual or your group may join (Sunday School Class and any group in the Church). As a member you will be invited to contribute $10.00 no more than two times per year. All appeals have been studied and approved by your Conference Board of Missions. You are assured that the need and ministry are vital and the 100% of your gift is used for that project. The cost of Administrative printing and mailing (and the cost of postage is getting higher) are paid from funds through our World Service and Conference Benevolence Apportionment (this is why it is so very important to pay our World Service/Conference Benevolence in full that 100% can be given to the needed ministry).

The response continues to grow, but there is still a need for more members and for all members to respond. Plan to have a TEN DOLLAR CLUB membership drive in your local Church. You may contact the Conference Board of Missions for details and promotional materials. The third Sunday in September each year is the TEN DOLLAR CLUB enrollment Sunday.

The results of the last ten (10) appeals:

— Korean UMC (Montgomery) — New Ministry	$ 5,300.00
— St. Mark UMC (Andalusia) — Relocation	5,700.00

Report No. 13 — GOLDEN CROSS

This conference year we highlighted the Golden Cross Sunday for Mother's Day by making available bulletin inserts for those churches who desired to use them. We used the theme, A WAY TO CARE...A DAY TO SHARE.

We continue to receive requests from across our Conference. We have been able to respond to all calls because of the faithful giving of our people from small and large churches.

We are encouraged as we receive notes of appreciation from many who have received assistance. Many people are faced with mounting health costs, the fluctuating economy, and become financially vulnerable. The assistance provided by your Golden Cross program makes a real difference in the lives of our people.

We encourage more of our people to be given an opportunity to share in the Golden Cross program by observing GOLDEN CROSS Sunday on Mother's Day. When you give to Golden Cross you are assisting another person in the spirit of Our Lord.

Below are guidelines which we follow in assisting people who contact me.

1. Assistance shall be for United Methodists and any payment toward financial assistance shall be only to the hospital, doctor, or pharmacy. I need to receive a copy of the bill showing the amount of the unpaid balance. I will provide each applicant with a form which is to be filled out in advance.
2. No assistance shall be granted to persons except upon the recommendation of a pastor who is in a position to know of the need or the circumstances. Assistance to a pastor shall be granted only on the recommendation of his or her District Superintendent.
3. The amount of assistance granted to any person shall be limited to a total of $1,600.00 for any combination of hospital, doctor and drug bills.
4. When, in the judgement of the Golden Cross director, extreme situations seem to justify it, an additional payment (not to exceed $400.00) may be given to the same person during the period of a year.

Report No. 14 — METHODIST HOMES FOR THE AGING

During this Conference year we have continued to experience the tremendous growth in the senior population along with an increase in the number of persons needing specialized care and financial assistance. In reflecting the trends of the general public we are aware that our fastest-growing age group in our facilities can be identified as those persons who are eighty-five (85) years and above. This year we have had the joy of celebrating the birthdays of fifteen persons who are one hundred (100) years of age and older.

In addressing the needs for more care, we have joined with the efforts of persons in the Huntsville District to obtain a Certificate of Need for one hundred and twenty-five (125) Nursing Care and Alzheimer designated beds. We have completed and obtained a Certificate of Need for fifty (50) Alzheimer designated beds at Wesley Manor in Dothan. We have completed and opened another twenty (20) nursing beds at Wesley Terrace in Auburn. Due to the generosity of Mr. Tommy Thomas of Panama City, land and financial gifts have been donated by him with the hope of building The Mathison Retirement Center in Panama City. Additional funds for this seventy-unit (70) Assisted Living Facility are being raised in order to move forward with this home.

Since our last Annual Conference we have seen a steady increase in the requests for financial assistance from those who already live in our homes as well as those who are needing to enter for the first time. At the present time, we are providing financial assistance for persons at Wesley Manor, Wesley Terrace and Wesley Gardens in the amount of $39,065 a month, or $468,780 on an annual basis. In the North Alabama Conference, we are providing $428,808 on an annual basis for persons in our homes. Three of our homes (Wesley Acres in Decatur, Wesley Apartments in Anniston and The Epworth House in Selma) receive Rent Subsidy from The Department of Housing and Urban Development and it is not necessary to raise funds for residents.

To continue to provide for our residents who do not have adequate resources, we must find new ways to assist these very special people who look to us for help. We call upon the membership of the Alabama-West Florida Conference to take a special offering on Father's Day to assist us in assuring our residents that we will continue to provide for them when their funds are exhausted or inadequate to meet their monthly charges.

As we revisit our Mission Statement for the Methodist Homes, we are reminded that "we are called to care for those who reach out to us." This caring may be expressed in many ways. It is of the utmost importance that we provide a ministry with God's "Older Children"

where they live meaningful and significant lives. We are grateful for the opportunities we have in helping persons live and enjoy life, however long it may be.

There is a saying, "that if you don't care where you are going, you are not lost." The idea is that without a vision of the future, anything we do is fine because if there is no goal, there are no standards and anything is acceptable. A vision of the future provides the focus for what we need to do and serves as a measure against which we can assess our progress. The absence of a vision leaves us captives of the pressures of the moment.

Our vision is to continue to find new ways of caring for our escalating and aging population and to position ourselves to meet the needs of those who look to us for help.

Thank you for helping us with this very special ministry of our church.

A. Wray Tomlin, Executive Director

Report No. 15 — UNITED METHODIST CHILDREN'S HOME

1 — EXECUTIVE DIRECTOR

Another year has slipped by at your United Methodist Children's Home — a year of challenges and rewards for staff and children alike:

I was pleased to be honored by the United Methodist Association of Health and Welfare Ministries (UMA) as Administrator of the Year for the Children, Youth and Family Services Section. This was not only an honor for me, but a great honor for your United Methodist Children's Home which serves Alabama and west Florida.

Under the leadership of the Rev. Mike Spivey, the Children's Home became the first UMA member organization to induct lay employees into the *Order of Good Shepherds*. This new program is an effort to recognize "personal" ministry shared by lay employees of UMA member organizations. Its purpose is to recognize employees who have spiritually distinguished themselves through service to residents.

Nancy DeVaney, Children's Home Southern Regional Director, published a book titled *The Playdough Children*. The book addresses the needs of abused and neglected children, discusses behavior problems common to most families, gives explanations for why children behave as they do, and provides recommendations for individuals responsible for helping children grow to healthy, fulfilled adults.

We were delighted to announce a special gift to our *Keeping God's Children First* capital campaign. Grove Hill United Methodist Church made a generous donation from the bequest of Mary Waite Tucker in her memory. This gift is making possible the much needed renovation of three cottages at the Village.

The Children's Home expanded its therapeutic foster care program to include Covington County in addition to the Wiregrass area. Six therapeutic foster care homes are now provided in the Andalusia area. This program has proved very successful in supplying stability for children who had previously been moved from placement to placement. It also helps teach these children appropriate Christian, family relationships.

The Selma Village expanded its Campus School this year to include special education in addition to remedial education. A special education teacher is employed to work with Village residents who are unable to function in a public school setting.

Plans to relocate Genesis House, our group home for adjudicated teen boys in the Tuscaloosa area, were begun. The property has been purchased and construction is scheduled to begin this fall.

The Local Church Representative (LCR) program is off to a good start. We currently have almost 800 LCRs on record. The LCR program seeks to involve local churches in the Children's Home ministry, not only during White Christmas season, but throughout the year.

In an effort to better serve churches in both conferences, the Children's Home employed two retired United Methodist Ministers as part-time Field Representatives this year. The Rev. Burl L. Oliver works in the Decatur, Florence and Huntsville districts. The Rev. Clifford M. Abbott serves the Marianna/Panama City, Mobile and Pensacola districts. Both Rev. Oliver and Rev. Abbott have had many opportunities to speak on behalf of the Children's Home. In addition, they serve as the contact person for LCRs in their areas.

Local churches in both conferences continue to be involved in the Children's Home ministry on a personal level. Children's Home residents are invited to special activities planned just for them at area churches and homes of individual church members. They are also invited by churches and individuals at the Selma Village and our group homes scattered throughout the conferences for special, fun events and work days.

Our children prove to be more challenging each year. Yet, with God's help there are success stories. As we work with these young people on a daily basis, we never know how they are going to turn out. We pray for each of them and hope that they remember the time they spent at your United Methodist Children's Home as a good time in their lives.

Without the support of the churches in the Alabama-West Florida and North Alabama conferences, this ministry to children and their families would not be possible. Thank you for your continuing support.

Roy McLaughlin, Executive Director

Report No. 16 — SEMAR, INC.

With the report to the Board of Trustees in October, 1994, SEMAR, INC. celebrated twenty-five years of ministry with persons with handicapping conditions. Originally chartered in 1969 as an agency to provide and coordinate ministries with persons with mental retardation, SEMAR has since 1980 been involved in and providing leadership for persons in local churches and annual conferences of the United Methodist Church in the Southeastern Jurisdiction.

When SEMAR was created, there were NO programs in the denomination for persons with handicapping conditions. Today there are a variety of various kinds of programs for persons with mental retardation, persons who are deaf or hard of hearing, persons who are blind, and persons who are physically disabled in each of the annual conferences in the SEJ.

These include Church School Christian Education Classes, Early Childhood Development Centers, Day Activity and Training Centers, Camping and Leisure Time Activity Programs, Vacation Retreat Programs, Scout Troops and Scouting Activities, Respite Care Ministries and Residential Care Facilities. In addition, SEMAR has provided materials to assist local churches and annual conferences in identifying and eliminating the barriers which keep persons with handicapping conditions from gaining access to be a part of the church at worship, at work or in study. SEMAR has also provided Accessibility Grants to assist local congregations in their effort to eliminate the barriers and be accessible.

SEMAR, over these twenty-five years, has often assisted annual conferences in creating not-for-profit agencies to develop, build, maintain and operate residential facilities for adults with mental retardation. As of March 1, 1995 there are thirty-two residential facilities providing high quality care for more than 250 adults with mental retardation. These facilities have been built at a cost in excess of $8 million with operating budgets of over $4 million annually and have been funded without having to ask any of the annual conferences for capital funds.

SEMAR has developed material to enable local congregations to celebrate ACCESS SUNDAY on the third Sunday in October or at a time that is more convenient to their schedule. ACCESS SUNDAY is a time for congregations to celebrate the gifts and graces of all of God's people.

Programs currently being developed in the various conferences include:

1. **North Alabama** — Working to secure three homes in North Alabama to open as community residential facilities for adults with mental retardation.
2. **North Carolina Conference** — Working to develop retirement facilities for geriatric adults with mental retardation. Asbury Homes, Inc. is working with the United Methodist Retirement Homes in this pioneer project.
3. **Holston Conference** — Health and Welfare Ministries has developed a Conference-wide effort with the Bishop and Cabinet to do an accessibility study in every church and report the findings to the Board. The Board is training teams to go to local churches to assist them in identifying and discovering ways to eliminate barriers to accessibility.
4. **Virginia Conference** — Starting the process to hold Hearings in every one of the 18 Districts in the conference on Sunday, September 24 to determine the need for residential alternatives and possible resources with which to develop such facilities.
5. **Western North Carolina** — In April, a home will be started for adults with mental retardation in Hayesville using Volunteers in Mission supervised by the Hinton Rural Life Center, Inc. The first community based residential facility for geriatric retarded adults will be opened in July, 1995 in Gastonia, NC.
6. **South Georgia** — Wesley Glen Ministries is making application to HUD for an 811 grant with which to build four additional community based residential facilities for adults with mental retardation.
7. **South Carolina Conference** — The Hearings which were held in every district in South Carolina in 1994 indicated a lack of need for residential facilities for adults with mental retardation but for a very definite need for respite care. Plans are being developed to create one or two model respite care facilities in South Carolina.
8. **Western North Carolina** — A project is being studied to determine the feasibility of creating a deaf congregation in the Metropolitan Charlotte area where it has been discovered that there are approximately 10,000 persons who are deaf within a thirty mile radius of Charlotte.

As of May 1, 1995, SEMAR will be equipped to provide material in braille for persons who are blind. The agency is in the process of securing and installing the braille printer and scanner necessary to enable the SEMAR staff to scan material in print, make whatever adjustments are necessary on the computer screen, and print material in braille.

Annual conferences and/or local congregations interested in having materials available in braille for persons who are blind are urged to contact Dr. Robert M. Pitzer, Director, or Mrs. Cheryl Eure, Administrative Assistant, at SEMAR, 704-452-2881, Ex. 732 (Voice) or 704-452-7640 (TDD).

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

Report No. 1 — COLLEGES

The Alabama-West Florida Conference offers support to two Church-related colleges — Birmingham-Southern and Huntington College. The church works hand in hand with the colleges in enriching the moral, spiritual, and intellectual resources of the students. The following are reports of our Church related colleges.

BIRMINGHAM-SOUTHERN COLLEGE

Enrollment at Birmingham-Southern remains stable at just under 1,600 students in the traditional day program, Adult Studies in the evening, and the Masters in Public and Private Management program. The indices of academic quality continue to be strong with an average ACT score of 26, and 42 National Merit and National Achievement Scholars, and with a student faculty ratio of 13:1.

National recognition continues to come to BSC. Since 1987 when *U.S. News and World Report* ranked BSC as the top liberal arts college in the Southern region, and consequently moved us into the category of "national liberal arts colleges," we have moved from the fourth to the third and now to the second tier of the best in the nation. *Money* magazine recently cited BSC as one of the "100 Best Buys" in terms of the quality of education compared to the cost. *The National Review* names us as one of 58 of "America's Top Liberal Arts Schools." *The Princeton Review* ranks us very high in academics, quality of life, and financial aid.

One of the goals on which BSC has focused recently is to provide all students significant cross-cultural experiences through bringing students and faculty to our campus from other parts of the world and sending our own all over the world on service learning and Interim Term travel experiences. We now have formalized exchange agreements with schools in Brazil and Egypt as well as a program for study in England. We are also taking steps to diversify our campus community in terms of nationality, race, age, and socio-economic experience. We continue our emphasis on leadership development through many creative programs, workshops, and classes. Our Student Volunteer Services involves approximately 50% of our faculty, staff and students in volunteer work with local projects for those in special need, and our Service Learning program to send students to work with United Methodist missionaries in Africa and Latin America has expanded to three groups per year.

Additions to our faculty have brought highly qualified persons in Chemistry, Mathematics, French, and Biology. The Religion faculty of Wells, Gossett, and Wingard continue to offer a full range of courses, and Chaplain Stewart Jackson provides four worship services per week as well as Bible study and spiritual growth groups for our students.

The North Alabama Conference is conducting a campaign to raise $3,000,000 for church-related scholarships at Birmingham-Southern. This will be the first segment of a $64,000,000 campaign that begins in 1995. While the endowment has grown in 18 years from $16,000,000 to $71,000,000, we are still not keeping pace with the increasing cost of high quality Higher Education.

We need the continued encouragement and support of the Alabama-West Florida Conference. We hope to receive $50,000 from the Huntingdon/Birmingham-Southern Funds in 1996, and we look forward to cooperating with every church in the Conference to make the Birmingham-Southern experience available to the high school students in your church.

HUNTINGDON COLLEGE

As Huntingdon College brings its 141st academic year to a close, it is with a sense of accomplishment and appreciation that this report is being submitted. Morale and the spirit of cooperation and the effort to strive for excellence are at high levels among the Trustees, administration, students, faculty, and staff.

There are a number of significant matters and events I'd like to share.

1. The Carnegie Foundation for the Advancement of Teaching has recently upgraded Huntingdon College to the rank of Liberal Arts I from the level of Liberal Arts II. This classification comes after evaluation by the Foundation of the college, its academic programs, and admissions criteria. This is the top category for a liberal arts college given for competitiveness and number of liberal arts graduates.
2. The college is growing. This year's freshman class showed a 39 percent increase over last year's entering class. The goal for 1995 is to increase the freshman class size by 23 percent above last year's level. The long-range plans are to have a student body of 1,000. The ACT average for this year's freshman class was 23.17, the equivalent of the best class in the past six years.
3. Some of the new faculty and staff members who may be of interest are:
   a. Dr. Gregory Clapper, a newly-appointed professor in the Chapman-Benson Chair of Christian Faith and Philosophy. As a part of the service expected of the Chair, Dr. Clapper will be offering a seminar for ministers on April 4 entitled "Heart Religion in the Tradition of John Wesley."
   b. Dr. Jimmy Jeffcoat has joined us as Chaplain. He also teaches the Christian Education Program.
   c. Mr. Terry Haines has joined as Vice President for Student Development. He is the son of The Reverend and Mrs. Paul Haines, retired members of the Florida Annual Conference of the United Methodist Church.
4. A number of students have excelled in inter-collegiate competition and have brought recognition to the college.
   a. Music — Voice: Astrid Boswell and Lewis Webb were both winners at the recent National Association of Teachers of Singing Competition.
   b. Athletics — Soccer: Korey Hamilton, senior member of the women's team, from Dallas, Texas, was named to the NAIA All-South Soccer Team.
      Golf: Our men's golf team holds the national championship position in NAIA competition.
   c. Theater Competition: Kimm McEntire and Trey Gibbons were selected to represent the state of Alabama in the Southeast Theater Conference Competition in Norfolk, Virginia. They were chosen from professional and student actors at the state level.
5. Dean Willard Top, who has been Vice President for Academic Affairs and Dean of the College for the past 24 years, is retiring. Everyone is indebted to Dean Top for his long years of faithful service to Huntingdon. The Search Committee is in the process of selecting his successor.
6. The new state-of-the-art residence hall is scheduled to be completed in August, 1995. This facility will house 286 students in two-, four-, and six-persons groups and will provide all rooms with computer, telephone, and cable hook-ups as well as microwaves and mini refrigerators.
7. The 1995 commencement exercises will be held on May 14. Dean Top has been chosen to deliver the commencement address to the 124 graduates. The baccalaureate service will be held the same day at the First United Methodist Church in Montgomery.
8. A number of candidates for graduation have chosen to enroll in seminary and/or graduate schools of religion. They are:
   a. Brian Cowley — Emory
   b. Darren Gillespie — Asbury
   c. Amy Persons — Emory
   d. Daniel Randall — Emory
   e. Michelle Olson — Southern Methodist University
9. Huntingdon is the only United Methodist college in Alabama that offers a major in Christian education. A number of local congregations have inquired about graduates

in this field. As a result, Huntingdon will be making efforts to communicate the availability of this program and to encourage students to enroll.

10. Last year, Huntingdon College initiated the Bellingrath Scholars Program which offers full-tuition scholarships to selected new students who have ACTs of 28 or above and GPAs of 3.5 or above. This year, 14 departments have interviewed and selected their Bellingrath Scholars. This year's recipients have ACTs ranging from 28 to 35. They are a talented group of young people whom we look forward to having on campus.
11. Regarding the College's finances, Huntingdon has a balanced budget. Because there are needs that cannot be met in the operating budget, we are now in the early stages of a $6M capital campaign to raise funds for endowed and restricted scholarships, academic equipment and materials, and upgrades to existing facilities. At the time of this report, $2.8M of the $6M has been pledged.

In conclusion, I thank our Alabama-West Florida Conference friends for their concern and support, and I invite each to visit with me when you are in Montgomery.

Respectfully submitted,
Wanda D. Bigham, President

Report No. 2 — CAMPUS MINISTRY

Campus Ministry is the church's presence on college and university campuses. Our Campus Ministries provide spiritual enrichment, encouragement and evangelism opportunities. Each Campus Ministry is unique to its own campus life. There are six Wesley Foundation units functioning in the Alabama-West Florida Conference. The places and directors are as follows:

Auburn	David Goolsby
Livingston	Nell Sims
Pensacola	Paula Roane
South Alabama	Sandra Brining
Troy	Ted Spencer
Tuskegee	Frederick Outlaw

AUBURN WESLEY FOUNDATION

The opportunities for ministry on a large campus are numerous and ever changing. At the same time, there is a need for consistency in program. The challenge we face is to faithfully respond to the needs we find as well as to keep the educational and spiritual growth programming at a high quality. We rest in the thought that through Christ all things are possible. Our statement of purpose at the Auburn Wesley Foundation reads:

"Understanding our call to witness in the campus community to the mission, message, and life of Jesus Christ, the Auburn Wesley Foundation fellowship reaches out and receives people in the name of Jesus Christ. We provide opportunities for our participants to strengthen their relationship with God and to relate to each other in love and acceptance. Finally, we equip them for vital discipleship and send them out in service and sacrifice."

LIVINGSTON WESLEY FOUNDATION

The Livingston University Wesley Foundation made progress in several areas during the past year. Because of second-mile support of churches in the Demopolis District, the indebtedness on our building will be paid off by the time Annual Conference meets. A substantial amount of interest has been saved by re-paying the loan ahead of schedule.

After a successful mission trip to St. Peter the Fisherman Orphanage in Ciud del Carmen, Mexico last summer, we had an exciting and productive fall quarter. A number of new students came to Wesley in the fall and have participated consistently through the year. It has been rewarding to watch this diverse group of students form a caring Christian community. While a strong sense of camaraderie has developed among them, their hospitality makes Wesley a place where newcomers feel welcome.

The Livingston Wesley Foundation is thankful for the vision and support of the Conference, which makes this ministry possible.

WESLEY FOUNDATION
UNIVERSITY OF WEST FLORIDA/PENSACOLA JUNIOR COLLEGE

This year continues to bring many challenges to the Wesley Foundation at the University of West Florida. We are in the process of reevaluating the needs of the students on this commuter campus and developing programs and ways to meet the needs of this unique campus. Again, on the first day of classes, Wesley served homemade cookies and cokes to the students waiting in line at the cashier's office to pay and/or receive financial aid. Many local church members gathered to participate in this event. Refreshments, kind words, and information about Wesley and local churches were provided to the students. We were also able to provide this service on the Milton campus of Pensacola Junior College.

As of this date, we have not received use of the joint campus ministry office at West Florida. This continues to present frustration for the campus minister as students do not have a physical place in which to identify the Wesley Foundation. Renovation of this facility is underway and the religious organizations have met and will occupy an office in the fall of this year. We look forward to our office this fall so that we may better meet the needs of the students.

The potential for continued growth is exciting and plans are being implemented to assist in this growth. It appears that service projects are of interest to the students and we are working in conjunction with the volunteer office on campus to provide opportunities for the students to serve the community. Plans are being made to include the PJC students in these projects as well.

A great amount of time this year has been spent on publicity and fund-raising for the Wesley Foundation. I have traveled throughout the district speaking about the visions of the Wesley Foundation and we appear to be financially stable at this time.

Highlights for Fall 1994 and Spring 1995

Activity	Number of Participants
Bible Study	3
Great American Feed Bag	1500
Talks at churches (since Jan. 1, 1994)	34
Habitat for Humanity	2

We continue to remain a unique campus ministry unit in this conference with an enrollment of 32,000 students (on 4 campuses), of which 700 are resident students. My goals for the year include: (1) continuing to speak to various groups throughout the district and sharing with them the visions and goals of the Wesley Foundation at PJC and UWF, (2) continue to identify potential students interested in Wesley, (3) develop a core student leadership group at UWF and PJC, and (4) to continue to build our funding base through local churches and other means.

The Wesley Foundation at UWF and PJC strongly believes in the importance of campus ministry in equipping our college students to carry on the ministry of the church. Thanks to all who support this vital ministry.

UNIVERSITY OF SOUTH ALABAMA

"Grace to you and peace from God the Father and the Lord Jesus Christ. We are bound to give thanks to God always for you, brethren, as it is fitting, because your faith is growing abundantly and the love of everyone of you for one another is increasing." — Thess. 1:2-3

The University of South Alabama's Wesley Foundation strives to grow in faith and in love as we endeavor to represent Jesus Christ and the United Methodist Church on the USA campus.

Approximately 26 students actively participate in our program. We have made contact with an additional 20 students. A Thursday night supper has been added to our program partly through donations from our "Friends of Wesley" program. "Wesley friends are individuals who have volunteered to donate food once a quarter. They have been a major plus for the ministry."

One of our goals for the last year was to focus our recruiting of residence hall students. Two-thirds of our new students live on campus. We will continue to work toward reaching more of the campus community.

Fall quarter 1996 will open a new door for us in that the USA admissions form will include a space for students to state a religious preference (optional). We look forward to having access to this vital information as it will enable us to identify UM students.

Remember USA Wesley in your prayers as we desire to grow in wisdom and understanding of ourselves, each other, and of God's plan for our lives.

Thank you for your interest and continued support.

Sandra R. Brining

TSU WESLEY FOUNDATION

The Troy Wesley Foundation has had the distinct pleasure of utilizing our new 1,200 square foot building since April 1994. The extra room has added to the flexibility of our ministry as well as given us the opportunity to have more than one activity going on at a time. This has given us the opportunity to grow in membership as well as serving the community of TSU and Troy.

TUSKEGEE WESLEY FOUNDATION

Tuskegee Wesley Foundation is a campus ministry which endeavors to bring together Methodist, as well as other students on the campus of Tuskegee University. Our intent is to provide counseling, scholarship, and loan information, and devotional activities on a regular basis.

The school year 1994-1995 has witnessed a renewal in the presence of Tuskegee Wesley Foundation. We have provided a list of Methodist students numbering approximately 210. Our work with the campus is greatly assisted through the Dean of the Chapel's office. TWF was a participant in the religious enrichment week and Religious Arts Festival during January

1995 at Tuskegee University. The Director has spoken in the Tuskegee University chapel on several occasions for Sunday morning worship.

Report No. 4 — SERVICE OF TALENTS

Local churches in our conference have sacrificially responded to the Higher Education and Campus Ministry Service of Talents. Starting with a talent of five dollars, churches have multiplied these talents through a variety of creative and dedicated efforts. The third Service of Talent program is currently underway.

What have the talents yielded in expansion of ministry to our university and college students? Money from the program is designated for new ministry efforts. Grants of two thousand dollars or less have been awarded to a variety of efforts. Livingston Wesley has received one grant to help fund their first overseas UMVIM work and are currently developing a new drama ministry with resources granted. Troy Wesley Foundation used funds to develop a basketball/volleyball facility that is heavily used. Auburn Wesley received a grant to begin the youth ministry Caravan now in its fourth year. Also, a grant helped the Auburn group begin a day camp ministry in conjunction with an African-American membership church in Opelika.

Students from each Wesley unit benefited from a grant that helped start a joint retreat for students. That retreat is now in its fifth year and approximately 180 people attended. Plans are being developed currently by these future United Methodist leaders to expand the current annual retreat into a comprehensive student movement for the United Methodist Church.

A central reason for having the talent fund is so that our United Methodist Church can begin new ministries on campuses not already served. Under the leadership of Bob Bailey and now Paula Roane, our church has a new Wesley Foundation at the University of West Florida and Pensacola Junior College. The grant fund empowered the beginning of this ministry.

There are many more grants that could and should be mentioned. From University of South Alabama to Tuskegee University, ministry with students is growing. Future programs will be empowered by the funds made available through the service of talents.

Report No. 4 — FUNDING

1. We recommend that the Huntingdon College/Birmingham-Southern College Fund be set at $486,203.
2. We recommend that the Huntingdon College Student Aid Fund be set at $187,295.
3. We recommend that the Wesley Foundation Fund be $211,415.

BOARD OF EDUCATION

Report No. 1 — CHAIRPERSON

The Board of Education is responsible for the education of local and district lay and clergy. Our goal is to provide at the Conference level whatever training and enrichment opportunities will give local and district United Methodist what they need to **do** the job of education in the local church. We do this through all age levels. One of the newest ideas is to work together to make our local churches family groups. We want each individual in the church to feel like they are truly important and cared for by each other member of their church family. And we want singles, older adults, children, youth and other adults to find the training and growth they need to be the church in the community and in the church family. We have organized a new Church Family committee that will do this job.

Another slight change that has been made this year is to combine the Sunday School Weekend and the Children's Ministries weekend to now have a Christian Education Weekend for training **all** educational leaders for ministry. We feel that these changes are right on target for meeting the responsibilities of our committees and our board.

The outstanding leadership of the committee chairpersons as well as the committee members is truly appreciated. Things are going well and this is because of the dedicated work of **all** members of our board.

Jane G. Watson, Chairperson

Report No. 2 — CHURCH FAMILY COMMITTEE

The New **Church Family Committee** has been given the responsibility of finding ways to bring the whole church family into a close-knit relationship with each other and with Christ. We have often seen the church broken down into segments of age rather than being "The Family of God." Singles Young Adult, Older Adults, and families of all sizes and types should fit into this "Church Family." A whole unit is necessary so that each person will feel a part. When the individual suffers the family is there. And when the individual rejoices the family is there. This is a real family. And this is what the church should be.

A Family Retreat was planned for 1995 with the goal of offering each family unit a retreat opportunity. Mothers with children, fathers with children, and Mothers and Fathers with children should be and are just as important as any other family unit. The Family retreat was designed to express this. The opportunity to experience the fellowship of Jesus Christ while enjoying the fellowship of the family was the goal. And practical helps were planned to provide financial helps, discipline helps, and spiritual helps.

The family committee has also printed a booklet which offers suggestions for a local church family committee. In this booklet several Family Video Study Courses were suggested as well as ideas for strengthening the family unit in the United Methodist Church.

David Cook heads up this new Church Family Committee with the help of retiring chairperson Marvin Ennis.

Report No. 3 — CAMPING

The **Camping Committee** is excited about their efforts to make the camping experience for elementary, junior high, senior high and special ministry campers "top notch." We expect camping at Blue Lake to be the very best. It is because of the many dedicated and committed persons involved in the work that we are successful in this goal.

In 1994 almost 1500 campers participated in the summer camping programs. The Missions camp that was held at the same time as the School of Missions was a great success and a needed addition to the effectiveness of this outreach of the church. The purpose of all camps is to experience God through study, fellowship and worship in the beauty of God's world at Blue Lake. And because of the camping program at Blue Lake many conference leaders, both lay and clergy, have experienced Jesus as Lord and have been influenced for eternity by these experiences.

We like to provide a low-cost camping experience, and have kept cost of camping down. But this year, in response to a request from Budget and Coordinating, rates for all camps have had to be adjusted and reflect a slight increase. We are now in line with other camps in this area of the country. We hope that this will not eliminate campers who would otherwise come. It is suggested that local churches try to find ways to help defray some of the cost of your members through offering to pay half of each person's expenses, or at least offer scholarships to those who have more than one camper in the family.

An additional camp has been added for Senior High students for the 1995 camping season.

Steve McGucken, Chairperson

Report No. 4 — CHILDREN

The **Children's Council** provided training in four districts during 1994 in order to take training closer to the local people. These meetings were each designed with the area needs in mind, therefore opportunities were offered to meet the needs of the people. In each, however, Vacation Bible School training was presented. In 1995 Vacation Bible School Workshops were offered in April at the Children's Home in Selma, at Park Memorial UMC in Troy and at Ferry Pass UMC in Pensacola.

A Confirmation Rally was held at Blue Lake in March with group games, classes on John Wesley and Methodist by Bishop Morris, Stewardship by Diane Lothrop, and a special "Play Hollywood Squares" with our own very special Alabama/West Florida celebrities.

Christian Education Weekends will be offered in September of every year (this year Sept. 20-21). We are combining The Sunday School Weekend and The Children's Ministries Weekends so that there will be workshops designed for leaders of children, youth and adults in the area of education each year. This was changed because of request made on evaluation forms at both weekends in the past couple of years. The keynote speaker for 1995 will be Carol Krau — a sought after worship and motivational speaker. Don't miss it.

In a cooperative effort with Board of Church and Society we will be working on workshops for Children in Crisis.

We are also participating with the Sunday School Committee on the Visionary Sunday School and the Weekday Teacher Certification training opportunities. We feel that this helps to provide the outstanding leadership in our conference to which we have become accustomed.

Betty Cates, Chairperson

Report No. 5 — OLDER ADULT

Learning is lifelong. Ministry is lifelong. The ministry of older adults could be greatly enhanced in the Alabama-West Florida Conference if we would put more emphasis on the work and ministry of our older adults just like we do our youth!

The Big Conference-wide activity for older adults is the OLDER ADULT ASSEMBLY at Blue Lake the week after Mother's Day each year. It consists of four inspirational sermons by one of the leading preachers of the conference or an outside speaker, a Monday evening vespers and Morning Watch on Tuesday, Wednesday and Thursday, a great banquet Wednesday night with a "Theme" and an entertaining speaker, great singing led by Steve Lee, of Prattville, a time of sharing — "Show and Tell," suitable older adult recreation, hiking (if desired), crafts, games and fellowship and ends with Holy Communion. The cost is $90 for the four days. Everyone enjoys it and many come again and again. We generally have around 100; but in 1995 we expect more because Rev. G. Ross Freeman, who taught for years at Candler School of Theology at Emory will be the Inspirational Speaker.

We hope to get one person designated as coordinator of older adult activities in each district and encourage local churches to have monthly luncheons for their older adults and plan a one day trip each month and a 2-4 day trip once a quarter. The quarterly trips may become district-wide.

We want to encourage older adults to become active in their local churches in choir, Sunday School, United Methodist Women and United Methodist Men and visitation, especially of shut-ins and those in nursing homes and the hospital.

We would like to see the Conference have a person designated to work with older adults and larger churches also have a staff member with the responsibility of working with older adults.

J. Glenn Carmichael, Chair

Report No. 6 — SUNDAY SCHOOL

The **Sunday School Committee** will provide intensive training to benefit teachers and education leadership on all levels — youth, children, adults, and older adults. During Christian Education Weekend in 1996 about twenty different workshops will be offered on a repeating schedule enabling each participant to select four different workshops to attend. In addition, there will be three general worship sessions conducted by an outstanding resource person. This event is now being called Christian Education Weekend and will combine the work of Sunday School Weekend and Children's Ministries Weekend which were held every other year. **All** educational levels will be given training that will help them to become the very best leaders they can be. In the past the intensive weekend opportunities have provided meaningful training for first year teachers as well as experienced teachers. The variety of sessions offered learning experiences that could be adapted to various local church situations. The participants have repeatedly asked for this event to be continued, and we think that combining the two events will make them even more attractive and meaningful.

The Sunday School committee will continue a program that was started in 1993-94 called Visionary Teacher Certification Program. The purpose of this program is to provide a vehicle for training the serious Sunday School teacher to better equip all teachers to teach others about Jesus Christ.

There are five requirements for becoming certified as a "Visionary" Sunday School Teacher.

(1) Attend the workshop entitled "Characteristics of a Visionary Sunday School Teacher" either at district training events or at Christian Education Weekend.
(2) Select and complete six readings from a prepared reading list.
(3) Select and use one teacher-training video series.
(4) Attend one local teacher-training event.

(5) Participate in one district or conference event.

Teachers who participate are expected to complete these requirements in one year. The Conference Sunday School Committee members will serve as mentors in this program.

Jo Lovell, Chairperson

Report No. 7 — LEADER DEVELOPMENT

The **Leader Development Committee** of the Board of Education provided a Disciple Bible Study event in 1994 which was done in cooperation with the Board of Discipleship to provide leaders to go back into the local churches and district to provide materials for an outstanding Bible Study This event will again be planned for 1996.

More Bible study is always helpful to the spiritual health of the local church. This disciplined study of God's word has already provided a kind of "jump start" to the dedication of participants in churches where they have tried it. Therefore, the Board of Education will offer $100 toward the fee of any first time churches who participate in the training.

The Leader Development Committee is also available when special training is needed for developing leadership in the lay or clergy community. One vision is to provide more laity training with the help of Vision 2000.

BOARD OF LAITY

Report No. 1 — LAY LEADER

Partnership Ministry continued to be the **theme** and the focus of the Laity, as it has been for several years. It will also be the **theme** used for the "**Laity Address**" given at the 1996 general conference.

Partnering or Shared Ministry is not a new concept. John Wesley lived it and preached it more than 200 years ago. It is therefore important today, and as we vision for the future, that we continue to strive to flush out the gifts and graces of God's people and involve them in ministry. It is virtually impossible to do this alone, but as a team or as partners, "Laity and Laity," "Clergy and Clergy," and "Clergy and Laity" together, the concept of connectionalism and shared ministry would no longer be a dream, but a reality.

The Alabama-West Florida Conference was asked to take part in a pilot project involving two other conferences in our jurisdiction. We will send six or seven two-person teams (local church pastor and his or her lay leader) to Lake Junaluska, North Carolina in July of this year. These teams will be in workshops led by Dr. Roy Trueblood, Dr. Gordon Goodgame and Mr. Tim Moss. The workshops are designed to help us find and understand our gifts, and how to share our gifts in the local church and community.

We welcome to the Board of Laity Mr. Earl Michael (Mobile District Lay Leader) and Judge Dale Segrest (Montgomery District Lay Leader). They have both plugged in and are performing their duties very well.

We also give grateful thanks to Dr. Marvin Grunzke (13 years) for the tremendous contribution he made to God and his church. We wish him well as he continues his journey in life.

We wish also to thank and to congratulate Mr. Jeff Sessions for his contributions as Mobile District Lay Leader, and now as the Alabama Attorney General. Good luck and God's speed to you, Jeff.

Again, I give thanks to God and to the people called United Methodist for the honor and privilege to serve as Conference Lay Leader. I will continue to listen to all people, and to seek advice and support and pray God's blessings on us all as we continue in His service.

Duane Keck, Conference Lay Leader

Report No. 2 — UNITED METHODIST MEN

A very successful Men's Spiritual Life Retreat sponsored by Conference United Methodist Men (UMMen) was held January 20 and 21, 1995, at Blue Lake. All districts were represented. The registrar reports 324 men registered, the largest attendance ever. Dr. Maurice Boyd and Mr. Bill Irwin with his Seeing Eye dog Orient, challenged us to Christian living, witness, and service. Mr. Larry Hanna, pianist, and Mr. Joe Pat Cox, song leader, led group singing.

Solo songs by Mr. Ralph Freeman prepared our hearts for worship. His mini-concert Friday evening ministered to the spirit of everyone. God is praised, and to Him be the Glory. The next retreat is scheduled January 19 and 20, 1996, at Blue Lake.

Conference leadership changes announced: Mr. Richard (Rich) H. Coreno appointed Second Vice President; Mr. Tom Parrott, outgoing UMMen President of the Mobile District appointed Conference Building Coordinator, a new position. Other officers are Mr. John Favor, President; Mr. Chuck Christian, First Vice President; Mr. Tom Stewart, Secretary; Mr. Jim Jackson, Treasurer; Mr. Robert Powell, Director of Retreats.

Four new District Presidents took office in 1995. They are Dr. Mark Weatherby, Andalusia; Mr. Jim Turner, Mobile; Mr. Mike Crawley, Pensacola; and Mr. John Sherrer, Selma. Other District Presidents are Dr. Wayne Bradshaw, Dothan; Mr. Jim Harkins, Marianna-Panama City; Mr. James Messick, Montgomery; and Mr. Rich Coreno, Troy. One district is without a president. We are grateful for these who have committed to serve in this capacity.

The Alabama-West Florida Conference United Methodist Men were recognized at the National Association of Conference Presidents meeting in Nashville, Tennessee, February 25, 1995, for supporting Evangelism, Mission, and Spiritual Life (EMS) programs. Dothan and Pensacola Districts UMMen received Certificates of Recognition for their contribution in making this possible. All organizations are commended for their efforts.

Conference UMMen will assist Citronelle United Methodist Church building program by helping provide volunteer labor. Construction is tentatively planned to start in mid-April 1995.

All men are urged to attend the Quadrennial Convocation for men sponsored by Southeastern Jurisdiction United Methodist Men scheduled June 23-25, 1995, at Lake Junaluska, North Carolina. We plan to charter at least one bus to transport men who wish to travel together.

The UMMen's Council continues to encourage the support of Vision 2000 as we seek to be in the service of our Lord.

John Favor, President

Report No. 3 — UNITED METHODIST WOMEN

This report is written with deep appreciation to the 297 units represented by 10,015 United Methodist Women across the Alabama-West Florida Conference. Our 1994 end of the year evaluations indicate that 169 units observed "Call to Prayer and Self Denial" and 159 units participated in "World Thank Offering" services. Offerings from these two observances totaled $35,524.21. Reports also showed 358 studies were conducted in local units, 167 units participated in projects for/with children and youth and 151 units had projects with the elderly. In 1994 our districts pledged $178,900.00 and paid $186,210.58 to Undesignated Giving. United Methodist Women continue to be the largest single source of funds for the entire General Board of Global Ministries' budget — in excess of twenty million dollars in 1995.

United Methodist Women is a vital part of the Alabama-West Florida Conference Cooperative School of Christian Mission. The mission team will be in Jackson, MS June 21-25 preparing for our conference school to be held at Blue Lake July 25-30.

Six women from our conference attended an Education for Mission Workshop in Biloxi, MS in October sponsored by the Southeastern Jurisdiction Core Planning Group. Two such events are being planned as a follow-up in our conference for early 1996. The purpose of an "Education for Mission Event" is to better understand the role of United Methodist Women who are serving in mission, by providing personal, individual and "hands-on" involvement in specific projects and programs of the Women's Division.

Our 1994 Annual Day last October was one of the most successful in recent years. Jane Hull Harvey, a former missionary sponsored by the Woman's Society of Christian Service of the Alabama-West Florida Conference and a product of our own conference, was the speaker. With an emphasis on the family, the program included music by a family group and a concert presented by Linda Precht and Deb Borio from Montgomery. Mary Prim, who works with the Sunshine Center/Montgomery Area Family Violence Program and with the Children's Trust Fund of Alabama, led the Bible Study.

The second Sunday in November is the designated day for the observance of United Methodist Women's Day in the local church. Evaluation reports show that 84 units observed

the special day in 1994. Other local churches are encouraged to recognize their women in such a special service.

In keeping with our purpose as United Methodist Women "to know God and to experience freedom as whole persons through Jesus Christ," we continue to emphasize Spiritual Enrichment Retreats. Not only does the conference sponsor a retreat each year, but several districts and local units are initiating retreats and "Days Apart."

The Alabama Seminar of World Federation of Methodist Women which is composed of six different Methodist denominations was hosted by Alabama-West Florida Conference United Methodist Women in May, 1994. At the present time geographical areas within our conference are participating in such workshops. The theme being used is "Jesus Christ, Strength for Today; Hope for Tomorrow." The workshops offered include such topics as Ageing, AIDS, Child Advocacy, and Prostitution.

"THE HOUSE BUILT BY LOVE" — The Alabama-West Florida Conference United Methodist Women have undertaken as a conference wide project raising money to build houses for two single heads of household families within our conference, funding to be completed by the end of 1995. Efforts have been very successful to this point and the goal is to have enough money to build two houses, one in Alabama and one in Florida. The funds will be divided equally between two Habitat for Humanity organizations who will build the houses. Local units and individuals are encouraged to support and contribute to this designated giving project of United Methodist Women to improve conditions for women, youth and children within our conference.

Plans are now being made to attend the Southeastern Jurisdiction Quadrennial Meeting in Memphis, Tennessee, March 15-17, 1996. The theme for the meeting will be "Linked in Mission."

As followers of Jesus Christ, United Methodist Women are committed to breaking cycles of despair, injustice, poverty and hopelessness. In partnership with God, we believe that we can make a difference in the lives of God's people through ministries with women, children and youth.

Report No. 4 — LAY SPEAKING

The Lay Speakers of the Alabama-West Florida Conference welcome this opportunity to report to the clergy and laity on our activities for the previous year. At last count there were 695 Lay Speakers to support and assist you.

Lay Speakers are members of the laity who have answered God's continuing call to more meaningful service. As Lay Speakers, we each make a personal and lifelong binding commitment to serve God in any way we can. The importance of this personal commitment to God is profound. As a result Lay Speakers look for ways to serve our pastor, local church, The United Methodist Church, our fellow man and God in many ways and in many locations.

During the past year a fourth item has been added to the Lay Speaking Ministry Purpose within this Conference. Our Purpose now states:

1. To provide support and assistance to pastors, local churches, sub-districts, districts, the conference and others.
2. To encourage other members of the laity to answer God's continuing call to more meaningful service.
3. To encourage spiritual growth and faith development.
4. To fill empty pulpits.

We continue to grow in the number of Lay Speakers serving the Church and God. During the past year we grew by 126 for a 22.2 percent increase. Each year we compare our growth to the year 1988 when we started the revitalization of the Conference Lay Speaking Ministry. At that time we had a total of 160 Lay Speakers. Our 695 reflects a 434.4 percent growth over the past six and a half (6½) years.

During the last six and a half (6½) years we have provided the Alabama-West Florida Conference with seventy-nine (79) former Lay Speakers who are now clergy and not counted in our total. Nor does it include the five (5) currently in seminary or the fifteen (15) other Lay Speakers who have gone into other full time Christian service. We also have not included those who have dropped out of the ministry for personal reasons.

Last year there were nine (9) training events offering seven (7) basic courses and eight

(8) advanced courses for a total of fifteen (15) Lay Speaker courses offered within this conference. Over 200 Lay Speakers attended those courses. The largest training event was the Sixth Annual Lay Speaker Training Weekend conducted by the conference at Blue Lake. We had eighty (80) students, and thirty-five (35) individuals involved as instructors and staff for the weekend. Four (4) of those thirty-five (35) were clergy; the remainder were Lay Speakers.

Our practice of serving other denominations continued with our Lay Speakers serving eight (8) other denominations in addition to our own. These were: 1) Southern Baptist; 2) African Methodist Episcopal (AME); 3) African Methodist Episcopal Zion (AMEZ); 4) Congregational; 5) Independent Methodist; 6) Wesleyan; 7) Fundamental Baptist; and (8) Presbyterian. We provided three (3) of the staff of ten (10) for the Second Annual Southeastern Jurisdiction Lay Speaker Workshop conducted by the Lay Ministry Center at Lake Junaluska Assembly. Of course we continue to provide speakers to church related groups, and as a part of our local church outreach programs to civic clubs, governmental groups, professional organizations, and others.

As has become our practice we list herein the most active service areas within our conference. For the past year these were the most active:

1. **TRAINING SERVICE AREA:** Consists of training Lay Speakers, clergy, laity and providing Lay Speaking Ministry information programs.
2. **LAY SPEAKER REVIVAL SERVICE AREA:** This remains the fastest growing service area. One district has now conducted fifty (50) Lay Speaker Revivals in churches from 27 to 1,340 members.
3. **SPEAKERS SERVICE AREA:** We continue to provide speakers for churches, church related groups, and outreach programs.
4. **NURSING/RETIREMENT HOME SUPPORT SERVICE AREA:** This is a rapidly growing service area.
5. **SUNDAY SCHOOL INSTRUCTION SERVICE AREA:** Now offered by three (3) districts.
6. **SPECIAL WORSHIP SERVICE AREA:** Designed to meet the needs of the local church.
7. **LAY SPEAKER SUNDAY WORSHIP SERVICE AREA:** Where a team of from four (4) to twenty-five Lay Speakers come and conduct the entire Sunday morning worship service.
8. **SEMINAR AND WORKSHOP SERVICE AREA:** Some of these seminars and workshops are from offerings of the District Lay Speaking Ministry, but most are designed to meet a specific need.
9. **PULPIT SUPPLY SERVICE AREA:** This jumped from approximately 600 pulpit fills last year to over 1,400 (1,434) in 1995. Three (3) districts have fully implemented the ECOES (Every Church Open Every Sunday) Program of the Small Membership Church Commission which utilizes Lay Speakers.
10. **WE CARE MISSIONS SERVICE AREA:** We are now conducting these We Care Missions in three (3) districts.
11. **VOLUNTEER IN MISSION SERVICE AREA:** Conduct special programs to encourage participation in Volunteer in Mission activities. All Lay Speakers in this service area have been on VIM (Volunteer In Mission) trips outside the US.
12. **VISIONING SERVICE AREA:** Conducts Visioning Sessions for program, fixed plant and master planning purposes.
13. **PLANNING SERVICE AREA:** Assists the local church in developing essential routine and emergency plans.
14. **VISION 2000 SERVICE AREA:** Provide requested support in assisting a local church with the Vision 2000 program they are utilizing.

The Lay Speaking Ministry of the Alabama-West Florida Conference continues to be asked by districts, conferences, the Southeastern Jurisdiction and the General Board of Discipleship to provide information on how we are organized and what we do to other districts and conferences. To date we have provided such information to fourteen (14) other conferences and eighteen (18) other districts including the Frankfurt and Karlsrhue districts in Germany.

As in the past, the Lay Speaking Ministry of the Alabama-West Florida Conference reaches far beyond the geographical bounds of this conference. During the past year, Lay

Speakers from the Alabama-West Florida Conference have been involved in Lay Speaking activities in China, Costa Rica, Cuba, Estonia, Guam, Jamaica, Khazistan, Latvia, Mexico, Puerto Rico, and Russia. These eleven (11) international destinations are in addition to these ten (10) state: Alabama (the North Alabama Conference Area), Florida (the Florida Conference Area), Georgia, Illinois, Indiana, Kentucky, Mississippi, North Carolina, South Carolina and Virginia.

We continue to seek ways we can be more effective in providing support and assistance to our pastors, local churches, sub-districts, districts, the conference and others. We thank God, His Son and our Savior, Jesus the Christ, for the success the Lay Speaking Ministry has enjoyed. We have also received great support from Bishop William Wesley Morris, our resident bishop, the Cabinet, the Conference Council on Ministries, the Council Staff, the Board of Laity, and the Conference Finance and Accounting Staff.

This report is submitted to the honor and glory of Almighty God.

Respectfully submitted,
Wm. Collier Martin, Sr., CLS
Director for Lay Speaking

Report No. 5 — YOUTH

The Conference Council on Youth Ministries has made substantial progress this year through a mission trip, three meetings and two Conference-wide rallies. Six youth from our Conference went to Virginia for the CCYM mission trip to Harvest of Hope. This was part of CCYM's emphasis on missions. Our task was to glean potato fields to get potatoes to give to a food bank. Also, one day we were allowed to go to a summer school for migrant children and be a part of first through sixth grade classes. Our summer school experience was a success, and our gleaning produced over forty thousand pounds of potatoes to donate to a food bank.

In our summer meeting at First United Methodist Church in Andalusia, Alabama, our primary task was to get acquainted with each other and to educate new CCYM members on the importance and role of CCYM. At this meeting, we also planned for Fall Rally. Fall Rally, held at Huntingdon College, was a great success with speaker Allen Newton and music provided by David Bell and the Good Stuff Band. At our winter meeting at First United Methodist Church in Georgiana, Alabama, we approved the 1996 budget and made preliminary plans for Spring Fling. Spring meeting was held at First United Methodist Church in Crestview, Florida. At this meeting we made plans for Spring Fling and elected officers for the coming year. Spring Fling, our three-day Conference-wide retreat was held in Panama City, Florida at Laguna Beach Retreat Center. Our speaker for the weekend was Brad McClain and Ron Moore provided the music.

The Conference Council on Youth Ministries, through a mission trip to Harvest of Hope, has accomplished its goal of missions. Also, through our presence at local, district, and conference events, we have shown that the youth of the Alabama-West Florida Conference are committed to preparing ourselves for the leadership of the church in the future.

ARCHIVES AND HISTORY

Report No. 1 — CHAIRPERSON

Two major interests have been pursued in this last Conference year: (a) the writing of a new history for Methodism in Alabama and West Florida. This report is being written on January 25, 1995, you will read it much later in the year. In the meantime we have high hopes that at the 1995 session of Annual Conference, Mr. Peter Branum will have presented the typescript of this new history. We will be filing the copy with our Archives. It is our hope that we may push to an early publication of this manuscript. We will also file with the Archives a brief report of the process by which this new history came into being.

The other major focus of the year has been preparation for the meeting of the Southeastern Jurisdictional history group here at Huntingdon College. The theme chosen for our program has been "From Civil War To Civil Rights." This era of our history is, like all the others, a mixture of grandeur and of sorrow, of hope and pain. "But of all the Lord has bought us by His grace..."!

I want to commend Huntingdon College for its presentation of a day long study of Wesleyan "heart religion." In this day when from within and without the Methodist heritage is either ignored or viciously attacked it is of the greatest importance that we comprehend the "rock from which we were cut, the stone from which we were hewn..."

We are requesting that Mr. Doug Purcell of Eufaula and Mrs. Julia Norton of Auburn be named "Life Members" of this Commission. Their services to the work of the Commission are invaluable and we need to be assured of other long time association with our Commission.

To all and to the many who have aided so greatly in the work of this Commission in the year 1994-1995, accept my greatest gratitude. With you, for you, and with the whole of Christ's Church, thanksgiving what has been, for what is, and for what shall be!

Charles R. Britt, Chair

Report No. 3 — CONFERENCE HISTORIAN

While I realize the subject of Archives and History does not appeal to the masses, I believe we can all be proud of the work done by this Commission during the past year. We have focused our efforts on two major projects: 1) the forthcoming three volume history of our Annual Conference (please see the report from Conference Chair, Dr. Charles Britt); and 2) our hosting of the annual meeting of the Southeastern Jurisdictional Historical Society this July 11-14, 1995.

The Alabama-West Florida Annual Conference will be hosting the annual Jurisdictional meeting for the very first time. We will be headquartered on the Huntingdon campus, with special outings to downtown Montgomery and to Auburn and Tuskegee. It is my great hope that this significant event will help bring a sense of closure to the racial tension that tore at the Church's very fiber during the 1950's and 60's, and which, unfortunately, still appears on occasion.

United Methodists from Mississippi, Tennessee, Kentucky, Virginia, North Carolina, South Carolina, Georgia, and the remainder of the state of Florida will be our guests for this event, and we want for each person who attends to come to the conclusion that the Alabama-West Florida Conference is one of the best kept secrets in Methodism. Your presence will help make it happen.

I hope to see you here July 11th!

H. Joseph Curtis, Conference Historian

BOARD OF MANAGERS OF PASTORS' ASSEMBLY

The 1994 Pastors' Assembly was held at Blue Lake Assembly Grounds, October 17-18, 1994. Featured speakers were Bishop William Morris, Dr. Luke T. Johnson from Candler School of Theology and the Rev. Diane T. Stamey, Director of Counseling at the Intentional Growth Center of Lake Junaluska. These speakers helped those in attendance deal with "Families in the Church, the Church as the Family of God." Over 125 pastors were in attendance.

The Board of Managers of Pastors' Assembly has planned an outstanding assembly for 1995. It will be held at Blue Lake, October 16-17, 1995. Dr. Leonard Sweet, Chancellor of United Theological Seminary in Dayton, Ohio, Dr. William F. Appleby of the Southeastern Jurisdictional Administrative Staff of Lake Junaluska, and Dr. William Peeples of the Broadmoor UMC, Shreveport, Louisiana, will be speaking. The focus for our 1995 Assembly will be "Good Stewards and Their Stewardship." We anticipate an inspiring and stimulating assembly in 1995.

E. Bruce Fitzgerald, Chairperson

COMMISSION ON EQUITABLE COMPENSATION

It is the purpose of the Commission on Equitable Compensation to support ordained ministry in the charges of the Annual Conference by (1) recommending conference standards for clergy support; (2) administering funds to be used in base compensation supplementation; and (3) providing counsel and advisory materials on clergy support to district superintendents and Committees on Pastor-Parish Relations.

— *The Book of Discipline,* 1992 (Par. 722.2)

In keeping with the purpose stated above; the Commission on Equitable Compensation has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors, retired pastors (as specified in paragraph 2), and student pastors are eligible for equitable compensation support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. Each pastor who is in good standing and who is appointed by the bishop to less than full-time service is eligible for Equitable Compensation Fund in one-quarter increments. No associate or supply pastor shall receive salary support from this fund.

2. To receive fully scheduled equitable compensation for the minister's category, the church must pay 83% of the equitable compensation schedule for 1996, except as defined in paragraphs 8-12 of this report.

3. The amount of equitable compensation a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

4. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable compensation for his/her classification, except as provided in paragraphs 8-10 of this report.

5. No person qualifying for equitable compensation which amounts to less than $100 per year will receive any equitable compensation. The Commission expects the local churches to take care of that amount.

6. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable compensation unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable compensation aid.

7. The Commission on Equitable Compensation recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Compensation, above the regular equitable compensation, may be given the minister; provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

8. After June 1994 ministers of newly organized congregations will be eligible for Equitable Compensation for five years based on the following schedule applied to the minimum compensation approved by the Annual Conference:

First year	120% of Equitable Compensation
Second year	100% of Equitable Compensation
Third year	80% of Equitable Compensation
Fourth year	60% of Equitable Compensation
Fifth year	40% of Equitable Compensation

As shown there will be a 20% decrease each year with assistance ending after the fifth year. This schedule will begin upon approval of the Annual Conference in June 1994. This schedule does not apply to churches currently receiving Equitable Compensation as a "new church." The Commission suggests to the cabinet that consideration be given to ministers with backgrounds in church planning and growth development.

9. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Compensation, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable compensation, without any reduction in the equitable compensation support.

10. The Commission on Equitable Compensation recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Compensation, and present the findings to the Commission upon whom rests the final decision.

11. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's salary.

The Commission recommends that the cabinet consider this cumulative amount as part of the salary when appointment is made to another charge.

12. The Commission recommends that all charges receiving equitable compensation assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors. An annual report of this program shall be submitted through the District Superintendent to this Commission.

13. The District Superintendents are required to review all equitable compensation situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable compensation assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Compensation has approved the division. The Commission recommends that churches or charges, to be eligible for equitable compensation aid, should consist of a minimum of 100 members per charge, except in the case of a new church.

14. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable compensation funds. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable compensation funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with the Commission the changed status.

15. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

16. The Secretary of the Commission on Equitable Compensation shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable compensation fund during the year, giving names of the pastors and charges, and amounts paid to each. This report is to be made by June 30, following annual conference for the past calendar year.

17. The Commission recommends the following Equitable Compensation Schedule for 1996:

	Minimum Salary	Minimum for church 83%
Full Connection	$23,030	$19,115
Probationary	23,030	19,115
Associate	21,930	18,202
Seminary Student (married)	17,875	14,836
Seminary Student (single)	16,890	14,019
Full Time Local Pastor	19,300	16,019
Student Local Pastor (Married)	14,475	12,014
Student Local Pastor (Single)	12,940	10,740
New Churches after 1994	27,636	

BOARD OF COMMUNICATIONS

By vote of the 1994 Annual Conference, it was decided that the Alabama-West Florida Conference would produce its own publication. Following that vote, a Conference Board of Communications was elected, efforts were begun to establish an Office of Communications and the search for a person to fill the role of director of communications and editor of the Alabama-West Florida Advocate got underway.

After much work establishing guidelines and requirements for the new monthly magazine, the premiere issue was published in October 1994 under the direction of board President Walter Albritton and Vice President and Interim Editor Lenore Vickrey. Promotional copies of the premiere edition, which featured the United Methodist Children's Home in Selma as the cover story, were sent to each church in the conference.

After a lengthy search, the Board of Communications hired Andy Ellis to serve as director of communications/Advocate editor. Ellis began work in mid-October.

As of March 1, the Advocate had 3,448 subscribers. In addition to the subscriber list, the Advocate is mailed to pastors and key lay people within each church. The list, which is supplied through the Conference Council on Ministries consists of 2,663 names.

In addition to the publication of the monthly magazine, the Office of Communications, through the guidance of Board of Communications members Jim Jackson and Lenore Vickrey and Board Chairperson Walter Albritton, produced a 30 second public service announcement featuring Bishop William Morris, which was sent to and aired during the Christmas season on television stations throughout the Alabama-West Florida region.

It has been an exciting beginning to a new era in communication for the Alabama-West Florida Conference. Continued support of the leadership and membership of the conference is needed if the Advocate is to continue to exist. If the Advocate is to be self-sustaining, subscriptions must reach 10,000. Marketing plans and publicity efforts are presently underway to help spread the word about the need for the Advocate and the important role that it fills within our conference.

The Board of Communications has demonstrated its commitment to this effort and will continue to spread the good news about our new Advocate. The board and director seek the continued support of the leadership of this conference to fulfill the role in ministry of the Office of Communications and The Advocate.

Andy Ellis, director of communications
Rev. Walter Albritton, chairperson Board of Communications

ASSEMBLY GROUNDS COMMISSION

Blue Lake Camp

Your Assembly Grounds is one of the most beautiful and best equipped in the Southeast. It is in constant demand not only by our own United Methodist people but by other denominations and groups. This ministry is an ever expanding one and we are grateful for the support that we receive from our people. The facilities at Blue Lake continue to be used widely by Conference boards, agencies, committees, district and local church groups. Non-United Methodist groups make use of the camp when they are not reserved by our conference people.

The reservation policy of the Assembly Grounds is as it has been for several years. Conference boards and agencies and district and local United Methodist groups are urged to plan and schedule their events early. When groups are small an effort is made to schedule more than one in Oakwood in order to accommodate as many groups as possible. The Conference groups have until October 1 of each year to schedule their activities. After October 1, non-conference groups will scheduled if dates are available.

Each year we have groups cancel their dates at the last minute. This poses a real problem for your assembly grounds. If a group cancels two months or less before their event, it is too late to schedule another group. All groups are urged to make firm plans and give Blue Lake at least two (2) months notice of cancellation.

The Blue Lake Fund is the life blood of your Assembly Grounds. Without the continued support of the local churches through their budgets the rates for all programs at Blue Lake would be much higher. Therefore, I urge each of you to accept and pay "IN FULL" the Blue Lake Apportionment.

The rates are as follows: United Methodist groups within the Annual Conference: $25.00 per day per person in the original section of Oakwood Lodge and $35.00 per day in the New Wing. In Pinewood and Dogwood the rate is $20.00 per person per day. These rates include lodging, three meals and insurance. Non-Conference groups pay a higher rate per night's lodging.

The indebtedness on the new wing at Oakwood is $234,771.46. The note is held by the Covington County Bank of Andalusia and is amortized at $50,000.00 annually plus interest quarterly at prime. Each local church is requested to observe BLUE LAKE SUNDAY on the second Sunday in September and receive an offering for debt retirement. Blue Lake is a Conference Advance Special. The indebtedness at Blue Lake is equal to $1.68 per member in the Annual Conference.

The support of the United Methodist Women both physically and financially has made

many of our facilities and their upkeep possible. For their continued support I am deeply grateful.

The United Methodist Men, through their adopt-a-cabin plan, continue to make a tremendous difference in the living facilities in Pinewood and Dogwood. Thanks, fellows, for a job well done!

Blue Lake is your church camp and your church should use it as often as possible. Bring your group for retreats and send your boys and girls to the summer camping opportunities.

The Blue Lake ministry is a great one and it is a rare privilege to have a part in it. Your cooperation, support and understanding is greatly appreciated.

NOTE B — ACCOUNTING POLICIES
The organization's policy is to prepare its financial statement on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. Included in cash are certificates of deposit. The organization's policy is to report certificates as cash equivalents.

NOTE D — NOTES PAYABLE
The organization had one note outstanding at December 31, 1994 to Covington County Bank. The balance at year end was $366,402.50.

We call attention to the resolution adopted by the Annual Conference of 1988, which designates the United Methodist Foundation as the official depository for discretionary endowment funds owned by the Annual Conference and its related Boards and Agencies. Local churches are encouraged to use the Foundation for endowment funds in order to insure proper management and fiduciary accountability.

Maintenance on the Andalusia parsonages, the Headquarters' building, and the Auburn Wesley Foundation cost $16,664 in 1994. Mortgage payments on the Auburn Wesley Foundation building and the episcopal residence totaled $70,166 in 1994. The Auburn Wesley Foundation mortgage was paid in full in December. RESOLUTION
Board of Trustees Alabama-West Florida Conference
The United Methodist Church

WHEREAS, the Auburn Wesley Foundation building is the only Wesley Foundation building owned and maintained by the trustees of The Alabama-West Florida Conference; and

WHEREAS, the Auburn Wesley Foundation Board of Trustees already owns and maintains the Auburn Wesley Foundation parsonage; and

WHEREAS, the remodeling debt on the Auburn Wesley Foundation building has been paid in full by the Trustees of the Alabama-West Florida Conference.

THEREFORE, BE IT RESOLVED that the Alabama-West Florida Conference of The United Methodist Church, in regular session May 31, 1995, hereby instructs the Annual Conference Board of Trustees to transfer title to the Auburn Wesley Foundation building in Auburn, Alabama to the Board of Trustees of The Auburn Wesley Foundation on January 1, 1996.

PREACHER'S AID SOCIETY

One of the oldest organizations in the Alabama-West Florida Conference, in continuous service, is the Preacher's Aid Society. It has been a "Helping Hand" to the ministers in this Conference for well over 100 years, dating back to its beginnings in the Methodist Protestant Church.

There are two ways the Preacher's Aid Society assists the ministers of this conference and their families. The first is through outright **grants** to ministers in our conference who have had extreme medical or other type expenses beyond their control (should be recommended for aid by their District Superintendent). These grants come from the interest income on the second type of assistance, the low-cost loans available to ministers under appointment in the Alabama-West Florida Conference (6% per annum on loans up to $600, with up to two years to repay). The more money borrowed and paid back faithfully and systematically, the more grant funds we have available.

During the year 1994, we were able to "make the difference" for several parsonage families as we made grants of from $50.00 to $150.00 during times of extreme hardship. In addition to the grants, we made several loans to ministers.

To be eligible for a grant or loan, a person must be under appointment by or in the Alabama-West Florida Conference and must have his/her **annual dues of $1.00** paid up-to-date (there is a designated Preacher's Aid Collector in each district, or dues can be sent directly to Rev. Paul Higdon, Treasurer). This includes Ministers in Full Connection, Probationary Members, Associate Members, Student Pastors, and Local Pastors. Those borrowing money from the Preacher's Aid Society may have up to two years to repay the principal (though the interest should be paid yearly), but are urged to repay promptly and systematically, thus making more funds available for the Grant Fund.

We urge continued and increased support of the Preacher's Aid Society, so that we may "Be Here" for our ministerial families during their times of need.

BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

Report No. 1 — PENSIONS, ANNUITY RATES, APPORTIONMENTS

For the last five years the Conference Board of Pensions has pursued the goal of a pension rate equal to 1% of the Denominational Average Compensation as the Ministerial Pension Plan directs. Local church salaries have moved up so rapidly that we have had difficulty gaining ground. The 1994 session of Annual Conference approved the recommendation of this board to go to the 1% level for 1995. Thus for service years prior to 1982 the pension rate for 1995 is $357 per service year.

To maintain 1% of the Denominational Average Compensation and after much deliberation, the Conference Board of Pensions recommends that for the year 1996 the total annuity rate for service years prior to 1982 be three hundred sixty-eight dollars ($368) per service year as a minister or approved local pastor with pension credit; the total rate for surviving spouses be two hundred fifty-eight dollars ($258) provided that for those living in homes furnished by the Annual Conference, the pension amounts be adjusted by a reduction of $50.00 per month for ministers and $35.00 per month for surviving spouses.

We recommend that the apportionment to the local churches for the pensions and benefit program of the annual conference be $2,300,000 for 1996.

We call attention to paragraph 737.4 of the 1992 *Discipline* relative to the requirement that the apportionment for the pension and benefit programs be paid in proportion to the payment of the minister's salary by the local church. The *Discipline* gives the church treasurer the primary responsibility for the application of proportional payment. If the church treasurer fails to do this the pastor is then required to adjust his/her cash salary. Also the *Discipline* states that the pastor cannot receive a bonus or other supplementary compensation tending to defeat proportional payment. For example, if a church only pays 70% of the pension and benefits apportionments, the minister should receive only 70% of his/her cash salary as set by the Charge Conference.

In order to maximize the contribution to each minister's church pension account, we recommend that a maximum of $3,600 be set for travel and $3,600 for utilities. All other compensation to the minister shall be placed under "base salary."

Report No. 2 — DEATH BENEFIT PROGRAM

The General Board of Pension and Health Benefits has changed the Death Benefit Program (DBP) to the Basic Benefit Program (BPP). We made the change on January 1, 1995. BPP is an additional death benefit added to the regular death benefit provided by the Comprehensive Protection Plan (CPP) in which each full-time minister with a base compensation and housing equal to 60% or more of the Denominational Average Compensation participates. Formerly, this additional benefit was in a plan known as Death Benefit Plus in which we participated. The 1996 amounts are listed below.

Report No. 3
ADDENDUM A TO THE MINISTERIAL PENSION PLAN AND THE COMPREHENSIVE PROTECTION PLAN

This Addendum A is applicable to the Alabama-West Florida Conference and is effective January 1, 1996. It replaces any previously executed Addendum A and shall be in effect until amended by the Annual Conference in accordance with the provisions of the Ministerial Pension Plan and the Comprehensive Protection Plan as revised January 1, 1993.

The MPP and CPP contribution base shall be the active participant's plan compensation for a plan year not to exceed the Denominational Average Compensation (DAC). (MPP Sections 2.12, 2.17(a), 2.18; CPP Sections 2.07, 4.01(a).)

The MPP church contribution rate shall be 12% of the MPP contribution base of each active participant. The CPP contribution rate shall be 4.4% of the contribution base of each active participant. (MPP Section 4.01(a) & CPP Section 4.01 (a).)

The MPP and CPP church contribution shall be made monthly to the plans by the Annual Conference in accordance with the Plan Document. Such MPP and CPP church contributions shall be transferred monthly from the deposit account of the Alabama-West Florida Conference by the General Board of Pension and Health Benefits to each active participant's account and the Protection Benefit Fund, respectively. The Annual Conference shall maintain an amount in its deposit account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants. In the event the deposit account is overdrawn, an interest charge shall be made by the General Board of Pensions and Health Benefits. Such charge shall be made at the monthly rate of interest credited to the Diversified Fund (6½% per annum) or the current monthly rate of interest credited to the Short Term Interest Rate Account (STIRA) whichever is greater. (MPP Section 4.01(k); CPP Section 4.02(a-f)(h).)

The Alabama-West Florida Conference Board of Pensions and Homes for Claimants is hereby authorized, at its discretion, to arrange with the General Board of Pension and Health Benefits for active participation in MPP by persons who are eligible under special rules but not automatically included as Active Participants. (MPP Section 4.01(j).)

Any full or associate member appointed to a sabbatical leave may continue to participate in MPP, provided the Conference makes the required church contribution based on the participant's annualized Plan Compensation immediately prior to such leave. (Disciplinary Paragraph 446; MPP Section 4.01(j)(1).)

Any full member appointed to attend school after having served under appointment other than to attend school may continue to participate in MPP to the extent allowable under applicable Federal Law. (Disciplinary paragraph 1606.3(a)(4); MPP Section 4.01(j)(1).)

The Alabama-West Florida Annual Conference Board of Pensions and Homes for Claimants is hereby authorized, at its discretion, to arrange with The General Board of Pension and Health Benefits for active participation in CPP by persons who are eligible under special rules but not automatically included as active participants. (CPP Section 3.03.)

All full and associate members appointed to Sabbatical Leave shall continue to participate in CPP, provided the Conference makes the required contribution based on 4.4% of the DAC. (Disciplinary Paragraph 446; CPP Section 3.02(a).)

All full, associate, and probationary members granted a Leave of Absence may be continued in CPP provided the Conference makes a contribution of 4.4% of the DAC. (Disciplinary Paragraph 448, CPP Section 3.02(a).)

All full, associate, and probationary members granted family leave may continue in CPP, provided the Conference makes the required contribution based on 4.4% of the DAC. (Disciplinary Paragraph 449; CPP Section 3.02(a).)

On January 1, 1996, the ministerial pension rate shall be $368.00, and local pastor's pension rate shall be $368.00. Should the pension rate, as a percentage of the 1996 Conference Average Compensation (CAC), be below .9 of 1%, then the Annual Conference Board of Pensions and Homes for Claimants shall be authorized, after consultation with the General Board of Pension and Health Benefits, to arrange to have the Past Service Pension Rate be the minimum dollar amount which would permit a 12% MPP church contribution rate. If this occurs, the required funding amounts may be different from the amounts listed below, and the Conference would be required to make the revised annual past service deposit. (Disciplinary Paragraphs 1606.2(b), 1606.7, & 1606.21(a); MPP Supplement One, Article D.)

In accordance with MPP Supplement E.01(b), the surviving spouse benefit shall be 70% of the participant's formula benefit.

In accordance with MPP Supplement One (B.03), the unfunded liability as of January 1, 1996, has been actuarially projected to be $5,405,768. Past service funding deposits are required to fund the unfunded liability and shall be in the amount and for the period shown below:

Amount	Period of Deposit
$124,032	18 Years
$312,447	26 Years
$436,479	Total Annual Past Service Deposit Required

This annual deposit shall be made at the end of each calendar year as required by the General Board of Pension and Health Benefits. The past service deposits shall be transferred from the Alabama-West Florida Annual Conference deposit account to the past service funding account on December 31. If the annual cash flow requirement as determined by the General Board of Pension and Health Benefits exceeds the combined past service funding deposit amount, then the cash flow requirement shall become the required past service funding deposit. (MPP Supplement One, Article D.)

Report No. 4 — CLAIMANTS MEMORIAL FUND

We recommend the continuation of the Claimant's Memorial Fund, such funds being invested by this Board with the interest being used for the benefits of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the

Conference treasurer, Andalusia, with the name or names of persons being memorialized. Families of those so memorialized will be notified of such memorial gifts.

Report No. 5 — SPECIAL APPOINTMENT PENSION RESPONSIBILITY

In keeping with paragraph 1606.3a(3), 4g, 4h, of the 1992 *Discipline*, we recommend that those clergy appointed beyond the local church be approved for pension responsibility on this Annual Conference in the following full time appointments: the director of the Assembly Grounds Commission, the director of Noah's Ark, the director of the Mobile Inner City Mission, the director of Hispanic ministries, and the director of the Alabama-West Florida Conference Board of Pastoral Care, Counseling and Training, provided such appointments are made as members of this Annual Conference or under paragraph 426.1 of the 1992 *Discipline*. The district superintendents, ministers appointed to the Conference Council on Ministries and the Fiscal Office are approved with pension responsibility on the Annual Conference.

We recommend that special appointments to the United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimants Fund an amount equal to 16.4% of the DAC as determined by the General Board of Pensions and Health Benefits. (1992 *Discipline*, par. 1606.3a.)

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan by a personal payment of 4.4% of the DAC to the Conference Claimants Fund. (See Addendum A.)

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the Board of Global Ministries.

Report No. 6 — DEPOSITORIES

We recommend that the official depository for pension funds shall be the same as that designated by the Conference for other Conference funds and the General Board of Pensions and Health Benefits of The United Methodist Church.

Report No. 7 — PENSIONS FOR LAY EMPLOYEES

We strongly endorse the Cumulative Pension and Benefit Plan and the Basic Protection Plan administered by the General Board of Pensions and Health Benefits for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by the Church to provide pension and death and disability coverage for our lay people who serve our churches.

Report No. 8
FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1606.4 of the 1992 *Discipline*.

A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the Conference Board of Pensions and Homes for Claimants.

B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral

work; and whose cash support per annum from all church sources is not less than the schedule of equitable compensation adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

Report No. 9
RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS ANNUAL CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister, and thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired ordained or licensed minister, or 100% of the disability benefit payments received by a disabled ordained or licensed minister, during the year of 1995 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church or any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired ordained or licensed minister's pension or disabled ordained or licensed minister's benefits.

NOTE:

It should be noted that the above applies only to the minister and not the surviving spouse. The amount you can exclude for housing is the lesser of (1) the amount of your pension; (2) the amount it costs you to provide your housing; or (3) the fair market rental value of your home including furnishings. If you need further information concerning this, please contact the Fiscal Office.

The Conference Board of Pensions recommends that the following grants be made for 1996:

Mrs. Mollie Matthews	$150.00 per month
Mrs. Theo Rhodes	$150.00 per month

Report No. 11 — HOMES FOR CLAIMANTS

We recommend that $66,000 be apportioned for the Homes for Claimants program as has been apportioned for the past ten years.

The Board of Pensions and Homes for Claimants now owns 45 living units for retired ministers and their spouses and surviving spouses of ministers. Seven units are located in Florida and 38 are located in Alabama. There are two vacant properties presently which the Board has determined need to be sold due to age and condition. The property in Greensboro became vacant and was sold. The Board owns seven lots in Pensacola. The proceeds from the Homes portion of the Capital Funds Campaign is pledged to pay the note on the property in Pensacola as well as other homes which have been purchased. The proceeds from the sale of excess houses is also applied to the debt on property.

During 1994, repairs and improvements have been made on many of the homes. In all $45,231 was expended on insurance, maintenance, taxes and repairs. Repairs, general maintenance as well as upgrading of the houses are done as needs arise and funds are available.

Invested funds which come from the Capital Funds Campaign, gifts, interest, etc. are as follows:

$ 41,495 in a CD
$493,326 from Capital Funds Campaign deposited with Methodist Foundation (As of December 31, 1994)

GUIDELINES AND POLICIES FOR OCCUPANCY OF CLAIMANTS HOMES ALABAMA-WEST FLORIDA CONFERENCE THE UNITED METHODIST CHURCH

1. Priority for homes of the Board of Pensions and Homes for Claimants shall be for claimants of the Alabama-West Florida Conference. A claimant is to be defined as:
   A. A minister who retires with a minimum of 20 years full-time service with pension credit on the Alabama-West Florida Conference **and is receiving his/her pension.**
   B. A surviving spouse of an active minister with a minimum of ten (10) years full-time service in the Alabama-West Florida Conference. He/she must have been married to the minister during the years of qualifying service. Exceptions may be considered in the case of death prior to 10 years of service.
   C. The surviving spouse of a retired minister who was married to that minister at the time of his/her retirement.
   D. Ministers who are placed on disability may be permitted to live in a Conference home, depending upon the availability of a home and subject to the prevailing financial charge for said home.
2. Applicants who meet the above qualifications shall furnish evidence of need by completing the Financial Assessment form provided by the Board. Then the following priorities will be followed:
   A. Years of continuous full-time service with pension responsibility on the Alabama-West Florida Conference.
   B. Years of service in the Alabama-West Florida Conference under special appointment NOT under pension credit on said Conference, and as an active minister with pension credit on said Conference.
   C. Years of service as a spouse of a minister who has served a minimum of ten (10) years full-time service.
   D. Ministers placed on disability subject to 1.D above.
3. APPLICATIONS FOR CLAIMANT'S HOMES SHALL BE MADE NO LATER THAN DECEMBER 31 PRECEDING THE ANNUAL CONFERENCE OF RETIREMENT. In the event of death of an active minister prior to the date for home assignments being made, assistance shall be granted in providing temporary housing until all home assignments are made. If a home is vacant and available at the time of the death of the minister, the Board, at its discretion, may assign that home to the surviving spouse rather than providing temporary housing. Home assignments will be made by the Board at its Spring meeting from an evaluation of the total needs and the homes available. Requests for homes after the December 31 deadline will be considered on availability of homes after other home assignments have been made.

4. Claimants shall provide the following information to the Director of Homes:
   A. Name of claimant and immediate family members.
   B. Number of persons to be housed.
   C. Name(s) and address(es) of person(s) who will be responsible for the personal affairs in the event of disability or death.

   The Director of Homes will meet with the Claimant following assignment of the homes to discuss conditions of occupancy. A signed agreement between the Claimant and the Board is required prior to acceptance of the home.
5. The Board will furnish each home with a stove, heating equipment, refrigerator, and water heater.
6. NO repairs, alterations, or extensive painting can be done to any of the homes at any time except those specifically authorized by the Director of Homes. NO ONE can obligate the Board for expenditures without permission of said Board. Payments for repairs, alterations, or painting, not so authorized, will be the responsibility of the person contracting for such repairs, alterations or painting. A lien will be placed upon the pension of those who fail to assume responsibility for unauthorized repairs and alterations. MINOR MAINTENANCE AND REPAIRS UP TO $50.00 WILL BE THE RESPONSIBILITY OF THE OCCUPANT.
7. Care must be exercised by the occupant in the erection of TV antenna so that existing property is not damaged.
8. **No claimant who serves a church, under appointment, which has a liveable parsonage, will be provided a claimant's home unless said church pays to the AWFC Board of Pensions and Homes for Claimants a monthly amount deemed by the Claimants Homes Committee to be equitable rent for said claimants home as long as the claimant serves that church under appointment.**
9. When a claimant vacates a home, he/she should release the home in writing to the Director of Homes, and remove all personal belongings by the end of the month in which the home is vacated.
10. Upon the death of a claimant, the heirs or responsible person(s) shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond 30 days will be disposed of by the Board.
11. When a home is not utilized by a claimant, it may be rented. However, when there is a claim for a rented house by a claimant, a minimum of 30 days notice will be given for the home to be vacated at which time the occupant must release the home. Homes are for the express use of claimants of the Alabama-West Florida Conference.
12. Claimants occupying a home for claimants will have their pension adjusted by a reduction of six hundred ($600.00) dollars annually or fifty ($50.00) dollars per month for MINISTERS; four hundred ($400.00) dollars annually or thirty-five ($35.00) dollars per month for SURVIVING SPOUSES.
13. Information and questions concerning the homes and related matters should be directed to: Rev. Gerald H. Maddox, Director of Homes, P.O. Box 700, Andalusia, AL 36420.

Report No. 12 — HEALTH INSURANCE

The partial self-funded health insurance plan has been in operation since February 1991. January 1, 1994, Blue Cross Blue Shield of Alabama became our third party administrator (TPA). There have been some difficulties in the change over but mostly it has run smoothly. The claims experience in 1994 was not as favorable as in previous years for two primary reasons: the previous drug card company had failed to bill us for MedSupp drugs until 1994 ($104,659) and we had $366,721 in run-out claims from the previous TPA. However, the Insurance Trust Fund is still solvent. As of December 31, 1994 the United Methodist Foundation Insurance Trust Fund had a balance of $1,033,610, a decrease of $110,249 from 1993. Claims totaled $1,963,855 in 1994 including the run-out claims.

Local churches may cover their lay employees who work 30 or more hours a week. Lay employee premiums are $190 for single coverage and $390 for family coverage. For information on offering your lay employees this coverage contact Mrs. Pat Rathel in the Conference Insurance office.

The Board of Pensions and Homes for Claimants recommends that the appropriation for Health Insurance for 1996 be $1,450,000.00. In 1994, 95% of the health insurance apportionment was paid.

COUNCIL ON FINANCE AND ADMINISTRATION

Report No. 1 — ORGANIZATIONAL STRUCTURE

We recommend that:

1. The Fiscal Office tabulate church by church, fund by fund, the information given on the remittance blanks for the conference depository.

2. The First Alabama Bank of Covington County be designated to serve as the conference depository to receive funds and keep specified records.

3. The Fiscal Office prepare reports as required by the Council on Finance and Administration (CFA) and mail copies to persons who may need such reports.

4. The Fiscal Office disburse all checks pertaining to every fund and keep the proper files of the copies of the check orders from the secretaries authorizing the issue of such checks. We further recommend that the copies of the checks issued be filed after having been charged against the account upon which they have been drawn. It shall be the duty of the fiscal officer to keep the records, make the reports, and handle all financial transactions of all the conference agencies.

5. ALL DISTRICT AND CONFERENCE FUNDS be channeled through The First Alabama Bank of Covington County, and records be kept by the Fiscal Office of the conference.

6. The duties of the fiscal officer be combined with those of the Conference Benefits Officer and executive secretary of the Conference Board of Pensions, and other responsibilities assigned by the Council on Finance and Administration.

7. Beginning with the 1992 quadrennium we recommend that the office of the statistician be combined with the Fiscal Office and that the Fiscal Office provide all functions now provided by the statistician.

Report No. 2 — RULES OF PROCEDURE

1. The Council on Finance and Administration (CFA) shall meet prior to Annual Conference and during the conference session as needed. A spring and fall meeting of CFA shall be held. Other meetings shall be on call of the president of the Council.

2. All persons interested in presenting a request to CFA are invited to do so or to attend any of the Council meetings. All Council meetings shall be open to all interested persons, except when by majority vote the Council elects to meet in executive session.

3. Each agency, whose records are not kept by the Fiscal Office, is required to bond its treasurer, which may be done through CFA at no cost to the agency. Such agency shall provide a copy of its audit and other reports to CFA as deemed necessary by CFA. (Par. 714.2; 715.2, 1992 *Discipline*). Reports to CFA shall be in such detail and provided at such times as the Council may direct.

4. CFA may withhold conference funds from any agency or board which fails or refuses to present proper bonds or audits. Such withholding shall continue until proper requests are met.

5. An audit of the complete financial status of the Annual Conference shall be published in the Conference *Journal*.

6. All boards and agencies are required to cooperate with the conference treasurer in the development of detailed financial reports of the income, expenditures and remaining balances, with these reports to be published in the Conference *Journal*.

7. The Conference Council on Ministries and all boards and agencies receiving funds from conference benevolences with budget amounts approved by the Annual Conference shall be allowed to draw funds or make expenditures on a monthly basis as needed. Funds available monthly will be equivalent of 91.66% (11/12s) of the allocation to the agency prorated on the basis of benevolence receipts of the prior year. Receipts for the first eleven months of the fiscal year will apply to the allocation with no check order honored in December of each year until solvency is determined by the Fiscal Office. Any expenditure more than the current balance in that account shall be cleared with the chairperson of CFA and the executive director of the CCOM.

8. All expenditures from the Interest on Investments Account shall be approved by a majority vote of CFA. All expenditures from the Contingency from Benevolences Account

shall be approved by a majority vote of the Executive Committee of the Conference Council on Ministries.

9. Before a financial appeal of any type is conducted by any institution, board, agency, commission, church or individual, complete plans must be presented to the Councils on Finance and Administration of each conference within the two Areas for an area appeal affecting both Areas, or to the Council for a Conference-wide appeal. (Par. 710.2, 1992 *Discipline*.)

10. The adoption of reports and recommendations of CFA by the Annual Conference shall become the final action of the Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of CFA and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, CFA shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or checking accounts, and no such deposits shall be made by any agency without approval by CFA.

12. A Committee on Investments and Audits within CFA will be responsible for reviewing, approving, and supervising all banking relationships of CFA with special attention given to investments including conference agencies. This committee will also have responsibility for reviewing audits of all church agencies receiving funds from the Annual Conference. (Note rule 3 & 4 above.)

13. We recommend that Tuesday, June 6, 1995, be set as the official moving date for this Conference year. All June salary shall be paid to the incoming minister. No minister shall receive salary from the church from which he/she is moving.

Report No. 3 — DISTRICT SUPERINTENDENTS

We recommend that:

1. The salary of the district superintendents be set at $64,413 for 1996 with travel expense paid on voucher from a travel pool not to exceed $57,000. The rate per mile shall be adjusted by the executive committee of CFA as needed within the above limit.

2. District superintendents receive no supplementary travel funds from district administration or district work funds.

3. Each district shall place funds in its budget for district parsonage utilities, up to a total of $3,600.00 for each calendar/budget year. Utilities to be included are water, electricity, gas, sewage, basic TV cable, and basic telephone.

4. Each district place in its district administration or district work fund an amount not to exceed $750.00 for continuing education.

5. Since 1989, the base salary of the district superintendents for the ensuing year has been the average of the highest base pastor's salary in each of the nine districts. We recommend the continuation of this formula.

Report No. 4 — *JOURNAL* EDITOR

It is recommended that:

1. All boards, commissions, committees and other agencies submitting reports to be included in the Brochure of Reports must have the reports in the hands of the editor no later than the fourth Monday in March.

2. The Journal Editor shall have authority to edit reports but not to change the meaning of any part of any report.

3. Standing Rule 18.(c) be followed in distributing the Brochure of Reports. It shall be the responsibility of the district superintendents to supply the names and addresses of lay members no later than April 1. Additional copies shall be made available to the conference registrar.

4. All memoirs (including photographs) be in the hands of the editor by the closing of the last business session of the annual conference. Responsibility for this material shall reside with the Commission on Archives and History.

5. All materials to be included in the *Journal* (other than those in 4 above) must be in the hands of the editor not later than thirty (30) days after the close of the Annual Conference.

6. The Annual Conference *Journal* shall be distributed according to Standing Rule 18.a. An order for the *Journal* will be provided prior to Annual Conference with the final day to order a *Journal* to be the last day of the Conference session.

Report No. 5 — POLICIES AND GUIDELINES ANNUAL CONFERENCE REGISTRAR

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocation of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.

2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

3. Space and/or rooms to be used for displays shall be assigned by the registrar and no other. Space shall be assigned on a first come basis.

4. Use of dining halls, rooms or areas shall be determined by the registrar. Fees for dining rooms shall be paid by the group using such rooms.

5. No materials will be allowed on the registration table other than those necessary for registration. Other arrangements should be made to distribute materials through the registrar.

6. Commercial displays will be allowed only in a room assigned and publicized for this purpose with the exception of Cokesbury which will continue to have a room assigned only to it.

7. Special needs, such as hymnals, altar furnishings, projectors, etc. shall be arranged through the registrar at least two weeks before conference. Needs arising during conference which could not be anticipated will also be arranged through the registrar and not through the Huntingdon College.

Report No. 6 — SPECIAL FUNDS AND COLLECTIONS

We make the following recommendations for those causes for which no funds are allocated:

1. That our conference continue to give its hearty support to Advance Specials at both General and Conference levels.

2. That the White Christmas and fifth Sunday church school offerings for the Children's Home be given full support throughout the Conference.

3. That each local church observe World Communion Sunday, Human Relations Day, One Great Hour of Sharing, United Methodist Student Day, Peace with Justice Sunday, Native American Awareness Sunday, Golden Cross Sunday and that special offerings be received or budgeted for these special days.

4. That support for the Homes for the Aging be given through a special offering during the month of February each year and support for Golden Cross Ministries be given through a special offering on Mother's Day. We further recommend that these be given promotion by the Committee on Health and Welfare Ministries of the Board of Missions.

5. That the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.

6. That the conference give full support to the Youth Service Fund.

7. That permission be given to the United Methodist Women to continue their efforts to secure funds for Blue Lake.

8. That the Jurisdiction Missional Growth Fund continue to receive the support of our conference.

9. That permission be granted Huntingdon College to continue to solicit funds in its major funds campaign provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

10. That the Assembly Ground Commission be granted permission to solicit funds through its Blue Lake Partner program provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

11. That permission be granted the Mobile Inner City Mission to establish "The Mobile Inner City Endowment Fund" to receive donations, gifts, subscriptions, and bequests provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

12. That the second Sunday in September be designated as "Camping Sunday" for Blue Lake Camp and an offering received be designated for debt retirement of the Camp. Special recognition shall be given volunteers in the camping program of Blue Lake.

13. That the United Methodist Men be given permission to promote funding of their Kingdom Builders Project with the understanding that there would be no goals nor quotas placed upon local churches.

14. That permission be granted the Commission on New Congregational Development to conduct a fund raising effort to support new church development, such funds to be placed in an endowment. There will be no goals nor quotas placed upon local churches.

Report No. 8 — STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS

1. CFA believes that all apportionments are needed in the amounts apportioned. Further, CFA believes that it is within the capacity of the churches to pay the apportionments in full. Effort has been made to hold apportionments for which CFA has responsibility to minimum increases, and if possible, level funding. The 1996 Conference budget reflects an increase of 3.36% over 1995.

2. We recommend that in setting apportionments for new churches, the following be the policy:

1st full year	no apportionments
2nd year	50% apportioned
3rd year	75% apportioned
4th year & following	100% apportioned

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and CFA may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in par. 270.4.c of the 1992 *Discipline*. It is our suggestion that audits of local church financial records should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

Report No. 9 — DISCIPLINARY REQUIREMENT

Paragraph 715.1 gives CFA responsibility for the fidelity bonding of the conference treasurer. CFA recommends that the present policy of bonding be continued through the

General Council on Finance and Administration. Paragraph 715.2 of the 1992 *Discipline* gives CFA the responsibility of requiring all agencies and boards for which the conference treasurer does not serve as treasurer to have fidelity bonding of their treasurers in such amounts as it deems adequate.

Report No. 10 — FORMULA AND ALLOCATIONS

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% financial strength (see Standing Rule 27), and that apportionments be determined by local church decimals applied to the amount of each budget item at the Conference level.

2. We recommend that the financial strength of a local church in calculating the decimal formula be based upon membership and all local expenditures. (lines 64-72 of the local church report to the Annual Conference). This eliminates all apportionments and special giving from the formula.

3. It is recommended that the spring meeting of the Council on Finance and Administration be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocations of funds for their program in jeopardy when they fail to comply with requested information required by the Council on Ministries.

4. We recommend that beginning with the 1995 local church report to the Annual Conference in January 1996, the pastor and chairperson of the Committee on Finance sign the report as being correct. The Fiscal Office will enter the data in the computer, print a copy and send to the pastor to check with a timeline for corrections. When the 1997 apportionments are run in July 1996, there will be **only one set of apportionments which will be the final set. There will not be** a **"Trial Set" of apportionments as in previous years.**

Report No. 11 — MINISTERS MOVING EXPENSE

We recommend that upon retirement, disability or death of a minister, the conference pay up to $1,200.00 for documented moving expense to the first place of retirement or disability. Likewise, the conference shall assist the surviving spouse of a minister to the first place of dwelling following death of the minister.

Report No. 12 — ZERO BASED BUDGETING

The following proposal for zero based budgeting is presented by the Council (the original proposal was adopted by the Conference on June 1, 1988):

1. All program area budgets of Annual Conference boards and agencies will begin the year with a zero balance.

2. The annual budgets for boards and agencies shall be prepared on a "zero-base." It is intended that all programs, projects and functions, old and new, be analyzed and re-evaluated on a year-to-year basis; that groups requesting budgeted funds be required to justify those requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied.

3. At the end of the fiscal year, the unused balances for each board and agency shall be transferred to a reserve account, which shall be designated as the "Conference Program Reserve Account."

4. The Conference Program Reserve Account shall consist of:
   a. unused balances of boards and agencies
   b. funds which may be budgeted for the reserve account
   c. funds received from terminated activities which remain unused for those activities when transferred by the Council on Ministries
   d. interest earned from sources as may be provided by the Council on Finance and Administration
   e. Funds from other sources that may be deposited by any board or agency or group within the Conference

5. During the first quarter of the fiscal year, in order to provide funding for programs anticipated during the quarter, boards and agencies will have available to them out of the Council Program Reserve account, 25% of their prior year's receipts on their agency's apportionment. All expenditures above this percentage will also be drawn from the CPR account, when necessary, but only upon approval of the CCOM director and the Conference treasurer, with all such expenditures being charged to the board or agency's allocation for the year.

6. Additional use of Conference Program Reserve funds by program boards and agencies or for other program purposes of the Conference Council on Ministries shall be approved by a majority vote of the executive committee of the Conference Council on Ministries upon the recommendation of the Conference Council Director.

Report No. 13 — MOVING EXPENSE GUIDELINES, LOCAL CHURCHES

The following guidelines for the moving expenses of ministers first appears in the 1984 Journal, page 330. It is printed here for the information of pastors and churches:

1. Before moving to a new appointment, an incoming pastor should communicate with the PPRC chairperson to ascertain the church's policy on paying moving expenses and to discuss moving plans.
2. If the incoming pastor plans to use a commercial mover, two estimates should be secured from the movers.
3. The receiving church is responsible for the moving expenses of an incoming pastor up to a maximum of 7,500 pounds.
4. The cost of packing by the movers, if done, is not the responsibility of the receiving church.

Report No. 14 — COSTS OF THE ANNUAL CONFERENCE

By action of the Annual Conference in 1991, in response to the motion presented at the 1990 session of the Annual Conference, CFA makes the following recommendations:

1. In order to have a more accurate account for meals served, the Conference will provide meal tickets for all Conference members, guests and other official visitors.

2. A charge of $15.00 per person will be made for all who use Conference provided housing on the Campus. (Standing Rule 8) CFA will be responsible for studying and investigating possible locations for future sessions of the Annual Conference.

3. The 1995 Brochure of Reports will contain an order blank requiring orders to be placed for the 1995 Conference Journal at $15.00 including cost of mailing. Those desiring loose leaf copies with a binder will be charged $18.00. Those desiring only loose leaf copies without the binder will be charged $15.00. Order forms will be available in other places as well. (Standing Rule 18.a)

4. Retired ministers and surviving spouses of ministers may receive one copy of the Conference Journal free of charge provided it is ordered using the order blank.

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry for the Alabama-West Florida Conference is made up of diaconal and ordained ministers as well as representative laity. The Board is responsible for recruitment, interviewing, supporting and enabling all diaconal ministers within our conference and for overseeing the certification and re-certification process for persons certified in Christian Education, Music, Youth Ministry and Evangelism. The Board also provides mentors for each official diaconal candidate to help them throughout the candidacy process. In addition, the board prepares and communicates the guidelines for continuing education credits which are required of all Diaconal Ministers.

Some of the major goals this Board is currently undertaking include: (1) developing and distributing a guidebook for Staff-Parish Relations Committees and other supervising bodies as they give guidance, direction, support and evaluation for the diaconal minister(s) they employ; (2) providing up-to-date input to the Council of Bishops (through Bishop Morris) regarding our thoughts and reactions to ideas and concepts being considered by the committee to study forms of ministry for the UMC; (3) continuing to strengthen and enrich the concept

of "team ministry" with ordained persons through informal gatherings and joint educational events.

In January 1995, the Board of Diaconal Ministry joined with the Board of Ordained Ministry to sponsor a multiple-staff seminar at Blue Lake with our own Bishop Morris as the leader. It was very well attended (approximately 33 churches were represented) and the evaluations showed much was gained by those who were present. Plans are already underway to hold a similar event in the winter of 1997. This is a prime example of what can happen when the two boards of ministry work together.

The Board of Diaconal Ministry welcomes suggestions and ideas on how to better accomplish our goals. It is a pleasure to serve the Alabama-West Florida Conference through the effective work of consecrated and certified individuals.

Steve Lee, Chairperson

BOARD OF ORDAINED MINISTRY

Report No. 1

The Board of Ordained Ministry is organized with three principle sections — Membership and Ordination, whose responsibility it is to shepherd those in the process of preparation for ordination, including seminary students; Local Pastors, whose responsibility is the supervision and accountability for part-time and full-time local pastors; and Conference Relations, who are responsible for the care and supervision of full members of the conference as their relationship to the conference changes, i.e., retirement, leave of absence, etc.

For the past several years, the Alabama-West Florida Conference has seen more ministers retire than enter Conference membership. Therefore, the Board has been actively engaged in identifying persons God is calling into the ordained ministry. The Board gave active leadership in two events this year: November 11-13, 1994, EXPLORATION '94 was held in Richmond, Virginia. This denomination-wide conference on the call to the ministry was attended by over 800 youth and young adults, including a large number from Alabama-West Florida. January 27-28, 1995, Reverend Neil Epler of the Board led the CONVOCATION ON CALL TO MINISTRY at Blue Lake, an event for persons from within this Conference. Dean Kevin LaGree of Candler School of Theology was the keynote speaker.

A corollary concern to recruitment is funding and training of those who are recruited. The Ministerial Education Fund is the apportionment used to provide scholarships for seminary students as well as to local pastors involved in the Course of Study School. This apportionment, an investment in effective ministerial leadership, is being paid better in recent years, but we still could provide twenty-five percent more scholastic help for our students if the fund were paid in full. The average student graduates from seminary with an indebtedness for school work greater than his or her beginning salary.

The Board of Ordained Ministry sought last year to change the tone of the Clergy Session on Sunday night of Annual Conference from a business meeting to a worship experience. This year, under the direction of Vice Chairperson Jim Carpenter, the Board has prepared a service that seeks to underscore our covenant together, acknowledging our diverse settings, but emphasizing the work of Jesus Christ we each are called to do in our own appointment. The Board of Ordained Ministry sees firsthand the damage done to clergy and their families by the stresses and strains of our work. It is our intent to build a strong level of trust, not only in Almighty God, but in one another, and to remind ourselves once again of our commonality as brothers and sisters, rather than focusing on our differences and divisions.

Herb Sadler, Chairperson

Report No. 2 — MINISTERIAL EDUCATION FUND

The Ministerial Education Fund, as supported by our apportionments, is an expression of faith in the future of the Church. The future, indeed, beckons with brightness as we see more and more outstanding young men and women accepting the call of God and seeking to prepare themselves thoroughly for Christian ministry through our United Methodist and other approved seminaries. The Ministerial Education Fund assists each student in an approved seminary with a scholarship of $1,000.00 in the fall and $1,000.00 in the spring to assist them in their educational expenses.

At the present time we have sixteen (16) seminarians at the Asbury School of Theology, thirteen (13) at Candler School of Theology, two (2) at Duke University, one (1) at Gammon School of Theology, and two (2) at the Memphis Theological Seminary, giving us a total of thirty-four (34) candidates for ordained ministry.

It has been said that the wisest person is the one who can look the furthest ahead. We look into the future with great joy as we anticipate the work of God through these splendid young people.

James T. Ross, Chairperson

SOUTHEASTERN JURISDICTIONAL ADMINISTRATIVE COUNCIL

The SEJ Administrative Council (SEJAC) is grateful for increased conference support again, envisions a more faithful covenant connection for the 21st century and commits to helping annual conferences and congregations call, equip, and send persons into the world as servant disciples of Jesus Christ. Composed of our 13 Bishops, 16 Council Directors, three elected persons from each conference, and designated leaders of jurisdictional units, SEJAC is commissioned by the SEJ Conference to...Study the changing missional needs of the jurisdiction...Give direction to jurisdictional programs and agencies...Provide oversight and care for Lake Junaluska Assembly and the Atkins House...Help make effective the work within the jurisdiction of boards and agencies of the United Methodist Church.

Study Changing Missional Needs

Intentional listening to church members, pastors, diaconal ministers, conference leaders, and program participants along with information from denomination studies data has disclosed concern for

- Focusing efforts on Evangelism and Spiritual Growth
- Understanding our Biblical and Wesleyan Heritage
- Creating a more intentional ministry with and to marginalized persons
- Learning to discern and articulate shared motivational visions for the church in all places
- Increasing skills for leadership in Christian community
- Discovering ways to restructure for authentic and effective mission

Seeking to respond to these needs, the Council is reviewing its purpose within the mission of Christ's Church, checking alignment of policies and programs, pursuing more effective communication systems, and insuring that resources are used to nurture and enable disciples and vital congregations.

Give Direction to Jurisdictional Programs and Agencies

PROGRAM DIVISION: During 1994, 11,269 persons registered for learning and nurturing events: 4,975 youth, 155 pastors of small and midsize churches, 834 in Bible study and prayer activities, and 835 in outreach events, along with lay leaders, urban workers, recreation leaders, pastors of larger churches, district superintendents, and others. 16,000 persons participated in the traveling Lay Ministry Center.

Working with the General Commission on Religion & Race, SEJAC was intentional in planning for broader inclusivity in both program leadership and participation as well as among employed persons.

In leader development, a pilot project in Covey Leadership (7 Habits...) training has led to three workshops planned for 1995, along with sessions in "Transformational Leadership in the Church," "Supervisory Leadership for a Missional Church (DS)," and "Transformational Consulting by Conference Staff..." Conferences, districts, and local churches will be offered on site help from a team of consultants in Health Ministries, Congregational Development, Leadership Behavior, and Continuous Improvement. Staff at all levels of SEJAC and the Assembly have participated in Covey, Quality, and Team training.

AGENCY DIVISION: The ministry of the eight SEJ agencies spans 73 years, profoundly touching multitudes in Christ's name. Missional Fund giving through the Annual Conferences totaled $353,950 in support of these agencies which provided far reaching, inclusive ministries such as the listed examples as follows:

Archives and History: The Heritage Center Museum welcomed over 900 guests, plus 17 confirmation classes and 52 research visits. Direct consultation was provided to six annual

conferences and all were contacted during 1995. Aided by the SEJ Historical Society, $200,000 Endowment Fund goal was passed.

Gulfside Assembly, a center known for spiritual renewal and justice ministries, welcomed 5,257 persons to nurture, education, and leader development programs in 1994. New thrusts included hosting training to combat substance abuse and providing students with mission tours of UM black colleges & institutions.

Hinton Rural Life Center, a resource and training center for small membership churches and rural ministry, welcomed 800 youth and adult volunteers, sent staff into 14 annual conferences and trained almost 2,000 lay and clergy leaders in planning, evangelism, cooperative ministry and other topics.

The Intentional Growth Center (IGC) ministered through research and 50 programs which included... 900 adults in Bible study and renewal ... 16 pastors meeting 12 days over 13 months to improve preaching skills ... 30 diaconal ministers meeting for spiritual growth ... 40 church secretaries enhancing their skills.

The Protestant Hour, celebrating 50 years of uninterrupted broadcasting in 1995, provides ecumenical religious programming through 250 stations in the USA, Canada, West Indies, and Africa. The program reaches a potential audience of nearly 2,250,000 listeners each week.

SEJANAM, the SEJ Agency for Native American Ministries, provided consultation, training and other support to annual conferences, helped host 600 attendees at the National Native America Family Camp, and assisted in forming two new congregations and two study-fellowship groups in four episcopal areas.

SEMAR, INC. aids annual conferences through training, education, and consultation with regard to issues of accessibility, development of direct services, and finding funding sources. Conference facilities valued at $7.5 million exist with annual budgets of over $750,000, while eight new group homes are being planned.

United Methodist Volunteers in Mission (UMVIM), reports that 9,250 persons served on 278 teams in 29 countries, including the U.S. and contributed $3,832,000 toward disaster relief, construction, medical services, and other needs. New work included that in Russia, Estonia, Cuba, India, and Rwanda.

Give Oversight to Lake Junaluska Assembly and Atkins House

Continuing its historic mission to provide a place for spiritual renewal and learning how the Church can fulfill its mission to spread the Good News throughout the world, Lake Junaluska Assembly hosted 78,000 persons in 919 groups ranging in size from small retreats to annual conference sessions. 36,468 persons spent 140,953 guest nights in Assembly facilities and availed themselves of a wide range of facilities and services. Renovation of Jones Cafeteria was complemented by a comparable menu to Lambuth and Terrace as food service personnel sought to meet needs more effectively. Improvements were made at Atkins House where facilities are provided for IGC and housing is available for retired and visiting missionaries. Since May, a majority of Assembly personnel participated in ten weekly awareness sessions and other continual improvement activities.

Other advances in Assembly property and facilities include: Beautification of the grounds was extended by staff and numerous volunteers. The project to pave more than 20 miles of roads proceeded ahead of schedule. Improvement continued on the second nine holes of the golf course and the tennis courts. Municipal services were provided to 645 property owners who share proportionate costs. Painting of Shackford Hall, 30 apartments, and other facilities was completed as SEJ Laity volunteers assisted staff workers. A new cross at Missionary Point, Asbury Trail lighting and many other improvements resulted from gifts through the Junaluska Associates and volunteer services of The Junaluskans and others.

In 1995, a new swimming pool will be constructed, Lambuth Inn painted and repaired, the dam checked to insure safety, renovation of the Kern Youth Building begun, and new equipment installed in the Lambuth dining room, as missional fund expenditures further enhance the Assembly's effectiveness.

Coordinate and Make Effective ... Agencies of The UMC

SEJAC maintained communication with and joined in programming and resourcing with various general agencies and hosted gatherings such as those of the Council of Bishops, the Commission on Religion & Race, the National Association of Annual Conference Lay Leaders, the GCOM Connectional Issues Task Force, and the annual training of new District Superintendents and Council Directors.

Support and Executive Services

The Public Relations, Marketing, and Development Department communicated our common vision and ministry through THE SEJ UNITED METHODIST sent to 13,000 church leaders, promoted the use of facilities and services, and sought long-range support for this ministry. 1995 should bring the development of an expanded data base of information and a marketing manager for added service.

Again this year, the Business Department provided treasurer functions for both the Southeastern Jurisdictional Conference and SEJAC, administered a $6,000,000 budget for the Assembly and other SEJAC units, coordinated services to 645 property owners, provided personnel support to 120 year-round full or part-time and over 200 summer employees and maintained an extensive data processing network.

During 1994, the Executive Director was within all 16 conferences and consulted with appropriate leaders. For the opportunity to share this ministry with over 3,000,000 United Methodists in the SEJ and beyond we are grateful and, with you, look forward to greater days of faithful discipleship and service.

Gordon C. Goodgame, Executive Director

ALABAMA-WEST FLORIDA UNITED METHODIST DEVELOPMENT FUND

The Alabama-West Florida United Methodist Development Fund continues to meet a special need in our Conference for low-cost first-mortgage loans. In 1994 the Development Fund approved loans to five churches for a total of $283,100.00 for various building projects. These loans were made possible through the support of local churches and individuals who have placed deposits with us. As of the end of 1994, total assets in the Development Fund amounted to $3,201,901.00.

We appreciate the leadership and commitment of our Board of Directors as they work to continually meet the needs of our depositors and churches. At the December 7, 1994, Board of Directors meeting, rates were established for the first quarter at 5.0% for one demand deposits. First mortgage loan rates were set at 8.5% with no points or closing costs. We encourage all to utilize these resources and share in the growth of the United Methodist Church.

ALABAMA-WEST FLORIDA UNITED METHODIST FOUNDATION, INC.

This year's report is about growth, growth in numbers but more importantly growth in results. We have seen so many good things happen in the last year as a result of financial planning and giving in our local churches. Trusts managed at the Foundation provided scholarships for 18 students last year for a total of $15,177.00. Other examples include funding for a daycare center, funding for new properties and buildings and partial funding for an

Alzheimer's wing at one of our Homes for the Aging. Total disbursements to our United Methodist beneficiaries equaled $857,000 in 1994 and embraced many more examples of ministries funded as a result of financial planning.

The Foundation provides a financial ministry to the United Methodist Church by helping to establish local church endowment programs; by offering trust services for permanent gifts and providing investment management services for church funds. With $1,424,399.82 in new trust funds that have come in so far in 1995, we are now providing management services for United Methodist funds in excess of $19 million and these funds represent churches throughout the Conference from our smallest to the largest membership churches. We thank all who utilize our services and make it possible to continue to plant the seeds of long-term financial planning that will support future ministry.

We are pleased to report that Kent Hall from First United Methodist Church, Panama City, is the new President of our Board of Directors. We also thank our outgoing President David Crawford for his dedication and years of service to the Foundation. Our distinguished Board of Directors has shown tremendous commitment to this ministry, and we appreciate each one of them. The Board of Directors unanimously endorses and recommends to the Annual Conference the following laity for election on the Foundation's Board of Directors: C. Ray Carpenter (Mobile), Laureen Lynn (Mobile), Jim Hall (Dothan), Frank Martin, Jr. (Dothan), Bob Kline (Montgomery), Harold Faulkner (Montgomery) and Jeff Sessions (Mobile).

ALABAMA-WEST FLORIDA METHODIST FEDERAL CREDIT UNION

Your Board of Directors is pleased to report that the Alabama-West Florida Methodist Credit Union is the envy of most Credit Unions across the state of Alabama. Here are some of the reasons:

1. Eighty-one percent of our Assets were loaned out as of January, 1995.
2. Capital Ratio has grown from 7.71 percent to 9.69 percent in 1994.
3. We are one of the very few credit unions who still provide FREE Life Insurance on Share Deposits up to $3,000.00.
4. We are the only credit union we are aware of still giving FREE Credit Life Insurance on loans up to $20,000.00.
5. We have a dedicated Board of Directors with a 91.7 percent attendance at Board Meetings for the year 1994.

The Board of Directors is made up of nine members who serve staggered terms of three years each. They are elected (three each year) at the Annual Membership meeting that is held in January or February each year at a pre-announced place within the Conference. Present Board members are: Clifford Abbott, Billy Joe Bass, Zedoc Baxter, Lamar Brown, Bill Calhoun, Walter Ellisor, Wilbur Majors, Oliver Scott, and Edwin Sells.

Membership in the Credit Union is open to all ministers and members of their families (spouses, children, grandchildren, etc.), employees of any local church in the Conference and their families, and to employees of institutions owned or sponsored by the Conference. To become a member of the credit union you must complete a membership care and pay a minimum of Twenty-six dollars (a one dollar membership fee and a minimum deposit of twenty-five dollars).

We have been paying dividends semi-annually June 30 and December 31, but beginning in 1995 we will pay dividends quarterly.

During the year 1994 we made a total of 116 loans for a total of $933,694.05. Since organization in 1967 we have made a total of 1,679 loans for a grand total of $7,628,421.96.

At the beginning of 1995 we had $1,782,486.09 in shares on deposit, with total assets of $1,952,182.66.

During the year 1994 we paid $61,455.15 in dividends to our members. As a member of the credit union YOU are part owner. When you do business with your credit union, you profit. There is no safer place to save than with your credit union as we are backed by the strongest deposit insurance (NCUA) up to $100,000.00.

There is also no better place to get a loan than with your credit union. We make loans on Cars, Trucks, Recreation Vehicles, Boats, Computers, Lawn Mowers, Tractors, Real Estate, etc. If you have a need for a loan of any kind, we can probably help you, and at a saving to you. If you would like to do business with the credit union, or you need further

information, please direct your inquiries to: John Carmichael, Rt. 2, Box 171-B, Brantley, AL 36009, Phone 334-335-3823 or to: Billy Joe Bass, P.O. Box 88, Georgiana, AL 36033, Phone 334-376-2415.

COMMITTEE ON EPISCOPACY

The Committee on Episcopacy has experienced a good year working with our Bishop.

Bishop Morris has been involved in numerous Conference programs this year. Among them are the Bishop's Convocation on Preaching, God's Call To Ministry, Multi-Staff Seminar, District Revivals and many other Conference activities.

Bishop Morris continues to be sought after as a platform speaker on the General Church level. His leadership abilities and skills are being sought throughout the church. We are grateful that our Bishop is able to provide leadership for innovative and challenging programs both within and without our Conference.

The Bishop's renewal and study leave proved to be a valuable asset. His involvement in teaching Schools of Mission, self-study and a special study in Mexico was part of his leave experience.

Bishop Morris has requested that each church and pastor become more involved in goal setting and planning. Goals that are specific, achievable and measurable. This fits into our Vision 2000 program and insures the future of our Conference.

At the Spring meeting the Committee conducted an evaluation of our Bishop, including his office responsibilities, family life, his involvement in Conference programs, relational skills with laity and clergy. As a part of the evaluation the Committee enthusiastically recommends the return of Bishop Morris to the Alabama-West Florida Conference for the 1996-2000 quadrennium.

We continue to be grateful to our Bishop's spouse, Mary. Her vision, involvement, enthusiasm and inspiration are always a welcome part of any meeting. Thank you, Mary, for your part in the work of our Conference.

We thank Bishop Morris and Mary for the leadership they are giving and we continue to lift them in prayer as they lead us.

J. Lamar Brown, Chairperson

COURTESIES AND INTRODUCTIONS

The 1995 Annual Conference Session of the Alabama-West Florida Conference can best be characterized by the **purpose** which has called us together, and the **people** who have participated in the events of these four days in May. The purpose was to clarify the vision for our ministry (Vision 2000). There were the Bishops who by their presence and messages helped us see more clearly our calling as we move toward the 21st Century just ahead. There were the native sons, McDavid and Duffey. There was Sanders, Newman, and Blackburn. There was William Wesley Morris challenging the ordinands and all of us to sing with meaning, "Here I Am Lord" as we celebrated in Montgomery's impressive Cathedral Church.

— There was William Mallard, Bible Study leader, helping us understand God's "Yes" and transforming our unruly group into a small discussion group, and keeping in check as best he could his unexpected enthusiasm.

— There was Wanda Bigham's warm welcome and the hospitality of the staff of this historic college. A special thanks to Jay Dorman, Sue Ofe and Terry Haines on the friendly and helpful staff of the college.

— There was Don Brill's "If I Had Time" speech helping us celebrate victories achieved.

— There was Evelyn Laycock and her "Little Basket" challenge to the laity.

— There was Frederick Outlaw's message of commemoration of our friends now in the church triumphant. There was his and Curtis Henderson's election to General Conference.

— There were the overhead projections from Lynn Hamric that reminded us of our purpose like the one which read:

Mission is next door, across the street, uptown, downtown, and down on the farm, from Andalusia to Zaire.

— There were the 185 local pastors being recognized, serving 334 churches and the 11 retirees with their 387 years of service, and the eight new elders and 15 new deacons with their bright eyes filled with excitement. There were the 54 tellers who came to conference that we kept in crowded rooms counting votes. A special thanks to all the tellers and the teller captains: Steve Winton and Jim Reece, Mary Blackson and Rod Manning.

— There were 1,040 delegates to this the 167th Session of our conference. So different, yet unified in commitments to Christ and the Methodist way. There was, for example, Andrew Turnipseed attending and voting on every ballot for his 62nd year, having joined the conference in 1933. There was Joe Bullington, Sr. attending his 60th consecutive annual conference. There was Sarah Cook attending her first annual conference session as a 14 year old youth delegate. There was Ruby Neil Goodman Robertson attending conference once again as the Boylston lay delegate, as she has since she was 22 years old — as did her father before her.

— There was Mrs. Sam Hughes coming to conference once again, but this time in a wheelchair.

— There was Jeff Sessions covering his daily responsibilities as delegate from the Ashland Place United Methodist Church in Mobile, and Attorney General of the State of Alabama.

— There were many who came to voice their thanksgiving for Christ's healing ministry — Fred Fuller, Lamar Brown, and Don Dean on behalf of he and Carol.

— There was Amanda Burton celebrating her 87 years of life and an equal number of years of service in the work of Christ's Church, and this year recognized as the recipient of the Alice Lee Award. And, there was Alice Lee.

For all that has been — thanks.
For all that shall be — yes!

BOARD OF CHURCH AND SOCIETY

(This report is given for your information. It was not voted on by the Conference.)

The interaction of the church and the local community continues to be a very vital part of today's life. The Board of Church and Society is very much concerned about the gambling issue in both Alabama and Florida. We need to be aware of what our legislatures are doing in regard to this issue. If you need any information on the gambling issue please contact

Dr. Wayne Bradshaw in Dothan. He is the committee chairperson for gambling. Another issue that needs your support is Criminal Justice and Mercy Ministry. With the reassignment of some of our clergy, we have lost the chairpersons on this vital committee. Rev. Arthur Hall from Thomasville, Alabama, is doing the best he can with this program.

As I have stated before, I will do whatever is necessary to keep the Alabama-West Florida Conference informed of the many issues facing our society today. If you have any questions or concerns please contact me.

Irving L. English, Chair

The following report from the **CRIMINAL JUSTICE AND MERCY COMMITTEE** was approved at the 1994 Annual Conference and is reprinted with a correction:

In the coming year, these suggestions are given for local churches:

1. sponsor a day of appreciation for law enforcement persons (city, county, prison);
2. be intentional in ministering to victims of crime and family members of offenders;
3. sponsor a handgun turn-in day;
4. show video: 'Cancelled Lives'' (letters from inside jail and prison); available through the Rev. Bill Appleby, Lake Junaluska;
5. be in touch with legislators in regard to legislation being considered, making clear your membership as United Methodists;
6. invite member of this Committee to speak in your congregation.

CANDLER SCHOOL OF THEOLOGY

Dean's Report to the Annual Conference — 1995

(This report is given for your information. It was not voted on by the Conference.)

As the largest of the thirteen official United Methodist seminaries, Candler School of Theology at Emory University helps men and women prepare for faithful and creative leadership in the twenty-first century church. With eighty percent of our graduates engaged in local church ministry, Candler's chief focus is enabling our students to lay the groundwork for lifelong learning through a curriculum that offers academic and practical preparation for the challenges of parish life. Candler students are also aided in their preparation through their relationships with members of the Candler faculty, a community of scholars whose faith commitment, church leadership, research, and teachings are unsurpassed in theological education.

New to the Candler faculty this year are five persons. With the addition of Robert Kysar as Bandy Professor of Preaching and New Testament and Teresa Fry as Instructor in Homiletics, there are three full-time faculty in preaching for the first time in Candler's history. Other new faculty members include: Dr. M. Patrick Graham, Librarian and Margaret A. Pitts Associate Professor of Theological Bibliography; Dr. W. Stephen Gunter, Arthur J. Moore Associate Professor of Evangelism; and Dr. Steven J. Kraftchick, Assistant Professor of New Testament.

These new faculty members have added fresh insights to the first year of a three-year conversation among the faculty about theological education. Laity, students, and church leaders have also been invited to become conversation partners for the process which has focused on culture (1994-95) and will continue with the topics of church (1995-96) and education (1996-97). Faculty hope to enhance their understanding of educating persons for ministry by addressing four focal areas (pedagogy, globalization, spiritual formation, and diversity) during each of the three years.

The support of local churches for theological education from the Ministerial Education Fund (MEF) has never been more important for our students. We deeply appreciate your support through prayers for our faculty, students, and staff as well. As we conclude the Agenda 21 program, which has provided opportunities for dialogue among seminary faculty and administrators, clergy, and laity, we seek new ways to talk about how we can work together to assure that churches are served by persons who are committed and effective. We are grateful for the trust that you have placed in Candler School of Theology at Emory University

as with you we share the work of preparing creative and faithful leaders for the churches of this conference.

R. Kevin LaGree, Dean and Professor of Divinity

DUKE UNIVERSITY
The Divinity School

1995 Annual Conference Report

(This report is given for your information. It was not voted on by the Conference.)

As the center of theological inquiry and learning within Duke University, the Divinity School has continued its mission of service to the United Methodist Church through research, teaching and service. This past year the School completed a self-study and review by the Association of Theological Schools for its ten-year accreditation. The School was cited for its exceptional strengths in field education, theology, church history, and biblical studies.

The Divinity School's student body remains strong, representing a total enrollment in the fall 1994 semester of 484 students (370 M.Div., 9 M.R.E., 49 M.T.S., and 22 Special) from 36 states and 7 foreign countries. The Graduate Program in Religion, a joint program between the Divinity School and the University's Department of Religion, totaled 103 students (4 M.A., 99 Ph.D.). The graduating class this year will serve the church across the world. More than 85% will be involved immediately in parish ministry.

A major study of **United Methodism and American Culture** has continued into its second year under the direction of Dean Dennis M. Campbell and Associate Dean for Academic Programs Russell E. Richey. The study, consisting of research and leadership development components, is funded by the Lilly Endowment. In May, the project conducted a session for the leadership component and began production of a monthly publication, **Leadership Letters**, which raises questions concerning church polity and leadership. The first three of these letters addressed such questions as the election of bishops, the state of connectionalism, and clergy recruitment. A second conference was held in September for all participants. A final, public conference will be held at Epworth-by-the-Sea, St. Simons Island, Georgia, in conjunction with the Third Historical Convocation of the Methodist Church.

Two faculty promotions and one new appointment were made by the Board of Trustees. Stanley Hauerwas was named Gilbert T. Rowe Professor of Theological Ethics. Mary McClintock Fulkerson was granted tenure in the Divinity School Faculty as associate professor of theology. Keith Meador, M.D., comes to the School from Vanderbilt Medical Center and will have a joint appointment between the Divinity School and the Medical School's Department of Psychiatry. He was be associate professor of the practice of pastoral care.

The Divinity School perseveres in its Wesleyan commitment to ecumenical relationships. The **Duke Divinity School Canterbury Course** continues in its third year. Students, faculty and staff as well as alumni can spend three weeks at Canterbury studying Anglican spirituality, theology, and history. As part of the ongoing ecumenical dialogues between the Episcopal Church and the United Methodist Church, a Divinity School-funded videotape study guide featuring Professors Geoffrey Wainwright and Patricia Page was made for the North Carolina United Methodist-Episcopal ecumenical dialogue.

Kimberly W. Pair has been appointed director of general administration and finance, filling the position left vacant by Mrs. Clara Godwin, who retired from the School after twenty-four years of service. Among Ms. Pair's priorities is the installation of a new computer network that will link the School to the University and the Internet. Wesley F. Brown, who has served the School in the areas of development and alumni affairs for thirteen years, has been named associate dean for development and alumni affairs.

CONFERENCE SCHOOL OF MISSIONS

(This report is given for your information. It was not voted on by the Conference.)

The 1994 Conference School of Missions was held August 3-7, 1994 at the Blue Lake Assembly Grounds. The missional spirit at the Conference was tremendous. The week day and weekend schedules remained the same this year as last, with everyone at the Conference taking the Spiritual Enrichment Course, and plenaries offered to familiarize everyone attending with the content of both of the other courses offered. Due to the untimely illness of her mother, Mrs. Barbara Ihne, scheduled to teach one of the course offerings on the African Church, was unable to attend. But the resident missionaries, the Rev. and Mrs. Bill Anderson, taught in her place. Dot Anderson had been to Regional School and had taught in another Conference School, so along with her missionary experience she was more than qualified to teach. As well as assisting Dot, Bill Anderson helped lead the singing (of African songs) and added his firsthand experience in Africa to the Children's Camp on Christ Mission, offered again this year in conjunction with the Conference School. The Andersons were a great blessing to the School. Along with the Andersons and Rev. Youngblood, the School was also blessed by having Bishop Morris teach the Spiritual Enrichment Course, Rev. Rick Owens and Mrs. Mary Morris teaching the course of Families: from Scripture to Today, and Mrs. Betty Cates teaching the weekend course entitled: "Teaching Missions to Children."

The Children's Camp joined the Adult School, as last year, at the Adult School for (this year) a Carnival growing out of the Course: Making the World Safe For Children. Once again this was a highlight enjoyed by all. The School this year was enhanced also by the presence of a native African, Dr. Monga Ilunga, from Zaire. Monga contributed greatly from his experience of growing up in Africa. Finally, the founding of the African University was celebrated during the Conference.

The Conference School's vision is to continue encouraging and growing in the area of Christian Mission within our Conference. Thanks to all for their support.

Independent Auditor's Report

March 2, 1995

Council on Finance and Administration
Alabama - West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have audited the accompanying statements of certificates of deposit for the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church at January 13, 1995, and the related statement of cash receipts, disbursements and transfers for the period January 7, 1994 through January 13, 1995. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statements of recorded cash receipts, disbursements and transfers are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As explained in Note 1, the Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed. Consequently, certain revenue is recognized when paid rather than when earned and certain expenses are recognized when paid rather than when the obligation was incurred. Accordingly, the financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In our opinion, the statements referred to above present fairly, in all material respects, certificates of deposit at January 13, 1995, and the receipts, disbursements and transfers for the period January 7, 1994 through January 13, 1995, of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church on the basis of accounting described above.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies:

Nature of Activities

As an agency of the Alabama - West Florida Conference of the United Methodist Church, the Council receives funds from member churches and related individuals in South Alabama and West Florida and disburses these funds to or on behalf of the various boards and agencies of the Conference.

Basis of Accounting

The Council prepares its financial statements on the basis of cash received and cash disbursed. Consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred.

Income Taxes

The Council, as an agency of the Alabama - West Florida Conference of the United Methodist Church, is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and related provisions of the State of Alabama and Florida.

Note 2 - Conference Year 1995 Receipts and Disbursments:

These amounts are receipts from Churches that are designated for the 1995 Conference Year and salaries paid for the first pay period in 1995.

WILLIAM McKINLEY CHISOLM, JR.
(1924-1994)

William McKinley Chisolm, Jr. was born November 11, 1924, in Noxapater, Mississippi. He was the son of William McKinley Chisolm, Sr. and Mattie Renee Bryan Chisolm. He was a World War II veteran, having served in the 17th Airborne Division. He later became a member of the Alabama Gray D.A.V in Pensacola, Florida.

William Chisolm and Clotilda "Clara" Victoria Bator were married August 21, 1950. He was the father of four children: Julia Anne Chisolm, born February 12, 1949 (Mrs. Chisolm's daughter from a previous marriage; Rev. Chisolm adopted her); William McKinley Chisolm, III, born December 17, 1963; Michael Ivan Chisolm, born July 7, 1966; and John Thomas Chisolm II, born November 15, 1969.

Rev. Chisolm had an extensive education, having attended Mississippi State University, where he played in the band (1940-42), Peabody Conservatory, Baltimore (1946-48), and the University of Pennsylvania (1949-1954), from which he graduated Magna Cum Laude. He later attended the Course of Study program at Emory University.

While serving as a bivocational pastor in Pensacola, Rev. Chisolm was the owner and operator of Aeolian Printing Company. He was past chairman of the Escambia County Civil Service Board, president of Brent Little League Football, and taught at Newkirk School of Music. He was conductor of the Pensacola Music Guild Orchestra and was past president of the Pensacola Music Association.

In a most unusual ministerial service career, William Chisolm served only one church, Baars Street UMC of Pensacola, in his twenty-five year ministry. He was in his twenty-sixth year there when he was stricken with a heart attack on October 31, 1994. He died three days later. A memorial service was held November 7, 1994 at the St. Andrew UMC in Pensacola. Ministers participating in the service were Pensacola District Superintendent Rev. Langdon Garrison, Rev. Fred Melvin, Rev. Daryl Gessner, and Rev. George Morrison. Burial took place at the Barrancas National Cemetery in Pensacola. Rev. Chisolm is survived by his wife, Clara; daughter and son-in-law, Julie & Daryl Gessner; son and daughter-in-law, William M. III and Tracy Chisolm; sons, Michael I. Chisolm and John T. Chisolm, II; and three grandchildren, Derek Gessner, Jill Gessner, and Aaron Gessner.

WILLIAM ROY COBERT
(1935-1994)

William Roy Cobert, Jr. [Bill and Sonny] was born in Uniontown, Pennsylvania to William Roy Sr. and Gwendolyn Travis on October 6, 1935.

Bill married Stella Jean Lawrence on June 25, 1957. He is survived by Stella and four children: Darlene K. Rotella born on August 6, 1959; Pamela J. Cobert born December 20, 1963; Karen L. Rankin born July 26, 1961; and David A. Cobert born on December 31, 1971. A son, William Roy Cobert III who was born on November 30, 1966 preceded Bill in death on February 25, 1985.

Bill, licensed as a Baptist minister in 1976, served as an assistant minister in the Maranatha Baptist church in Columbus, Ohio. Bill's recent appointment in the Methodist church was at Guy's Chapel in Rabun, Alabama from 1992 until his death in 1994. Bill and wife were members of the Farm Hill Methodist since 1987 and the Rev. John Kuritz was very instrumental in encouraging Bill's call through the Lay Speakers program. Bill had great respect for Brother John's love and witness for the Lord.

Most of Bill's ministry has been through his vast knowledge of electronics. He was elected into Who's Who in electronics. Bill installed television studios for large churches. He was chief television engineer for Catholic Good News in Pensacola, Florida in 1987. In 1989 he became the chief engineer for a Christian television station, WHBR channel 33, until his death.

Bill graduated from Point Marion High School in 1954 receiving a science scholarship and a Bausch & Lomb Science award. Bill enlisted in the Air Force 1954 and was honorably discharged as Staff Sergeant in 1958.

Bill died of cardiac arrest on September 7, 1994, at the West Florida Hospital in Pensacola, Florida. Barrancas National Cemetery at Pensacola, Florida is his place of burial.

Bill will be remembered for his gift of electronics, his loving personal poetry that he wrote for people, for his wonderful sense of humor, and for his positive outlook on life. Bill's love for and faith in God is best expressed by the epitaph which he wrote for his son.

Upon this earth just 18 years
His dying cost us many tears
But we'll look again upon his face
Because of Jesus' saving grace.

PORTER BIGE DANIELS
(1913-1995)

Porter Bige Daniels was born December 11, 1913, near Brundidge, Alabama. He and Carrie were married October 20, 1935, in the Methodist parsonage in Banks, Alabama. Rev. Henry Screws, who was then serving the Banks Charge, performed the ceremony.

The Daniels were blessed with three children — Wallace Emmitte Daniels, born July 30, 1936; Deannie Mary Daniels Sherrer, born March 28, 1938; and Henry Morgan Daniels, born January 22, 1940.

Porter Daniels graduated from Pike County High School. Later, he took courses in language and English at the Hallie Turner Private School in Columbus, Georgia. He also took part in the Course of Study program at Emory, helping him to attain Associate Member status and ordination as an Elder in 1960.

Rev. Daniels had a great desire to help the small churches he pastored to grow. He served one church on the Rutledge Charge which had only five members. According to Carrie, his wife of over fifty-nine years, "These little women thought it was too much for him to go that far. He didn't agree." He told the ladies that as long as they would come, he would meet them there. When cold weather came, services were held in the homes of the women. "Porter," says Mrs. Daniels, "never missed a service." He had a servant's heart, and enjoyed visiting the sick and shut-ins, making as many as fourteen pastoral calls in one day.

The Summerville UMC in Phenix City was formed as a direct result of a cottage prayer meeting Porter Daniels organized. He oversaw the construction of a new church in Hacoda. He had the privilege of leading a ninety-seven year old woman to the Lord; as a result, her whole family made professions of faith in Christ and joined the church. During his retirement years, Rev. Daniels taught an older men's Sunday School class and served as Sunday School Superintendent.

After battling congestive heart failure and prostate cancer, Rev. Porter Daniels died January 6, 1995. His funeral service was held January 8th at the Plantersville UMC in Dallas County. Ministers who participated in the service were the Plantersville pastor, Rev. Brian Corley; Selma District Superintendent, Rev. Doug Newton; and Rev. Barry Crowe, pastor of the Plantersville Christian Church. Burial followed in the Christian Cemetery there. Again

his wife writes, "When he (Porter) started on his Heavenly journey, he smiled a comforting smile and slept in peace."

The Rev. Dr. Edwins had such a thirst for knowledge that, as he attended college, he also took correspondence courses. He received certificates from the Moody Bible Institute for Biblical Preaching in 1980 and for The Study of the Epistle of Romans in 1987. The Greenhills came to the Alabama-West Florida Conference in 1968. Glenn completed his last year of the course of study at Emory University. A highlight of his ministry here occurred in the early eighties as he served the Verbena Charge. The Mt. Pisgah church chose to go full time under his leadership, a new parsonage was constructed during this time, as well.

Rev. Greenhill served in this Conference for twenty-one years until his retirement in 1989. The Greenhills retired to a Conference home in Pensacola. RICHARD ELGIN "MIKE" JORDAN
(1929-1995)

Richard Elgin "Mike" Jordan was born September 18, 1929 in the town in which he was raised, Hattiesburg, Mississippi. He was one of five children born to Anabel Short Jordan and William Turner Jordan. He and the former Shirley Ann Aldridge were married October 3, 1954 in Harrisburg, Illinois. The Jordans are parents of one son, Richard Kirby Jordan, born November 11, 1961.

Mike graduated from Hattiesburg High School in 1947. He then attended Bob Jones University and Asbury College before returning to his hometown to attend the University of Southern Mississippi. He received a bachelors degree in sociology from USM in 1951. He attended the Course of Study program at Emory from 1953 through 1955, but went back to earn a Master of Divinity degree, which he received in 1960.

The Jordans left the confines of the Conference in 1961 when Mike became a Navy Chaplain. He retired from the chaplaincy in 1982 and resumed his ministry within the local church. After he retired from the Conference in 1994, he went to work as a clinical chaplain/addiction therapist at the V.A. Medical Center in Tuskegee. It was there, while seated at his desk, that his unexpected death occurred.

Rev. Jordan died on March 14, 1995. The funeral service was held March 17 from Frazer Memorial UMC. Chaplain Samuel Baez, Captain, CHC (Ret) of Waterford, Connecticut, and Dr. Frank Hyles, Superintendent of the Andalusia District, presided. Burial followed at the Alabama Heritage Cemetery, also located in Montgomery. He was preceded in death by two of his four siblings. He is survived by his wife, Shirley, and their son, Rick.

These words are from Frank Hyles' eulogy. "Mike Jordan was full of life. He was lively and life-giving... a talk with Mike was good for whatever ailed you. He was open and honest in a world of pretence and superficiality... He was refreshingly disarming. Mike's leaving

us is sudden and drastic. Mike, we know, would have longed to be here with his family and friends, but he also knew the location of his final home... where we all long to be when life has ended for us here. So 'Home is the sailor, home from the sea'..."

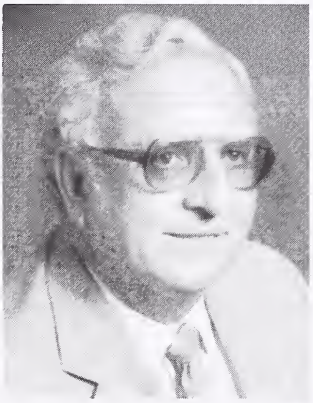
NORMAN BURNS McLEOD, JR.
(1924-1994)



Norman Burns McLeod, Jr., was born on September 14, 1924, in the parsonage at Auburn, Alabama, to the Reverend Dr. Norman Burns McLeod and Annie Cooper Chambliss McLeod. A Methodist minister's son, he grew up in Troy, Selma, Mobile, Opelika, and Dothan. He graduated from Dothan High School in 1942. In 1946, he received his B.S. degree from Alabama Polytechnic Institute. He taught history at Troy State University and then attended law school at the University of Florida. He received his divinity degree from Candler School of Theology at Emory University in 1956.

On August 17, 1957, he married Joan Ardeth Aust in Mobile, Alabama, and fathered four daughters: Kathryn Ann, born August 12, 1958; Kimberly Joan, born August 1, 1959; Dorothy Elizabeth, born January 6, 1963; and Nancy Burns, born December 8, 1964.

Norman had a great heritage of faith and family serving in the Alabama-West Florida Conference: his father; his uncle and aunt, Dr. J. Fletcher McLeod and Frances P. McLeod; and his cousins, Rev. J. Fletcher McLeod, Jr., Rev. L. Powers McLeod, Sr., Rev. Marvin K. Vickers, Sr., Rev. Walter G. McLeod, Dr. A. Lamar McLeod, Rev. Marvin K. Vickers, Jr., Rev. L. Powers McLeod, Jr., and Rev. Fred S. Nichols.

Norman died on August 5, 1994, at his home in Montgomery, Alabama, after a lengthy illness. Funeral services were held August 8, 1994, at the First United Methodist Church of Montgomery with Dr. Asa Boozer, Dr. Karl K. Stegall, and Bishop Paul A. Duffey officiating. Burial was in Memorial Cemetery in Montgomery. Norman is survived by Joan; Kathy, Kim, Beth, Nancy; three sons-in-law, Mark Sport, Milo Gavin, Lynn Washington; four grandchildren, Rachel and Amanda Gavin, Hannah and David Washington; a niece; a nephew; and many cousins.

Active, athletic, enthusiastic, quick-witted, personable — these were Norman's attributes. His gentle, relaxed manner was a calming influence to many. His humor was contagious and delightful. His kind, generous, compassionate attitude was always evident. He genuinely loved and cared for all people and had the ability to make everyone feel at home in his presence. He was a devoted family man, teaching commitment, unselfishness, tolerance, and forgiveness.

Norman illustrated the "nevertheless" person, the one who sees his limitations but does what he can to serve God. Battling illness after illness, Norman never asked, "God, why me?" He always said, "God, use me."

He loved the Church — the United Methodist Church. He believed in her mission and message, and he faithfully served as a loyal minister — truly a human vessel filled with God's Spirit. Thanks be to God for Norman McLeod, Jr.

JOHN CARLISLE MILLER
(1914-1995)

John Carlisle Miller was born March 9, 1914 in Graceville, Florida. His parents were Ora Whaley Miller and John Penuel Miller. The Miller family moved to Alabama while Carlisle was a young child. He went on to graduate from Slocomb High School. He received a bachelor's degree from Birmingham-Southern College in 1935, and a master's degree from Duke University in 1938. He later served as a chaplain in the U.S. Army during World War II.

Rev. Miller married the former Irene Ostafichuk of Duluth, Minnesota on November 7, 1945. The couple had only one child, a son named John Paul, born April 2, 1947. He passed away March 10, 1963.

There were many highlights in Carlisle Miller's ministry. He served as Superintendent of the Mobile and Montgomery Districts, was appointed the first Executive Director of the Alabama-West Florida Conference Council on Ministries, and was elected by his peers to serve as a delegate to the General and Jurisdictional Conferences of the United Methodist Church.

As distinguished as Dr. Miller's ministerial career was, he is best known by many for his work with the mentally retarded. During the late 1950's and early 60's, while serving the Montgomery District, the Millers and several other families with retarded children began to work to create an educational environment that would better meet the needs of their children. The Millers secured a place to train the children in their Sunday School area at the Montgomery First United Methodist Church. This effort, which initially involved Johnny Miller and six other children, soon outgrew this space, leading to the construction of a new Opportunity Center, now known as the McInnis School. Dr. Miller was also instrumental in founding a school for retarded children in Panama City, Florida. His work and interest in the welfare of the mentally retarded led to his being named the first president of the Southeastern Jurisdiction Methodist Agency for the Retarded. In the words of Col. Gordon L. Welling, Director of Services for the Montgomery Association for Retarded Citizens, "He (Carlisle) leaves a mighty legacy — one that is a joy and a challenge to continue. We will miss his visits, his words of encouragement and support, but we will always remember his untiring efforts and belief in the citizens we serve."

The Rev. Dr. Carlisle Miller died March 4, 1995, following an extended illness. Services were held March 6 at the Montgomery First United Methodist Church, with Dr. Karl Stegall officiating. Burial followed in Montgomery's Greenwood Cemetery. He is survived by his wife, Irene Miller; one brother and sister-in-law, Samuel & Rosella Miller of Ormond Beach, Florida; one sister and brother-in-law, Mary F. & Harry Wilson of Hampton, Virginia, one sister-in-law, Olga Stapleton of Los Alton, California; and numerous nieces and nephews.

He officially retired in 1988.

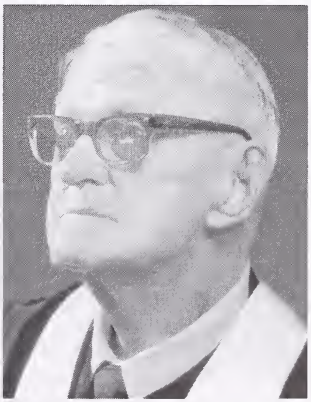
CARLOS MOZEL TYNDAL
(1898-1995)



Carlos Mozel Tyndal was born to Henry Mathison and Callie Pitts Tyndal on July 24, 1898. The family had a small farm in the Big Creek community near Dothan, Alabama. He began his education in the one room school at Big Creek. The Tyndal family attended the Big Creek Methodist Episcopal Church, South. It was during a revival service when he was seven years old that C.M. gave his heart to Christ. As he and his family walked down a country road on the way home from the service, he told his parents, "God wants me to be a preacher. Now I've got to learn how to preach."

The family later moved to a larger farm out from Graceville, Florida. With no transportation to and from school, it was hard for C.M. to attend school regularly. He briefly lived with a sister and brother-in-law who lived nearer a school, but his father died, making it necessary for him to return to help his mother, brother, and sister.

When an older brother and sister-in-law moved in, it made it possible for C.M. to go back to school. On his minister's recommendation, he attend Simpson High, on the campus of

Birmingham-Southern College. After graduation, he enrolled at Birmingham-Southern in order to study for the ministry He was licensed to preach in the Graceville M.E. Church, South.

It was while in college that C.M. met his future wife, Elizabeth Carraway, who was seeking a degree in education. Her father, Dr. C.N. Carraway, was a prominent Birmingham physician. He established Norwood Hospital and gave it to the North Alabama Conference. Following his death, the hospital was renamed Carraway Methodist Medical Center in his memory. After C.M. and Elizabeth had graduated, the couple were married, June 1, 1927, at the First M.E. Church, South, in downtown Birmingham. The ceremony was performed by the church's pastor, Dr. Arthur J. Moore, who was later elected Bishop.

Four children were born to the Tyndals: Charles Mathison Tyndal, born May 4, 1927; Edward Carraway Tyndal, born August 2, 1931; Elizabeth Tyndal, born March 16, 1934; and Lynne Tyndal, born December 14, 1946.

Rev. Tyndal began his ministry in North Alabama, transferred to Alabama-West Florida, and retired to Birmingham in 1964. He preached as a retired supply pastor for twenty more years. He and Mrs. Tyndal lived at Fairhaven Retirement Home at the time of his death. He died unexpectedly in his sleep on February 28, 1995, having enjoyed generally good health for all of his ninety-six years. The funeral service was held March 2 at the Valley Chapel Funeral Home in Homewood, with Dr. Belon Friday, Rev. Ted Cramer, and Rev. Charles Ferrell presiding. Burial followed in Elmwood Cemetery in Birmingham.

After sixty-seven years of marriage, serving Christ together and rearing four children (two physicians, Charles M. and Edward C., and two teachers, Elizabeth T. Burleson and Lynne T. Sasser), God called C.M. home at the age of ninety-six. There he waits for Elizabeth at the pearly gates.

OLIVER MICHAEL SELL
(1910-1993)

Oliver Michael (Red) Sell was born on December 11, 1910 to Simon Oliver and Gertrude Zeigler Sell of Altoona, Pennsylvania. The Sells had immigrated to America from southern Germany in the eighteenth century and settled in the Gettysburg area. Although his ancestors were farmers and later railroad men, the lineage of ministers of the gospel traces back to the original settlers.

Red lost both parents in his youth and early learned to fend for himself. He attended Juniata College in Pennsylvania in 1931 before transferring to the University of Alabama in 1932. It was there he met Evelyn Ellisor, a young language major from Andalusia, Alabama and sister to four Methodist ministers. She was born October 15, 1911. Her parents: Ethel Leone Dillard and John Oscar Ellisor. After a whirlwind courtship, Red and Evelyn were married April 11, 1932 and moved to Bob Jones College in Lynn Haven, Florida. By that time, Red had changed his major from accounting to religion, and in 1933 elected to complete his formal education at Birmingham Southern College. Working his way through school, from 1934 until 1937 Red served four churches in the Opp Mission and six on the Sepulga circuit in South Alabama and four on the New Castle circuit in north Alabama. Their daughter, Ethel Evelyn, was born on November 9, 1936 in the same bedroom of the family home in Andalusia where her mother was born, attended by the same physician.

Red received his Bachelor of Arts degree from Birmingham Southern in 1937, and the

three of them commenced his postgraduate ministry as pastor to six churches on the Forest Home circuit. From there he moved to the five church Ramer-Pine Level circuit before accepting an appointment to the First Church in Chickasaw. Thereafter, he held appointments at West Side in Mobile and the First Church at Prattville, Tuskegee, Ashland Place in Mobile, and Port St. Joe, Florida.

Returning to his first love of accounting, he served as conference treasurer and financial secretary for the Alabama-West Florida Conference for four years, stationed at Montgomery and Andalusia from 1962 to 1966. He was responsible for contacts with approximately 700 local church treasurers and some 5,000 individual remittances amounting to more than one and one-half million dollars annually. In the words of Paul Mathison, speaking to Bishop Kenneth Goodson, "Reverend Sell handled the business of the Conference in a careful, exact and diplomatic manner... unusually responsive to the general call of Christ's Church, (overseeing) a financial system the envy of other conferences... cooperative and untiring in his efforts to fulfill the responsibilities of his office." He also served for many years as business manager of the Methodist Youth Assemblies at Camp Grandview, Camp Perdido, and Huntingdon College, and for a similarly long tenure on the Conference Committee on World Service and Finance. A true fiscal conservative, he was scrupulously honest and highly organized. In his personal affairs, he customarily paid cash, and if he couldn't pay for it he didn't buy it.

In his ministry, he was aptly described as a pulpit orator and took great pains to incorporate inspirational messages from varied sources. Two of his favorite were from his lifelong long preoccupation with reading and with sports. In the latter, he was fascinated with team sports and followed them avidly. He advocated church sponsorship of sporting events and was enormously popular with high school student athletes. He had played baseball as a youth and enjoyed golf for many years into retirement.

However, in the words of the late Grover Hall, publisher of *The Montgomery Advertiser,* he made a vice of reading. He was an habitue' of the public library, devouring histories and biographies with astonishing concentration. During his last years of longsuffering with Parkinson's Disease, when asked by his physician what bothered him most, he replied, "I can't read." During his active ministry, every sermon was made more interesting by the frequent use of literary references.

Not an easy characterization, he played the violin in the Juniata Symphony Orchestra, was a loyal Kiwanian, liked cats, identified the Salvation Army as his favorite charity, was a newshound of the printed press as well as radio and television, had a penchant for bare essentials (especially at moving time) and was time conscious to a fault.

He was also the object of devotion for 61 years of marriage to a wife whose unselfish dedication is worthy of sainthood in itself. And in his own quiet way, he was immensely proud of his extended family — his daughter who completed two college degrees and pursued a professional career as a certified school psychologist, three grandchildren — all successful in professional and business occupations, and two beautiful great-grandchildren.

Rev. Oliver Michael Sell died August 5, 1993 in Montgomery after a long illness. His funeral service was held August 7, 1993 at the Normandale UMC, with Rev. Bryant Wilson and Rev. Joe Reams officiating. He was laid to rest in Tuskegee Cemetery, Tuskegee, Alabama.

Rev. Sell is survived by his wife; his daughter, Mrs. Ethel Sell Vaughan; three grandchildren and two great-grandchildren.

For 41 years a servant of the church militant, Red Sell has laid his burden down and entered into the eternal halls of the church triumphant. May we all benefit from his example.

— J.T. Vaughan

SUSIE PEACH FOSTER
(1905-1995)

Susie Peach Foster, 89, a resident of Asheville, North Carolina, died on April 13, 1995. Miss Foster was one of ten children born to a Methodist minister, Rev. Robert Allen Foster, and Abbie Peach Foster. In a treasured letter from Rev. Foster to one of his brothers, he writes of seven year old Susie Peach: "October 2, 1905 little Susie Peach was brought. The old bird (stork) seemed tickled when she got her in our Havana, Alabama home and slipped away. She is now a little girl sweet and beautiful (like her sisters) of seven summers...a rare flower in our home." While her father was serving at Pine Hill and she was in high school, Miss Foster made the decision to become a missionary.

Following graduation from Huntingdon College and Scarritt College for Christian Workers in Nashville, Tennessee, Miss Foster was commissioned in 1930 as a missionary by the Methodist Episcopal Church South, and served in Korea for eight years. Marion Lazenby's *History of Methodism in Alabama and West Florida* reveals that Susie Peach Foster was the very first missionary sent out with the support from the Women's Missionary Society of the Alabama Conference. She was the first $.25 special supported by each member of the Women's Missionary Society.

Her work in the United States included serving as a youth worker and Head Resident at Bethlehem Center in Nashville; Director of the Wesley Foundation at Mary Washington College in Fredericksburg, Virginia; Director of Wilson Inn in Richmond, Virginia. In 1957, Miss Foster became a deaconess of the Methodist Church. Throughout her adult life, she was a member of state and local Councils on Human Relations. She studied at Union Theological Seminary and Columbia University in New York City, Emory University, and Garrett Biblical Institute in Evanston, Illinois.

Upon retirement in 1971, she resided in Montgomery and was a very active member of the Whitfield UMC, where she served as a Sunday School teacher, Chairman of the Work Area on Missions, and a member of the United Methodist Women. In 1990 she moved to Asheville, North Carolina, to the Brooks-Howell Home for retired United Methodist missionaries and deaconesses. She remained there for the rest of her days.

In his eulogy, Dr. Karl Stegall spoke these words: "Susie Peach had a motto that she always kept before her. It simply said, 'I choose to hold within my heart the image of Christ and to strive to grow into that image more each day.' There was not a vain bone in her body. She was totally humble, unassuming, self-giving, unobtrusive."

Susie Peach Foster's memorial service was held on Easter Sunday, April 16, 1995 at the Whitfield Memorial UMC. Current Whitfield pastor, Dr. Philip McVay and former Whitfield pastor, Dr. Karl Stegall officiated. At Miss Foster's request, her body was given for medical research.

Miss Foster is survived by nieces, Jean Foster Carpenter and husband, Clemont, of Luverne, Alabama and Kate Foster Lindsey and husband, Dan, of Montgomery; nephews, Henry Candler Foster, Jr. and wife, Barbara, of Prattville, Alabama, James Allen Foster and wife, Marilyn, of Brantley, Alabama, and William McLeod and wife, Nancy, of Opelika, Alabama.

(1907-1994)

Annie Bowman Hinote was born June 20, 1907 in Seminole, Baldwin County, Alabama to Augustus and Sparta Hinote. She was the ninth of twelve children; only one brother now survives. Their parents were charter members of the Richards Memorial Methodist Church in Pensacola.

Annie graduated from Pensacola High School in the mid 1920's. She married Henry E. Houseman in 1926 at Richards Memorial. The Housemans have two children: Harry E. Houseman, born July 28, 1929, and JoAnn Houseman Gehrdes, born December 20, 1934. Harry is the pastor of Point Washington UMC and is a veteran of thirty years' service as an Air Force Chaplain. His wife, Mary, is an active United Methodist musician, having been organist, pianist, and choir director around the world with her husband. Henry and Annie's daughter is JoAnn Gehrdes, an active United Methodist layperson and a first-grade teacher at Pine Meadow School in Pensacola. Her husband, Ernie Gehrdes, has been a leader in the Pensacola District United Methodist Men. He is a thirty year veteran of service in the U.S. Navy. The Henry Housemans were also blessed with four grandchildren and four great-grandchildren.

Rev. Henry Houseman was serving as pastor at Pine Forest UMC in Pensacola when he suffered a heart attack that led to his death. Mrs. Houseman later married Glenn W. Miller and they were very active members and leaders at Pine Forest. After Mr. Miller's death, she married Alvin M. Jones, and they were faithful to Pine Forest, as well. Annie served as Church Historian and in a number of other capacities. "She proudly wore the golden pin of the WSCS," writes her son Harry. "She was the kind of Methodist who'll be met by Susanna Wesley first on entering Heaven!" He goes on to say, "Although we loved Mr. Miller and Mr. Jones, both of whom are buried with former spouses, we want this obituary to list her as Annie Hinote Houseman. Mama's Conference connection was with our Daddy."

Annie Houseman died of congestive heart and renal failure on December 10, 1994. Her funeral service was held at Pine Forest UMC on December 12, with burial at Bayview Memorial Park in Pensacola. Rev. Perry Dalton of Pine Forest and Marianna-Panama City District Superintendent Rev. Dick Wright officiated and were assisted by pastors Gary Jones (grandson by marriage) and Harry Houseman (son).

Miss Franklin married Wayland Hoyt Stevenson in Phenix City, Alabama on December 6, 1940. Mr. Stevenson grew up in Smithtown, New York. He joined the Army in 1940 and was assigned to Fort Benning. It was during this time that he and Onie met and were married. The Stevensons were blessed with three girls — Harriet Delores, born September 23, 1941 at Fort Benning, Georgia; Sandra Faith, born October 16, 1942, also at Fort Benning; and Charlotte Frances, born October 11, 1944 at the Army Air Base at Marianna, Florida.

The Stevensons had a wonderful life together, sharing fifty years of marriage before his death on October 21, 1991. Weakened from acute congestive heart failure, Mrs. Stevenson died July 30, 1994. Her funeral service was held August 1 at the Sneads UMC, with burial beside her late husband at the Friendship Baptist Church Cemetery in Malone. Rev Jim Jines and Rev. "Mother," one daughter writes, "was the strongest, wisest, most loving" mother in the world, with "the most wonderful sense of humor that I have ever known." CONCERNING PETITIONS PRESENTED TO THE 1995 CONFERENCE

Committee on Resolutions and Petitions (Rev. Perry Dalton, Chairperson)

A. The following seven (7) PETITIONS were approved by the Alabama-West Florida Conference of The United Methodist Church in Session May 30-31, 1995:

PETITION NO. 1

(Presented to the Conference as Petition No. 1)

re: Level Funding

TO: All Members of the 1996 General Conference
FROM: The Council on Finance and Administration of the Alabama-West Florida Annual Conference

Because the apportioned items to the local churches in our annual conference are paid in at considerably less than one hundred percent, the Alabama-West Florida Annual Conference is having to operate many of our programs and agencies at level funding, and others slightly above level funding.

Our conference has no control over apportioned askings from the General Conference. This leaves the Annual Conference with less money to operate our programs. This has hampered us in several areas, but especially in the area of planting and developing new congregations.

We, therefore, meeting in session on March 7, 1995, call upon the members of the General Conference, meeting in 1996, to seek for level funding in the total apportioned budget to be sent to the churches during the upcoming quadrennium.

re: Taskforce of United Methodists on Abortion and Sexuality

A PETITION TO THE ALABAMA-WEST FLORIDA ANNUAL CONFERENCE
MEETING MAY 28-31, 1995

WHEREAS: The United Methodist *Discipline,* 1992, para. 71H, affirms our belief in the "sanctity of unborn human life," and our respect for the "sacredness of the life and well-being of the mother," and emphasizes that abortion should never be used as a "means of birth control or gender selection"; and

WHEREAS: Some United Methodist Agency representatives nationally advocate directly and through the Religious Coalition for Reproductive Choice (formerly Religious Coalition for Abortion Rights) organization for tax-payer funded abortions without qualification; and

WHEREAS: Our Wednesday Men's Prayer Group, all United Methodists, agrees with the Executive Board of the Taskforce of United Methodists on Abortion and Sexuality that a qualified United Methodist in good standing shall be selected to be our official National Direct Voice on such matters;

THEREFORE BE IT RESOLVED:

That the Alabama-West Florida Annual Conference charges the person(s) selected to serve in this capacity to be our official and Direct Voice within the United Methodist Church to: (a) Promote our clear opposition to the over 90% of abortions done for birth control and gender selection reasons; (b) Proclaim the inviolable sanctity of unborn human life in light of the Christian Church's historic witness; and (c) work to prevent public funding of abortions.

BE IT FURTHER RESOLVED: That an appropriate local Conference Agency or Board, in consultation with the Taskforce of United Methodists on Abortion and Sexuality, be assigned responsibility to enact this program, and that this petition be forwarded to the 1996 General Conference of the United Methodist Church.

PETITION NO. 3

(Presented to the Conference as Petition No. 5)

ENCOUNTER WITH CHRIST PROGRAM

WHEREAS, colleague churches of Methodist heritage in Latin America and the Caribbean now have extraordinary new opportunities for mission and ministry with many experiencing marked numerical growth and renewed vitality in witnessing to God's redemptive work through Jesus Christ, our Lord; and

WHEREAS, many of these same churches are struggling with severe financial problems rooted in the massive poverty that besets the majority of peoples of this region of the world; and

WHEREAS, Methodist churches of the Caribbean and Latin America have made costly decisions in their history for self-determination, seeking to be more faithfully incarnate within the diversity of nations within this region; and

WHEREAS, the churches represented by the Council of Evangelical Methodist Churches in Latin America and the Caribbean (CIEMAL) and the Methodist Church of the Caribbean and the Americas (MCCA) urgently need sisters and brothers who will share with them in

supporting new church development, evangelistic initiatives, and programs that nurture justice ministries and respect for all persons; and

WHEREAS, many of these colleague churches are being led to make costly new commitments in order to strengthen their solidarity and faithful ministry with children, women and youth.

THEREFORE, BE IT RESOLVED that we will encourage and invite support for the General Board of Global Ministries Permanent Fund entitled "Encounter with Christ in Latin America and the Caribbean" (No. 025100), a designated giving channel that provides a special means for current and deferred giving in order to strengthen our shared ministries with the Methodist churches of Latin America and the Caribbean.

PETITION NO. 4

(Presented to the Conference as Petition No. 7)

re: A Proposal for Pastoral Care of Conference Clergy and Spouses

1. WHEREAS, in recent months we have been increasing signs of stress and family breakdown in clergy families.
2. WHEREAS, the district superintendents have huge amounts of administrative duties that prohibit them from spending large blocks of time doing pastoral work among the clergy families.
3. WHEREAS, many clergy families are uncomfortable talking about their personal problems with their district superintendents because those same district superintendents are also the ones who represent them for appointments and might use those personal problems against them in the appointment process.
4. WHEREAS, the few trained pastoral care and counseling professionals who deal with the many problems of the clergy families are often called only after the problems have become unmanageable.
5. WHEREAS, the clergy are slow to spend time working on issues that produce stress in their own lives because it demands time away from the congregation.
6. WHEREAS, many clergy feel isolated and alone in dealing with personal issues.
7. WHEREAS, there is a great need for greater fellowship and unity among the clergy members of our conference.

THEREFORE, BE IT RESOLVED that the Conference direct the Board of Pastoral Care, Counseling and Training to explore the best structure and program to provide small group support for clergy.

PETITION NO. 5

(Presented to the Conference as Petition No. 11)

RESOLUTION

BE IT RESOLVED THAT THE ALABAMA-WEST FLORIDA ANNUAL CONFERENCE SUPPORT THE SOUTHEASTERN JURISDICTIONAL CONFERENCE IN PRESENTING THE FOLLOWING PETITION TO THE 1996 GENERAL CONFERENCE:

PETITION

Amend Paragraph 602 by adding a new Paragraph 602.1c), to read as follows:

1c) Each General Conference shall set, within the range specified in the Constitution (Paragraph 12.1), the maximum number of delegates which will comprise the succeeding General Conference. If such an action is not taken, the maximum number of delegates for the succeeding General Conference shall be the maximum as established in Paragraph 12.1.

Amend Paragraph 602 by deleting the present Paragraph 602.2 and Paragraph 602.3 and substituting the following:

2. The number of delegates to which an Annual Conference is entitled shall be computed on the basis of total membership of the Annual Conference arrived at by adding the number of clergy members, both active and retired, of the Annual Conference to the number of members of local churches in the Annual Conference.
3. Sixty days following the end of the second calendar year of the quadrennium, using the most current lay and clergy, membership figures then available, the Secretary of the General Conference shall calculate the number of delegates to be elected by each Annual Conference, based on the factor specified above. The method by which the number of delegates for each Annual Conference is determined shall conform to the following principles:
   a) The total number of delegates, including those chosen under 1b), shall be as nearly equal to the number determined as provided in 1c) as practicable, without exceeding that number.
   b) Each Annual Conference shall be represented by an equal number of lay and clergy delegates.
   c) Each Annual Conference shall be entitled to at least one clergy and one lay delegate.

Amend Paragraph 602.4 by inserting the following after the first sentence:

Consideration shall be given to electing an inclusive delegation (Paragraph 103 and Paragraph 113). Annual Conferences are not precluded from establishing nominating procedures to identify candidates for election to General and Jurisdictional Conference provided that all persons eligible for election in accordance with the Constitution, may be elected whether or not they have been formally nominated.

The full text of Paragraph 602.4 will then read:

4. Delegates to the General Conference shall be elected at the session of the Annual Conference held in the calendar year preceding the session of the General Conference. Consideration shall be given to electing an inclusive delegation (Paragraph 103 and Paragraph 113). Annual Conferences are not precluded from establishing nominating procedures to identify candidates for election to General and Jurisdictional Conference provided that all persons eligible for election in accordance with the Constitution, may be elected whether or not they have been formally nominated. At least thirty days prior to the beginning of that calendar year, the secretary of the General Conference shall notify the bishop and the secretary of each Annual Conference of the number of delegates to be elected by the Annual Conference.

RATIONALE

The current formula for allocating delegates to the General Conference, while it may have served well in years past, has now become inequitable. It violates the one-person-one-vote principle of representation. For example, under the present formula, the California-Pacific Conference gets one delegate for every 7301 United Methodists, clergy and lay, whose memberships are held in that conference. The Florida Conference, by contrast, has one delegate for every 12,234 United Methodists. Using California-Pacific as the benchmark, there are 138,129 United Methodists in the Florida Conference that are not represented with a vote at the General Conference. That same comparison shows that 108,801 Oklahoma United Methodists are disenfranchised, and 42.45% of the membership of the Dakotas Annual Conference is unrepresented.

It should be noted that the Alabama-West Florida Conference would not gain any delegates by the new formula. Nevertheless, the equity issue must be addressed.

The verbiage of this petition is that of the petition approved by the 1992 Southeastern Jurisdictional Conference and of a resolution presented to the Florida Conference this year.

Respectfully submitted,
Joseph H. Bullington, Jr.

The Committee on Resolutions recommended: Concurrence.

PETITION NO. 6

(Presented to the Conference as Petition No. 12)

BE IT RESOLVED THAT THE ALABAMA-WEST FLORIDA ANNUAL CONFERENCE PRESENT THE FOLLOWING PETITION TO THE 1996 GENERAL CONFERENCE:

PETITION

Amend The Constitution Paragraph 14 as follows:

> ***Article III.*** The General Conference shall fix the ratio of representation in the General, Jurisdictional, and Central Conferences from the Annual Conferences, Missionary Conferences, and the Provisional Annual Conferences, computed on a two-factor basis: (1) the number of ministerial members of the Annual Conference and the Missionary Conference, and (2) the number of church members in the Annual Conference and the Missionary Conference; the basis of total membership of the Annual Conference arrived at by adding the number of clergy members, both active and retired, of the Annual Conference to the number of members of local churches in the Annual Conference; provided that each Annual Conference, Missionary Conference, or Provisional Annual Conference shall be entitled to at least one ministerial and one lay delegate in the General Conference and also in the Jurisdictional or Central Conference.

The new Paragraph 14 will then read:

> ***Article III.*** The General Conference shall fix the ratio of representation in the General, Jurisdictional and Central Conferences from the Annual Conferences, Missionary Conferences, and the Provisional Annual Conferences, computed on the basis of total membership of the Annual Conference arrived at by adding the number of clergy members, both active and retired, of the Annual Conference to the number of members of local churches in the Annual Conference; provided that each Annual Conference, Missionary Conference, or Provisional Annual Conference shall be entitled to at least one ministerial and one lay delegate in the General Conference and also in the Jurisdictional or Central Conference.

(Single Underlining = deletion; Double Underlining = addition.)

RATIONALE

The rationale for this petition is exactly the same as that for the proposed change of Paragraph 602. This constitutional amendment would remove any perceived conflict of the new Paragraph 602 with the constitution.

Respectfully submitted,
Joseph H. Bullington, Jr.

The Committee on Resolutions recommended: Concurrence.

PETITION NO. 7

(Presented to the Conference as Petition No. 13)

WHEREAS, such gambling usually leads to an increase in crime; and

WHEREAS, families are robbed of needed money for food and for the household and people are taught to want something for nothing; and

WHEREAS, many become enslaved to gambling and lose everything.

THEREFORE, BE IT RESOLVED that the Alabama-West Florida Conference of the United Methodist Church in session at Huntingdon College May 31, 1995, go on record as opposing any and all legalization of gambling in our states.

BE IT FURTHER RESOLVED that copies of this resolution be immediately provided for the media, for the governors, and for the legislators of Alabama and Florida.

WHEREAS, the General Council on Ministries Committee on Prison Ministries and Prison Reform is recommending establishment of a United Methodist Church CJAMM office of ministry and advocacy (productive inquiries have been held with the Board of Discipleship and the Foundation for Evangelism to assist in starting such an office); and
